

In My World

Verse 1

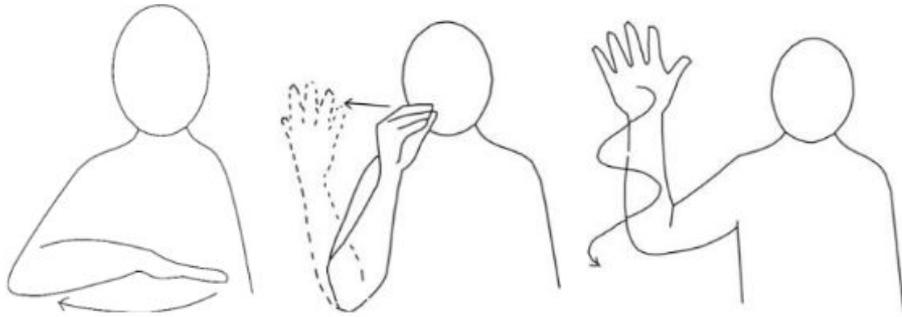

I see colours in the rainbows

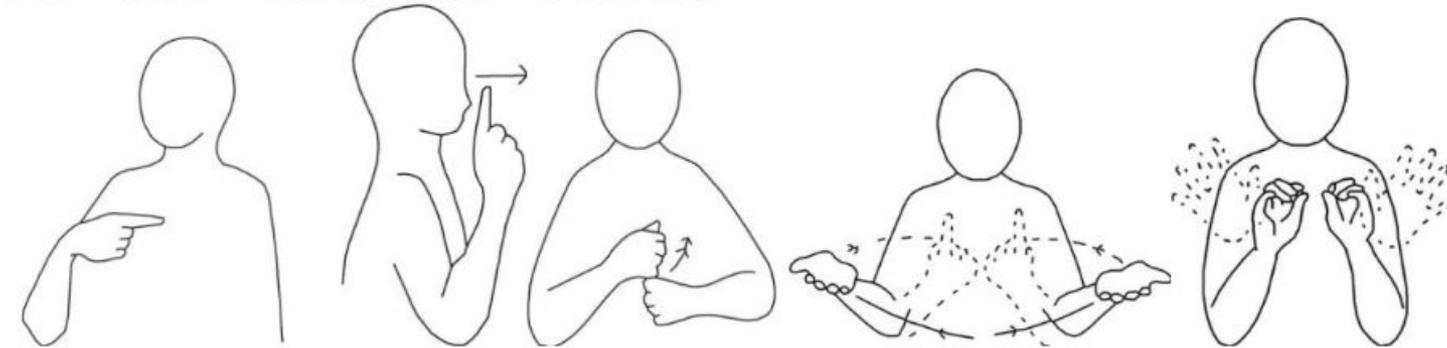

Show several stars

I see stars in the sky at night

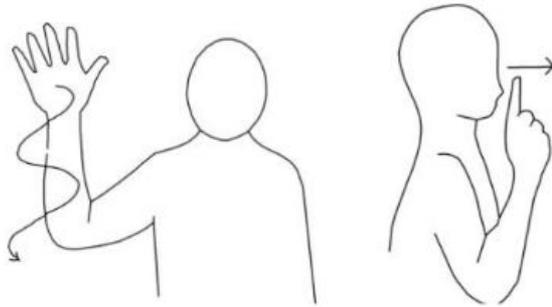

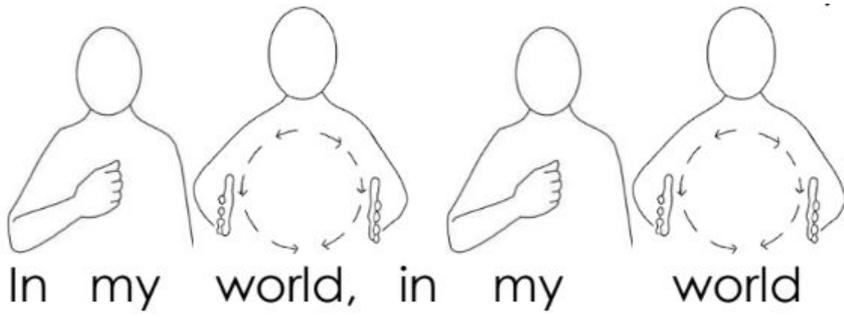

All the beautiful colours

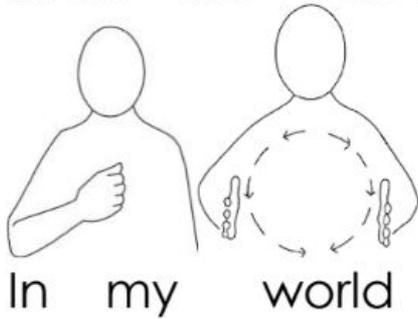

That I see make everything bright

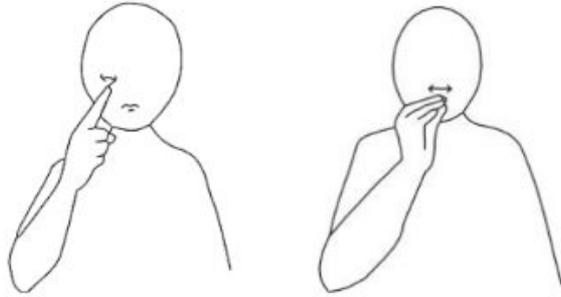

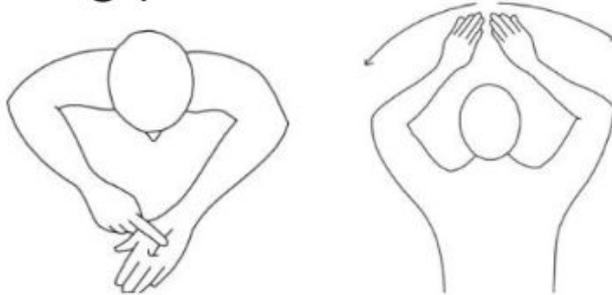

There are colours that I see

Verse 2

The blushing pink of the roses

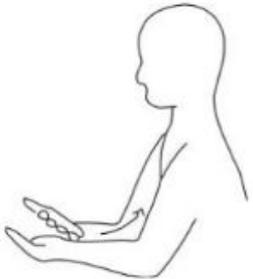

And the hazy blue of the sky

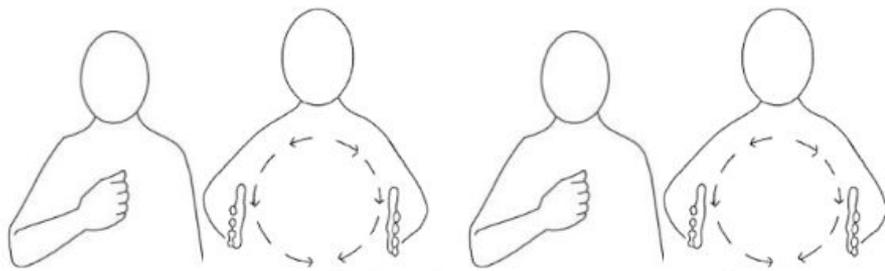

Sunsets over the calming sea

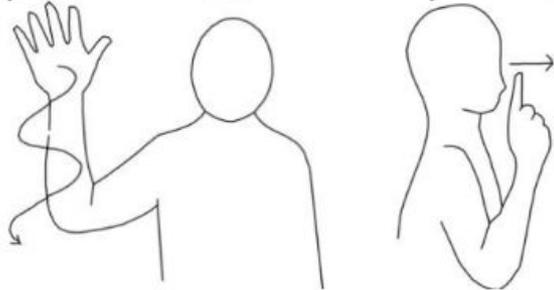

The green of the grass we're passing by

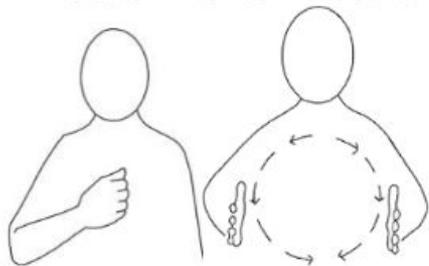

In my world, in my world

These are colours that I see

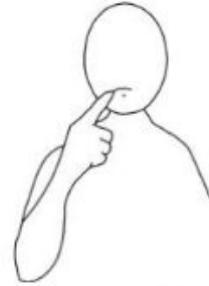

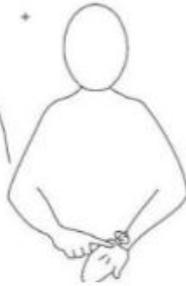

In my world
