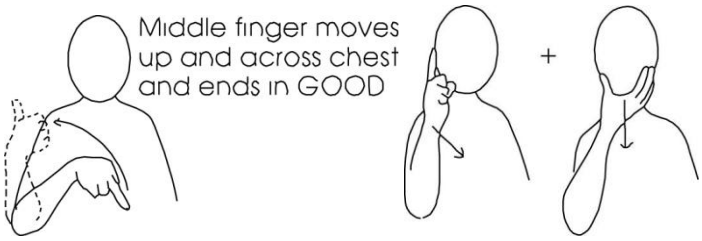
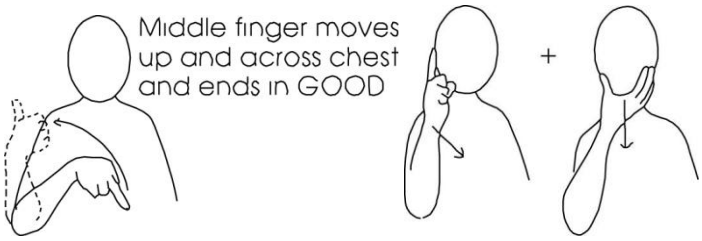
The Kind Communication Song

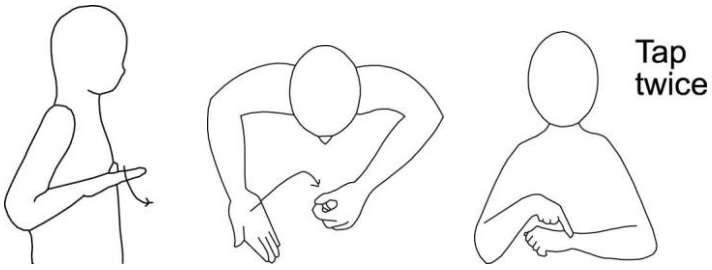


Kind people don't mind...

If you need a little help to understand



Kind people don't mind...



if you need a bit more time.

Kind people don't mind...

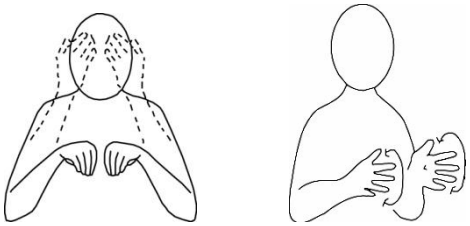
Kind people don't mind...



they may even learn some signs

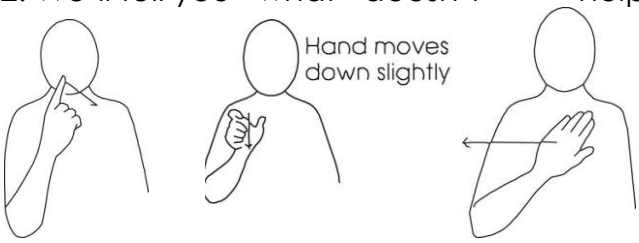
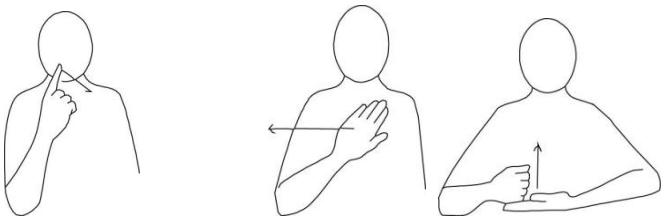
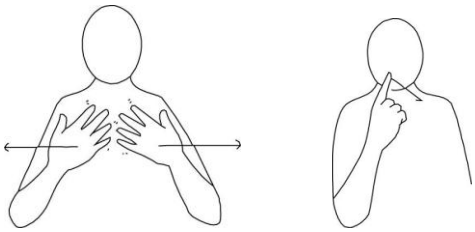
2. We'll tell you what doesn't help



Talking to the other person but not to me



We'll tell you what doesn't help -



When there's just too many words.

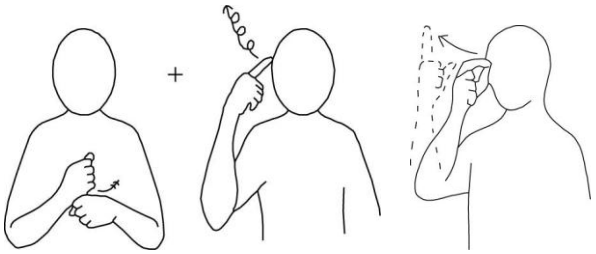
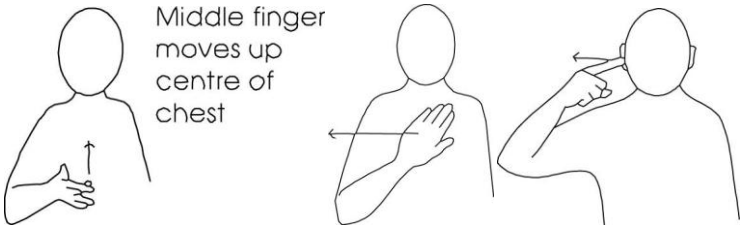
We'll tell you what doesn't help



Pretending that you understand

We'll tell you what doesn't help



If we feel that we're not heard...
