

Let's Go Fly a Kite

With extra verses

by
the inlude chöir

With tuppence for paper and string

You can have your own set of wings

With your feet on the ground,
you're a bird in flight

With your fist holding tight
to the string of your kite.

Let's go fly a kite

Up to the highest height

Let's go fly a kite
and send it soaring

Up through the atmosphere

Up where the air is clear

Oh let's go...fly a kite

When you send it soaring up there

All at once, you're lighter than air

You can dance on the breeze

Over houses and trees

With your fist holding tight
to the string of your kite...

Let's go fly a kite

Up to the highest height

Let's go fly a kite
and send it soaring

Up through the atmosphere

Up where the air is clear

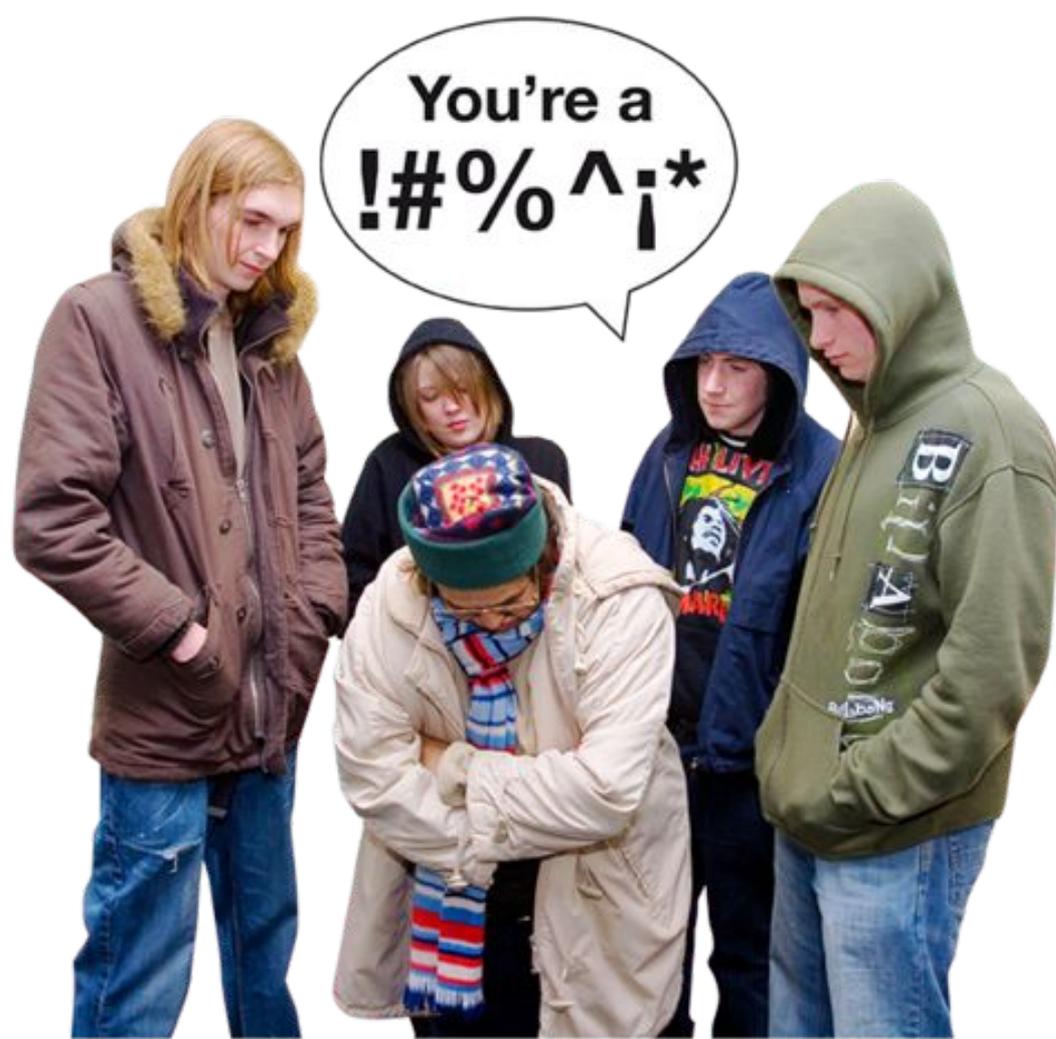

Oh let's go...fly a kite

When people are rude or unkind

I try very hard not to mind

If they call me some names
Which should make them ashamed

I just say 'why oh why..

..don't you go fly a kite?!'

Let's go fly a kite

Up to the highest height

Let's go fly a kite
and send it soaring

Up through the atmosphere

Up where the air is clear

Oh let's go...fly a kite

The world is a wonderful place

When you judge folk on
more than their face

It's what is inside that should make
you feel pride

Make you feel as light
As your beautiful kite!

Let's go fly a kite

Up to the highest height

Up through the atmosphere

Up where the air is clear

Oh let's go...

fly a kite!
