

Shotgun

Homegrown alligator,

See you later

Gotta hit the road, gotta hit the road

Something changed in the atmosphere

Architecture unfamiliar

I could get used to this

Time flies by in the yellow and green

Stick around and you'll see what I mean

There's a mountaintop that I'm dreaming of

With flat palm, thumb on side of chest, hand moves down then forward. Repeat for needs

If you need me you know where I'll be

I'll be riding shotgun

underneath the hot sun

Feeling like a someone (someone)

I'll be riding shotgun

underneath the hot sun

Feeling like a someone (someone)

We're south of the Equator, navigator

Gotta hit the road, gotta hit the road

Deep sea diving 'round the clock,

bikini bottoms, lager tops

I could get used to this

Time flies by in the yellow and green

Stick around and you'll see what I mean

There's a mountaintop that I'm dreaming of

With flat palm, thumb on side of chest, hand moves down then forward. Repeat for needs

If you need me you know where I'll be

I'll be riding shotgun

underneath the hot sun

Feeling like a someone (someone)

I'll be riding shotgun

underneath the hot sun

We got two in the front (hey)

Two in the back (hey)

Sailing along

And we don't look back (back, back)

Tap twice

Time flies by in the yellow and green

'C' hands make short firm movement down

Right hand circles

Stick around and you'll see what I mean

There's a mountaintop that I'm dreaming of

With flat palm, thumb on side of chest, hand moves down then forward. Repeat for needs

If you need me you know where I'll be

I'll be riding shotgun

underneath the hot sun

Feeling like a someone (someone)

I'll be riding shotgun

underneath the hot sun

Feeling like a someone (someone)

I'll be riding shotgun

underneath the hot sun

Feeling like a someone (someone)

I'll be riding shotgun

underneath the hot sun

Feeling like a someone (someone)

I'll be riding shotgun

underneath the hot sun
