

Choir Assistant in Redhill

Include is an award-winning charity improving the lives and rights of people with speaking and communication disabilities.

Through various inclusive activities, including two Makaton signing choirs, we provide an invaluable service to many people in Surrey, whatever their ability.

The Include Choir is an uplifting, inclusive choir for adults with and without communication or learning disabilities. We use Makaton signing and other inclusive communication techniques to involve everyone and raise awareness of inclusive communication skills.

Our members to create and learn popular songs using Makaton. These songs have meaning and educational value for our members and audiences.

Weekly rehearsals prepare members for the many public events that the choirs are asked to perform at.

What You Will Be Doing

One of the Include Choirs rehearses weekly during term time in Redhill between 7:30 and 9pm.

We have a variety of roles available from general support with the choir and the members, refreshments, meeting/greeting to tech setup and Zoom.

All of the roles require arrival by at least 7pm for set up.

Depending on your skills or interests you will have a role you are comfortable with. This may mean learning new tech skills or delivering our refreshments during break. A general role will be involved in interacting with members supporting the delivery of the session involving props etc ensuring everyone is involved. You will be supported by our volunteer coordinator to be placed in the right role for you. There may be opportunities to get involved in choir performances and public-facing events too.
