

# True Colours

Point to appropriate eye with index finger.

For plural point to both eyes

You with the sad eyes

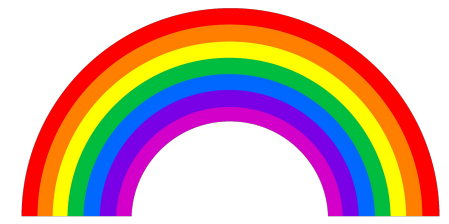

Shoulders sag to show degree of tiredness

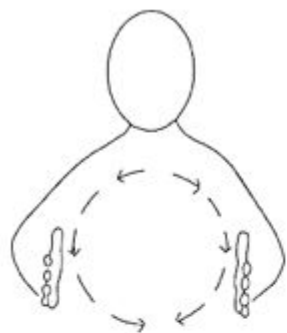

Don't be discouraged, oh I

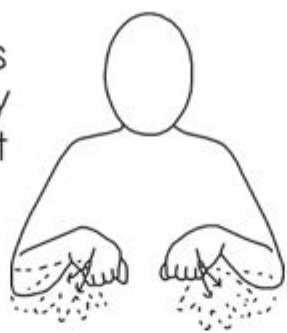

Press thumb into palm

realize, it's hard to take courage,

Hand moves  
down slightly  
Repeat

In a world full of people, you can lose

sight of it all

Make sharp  
movement to  
cover eyes

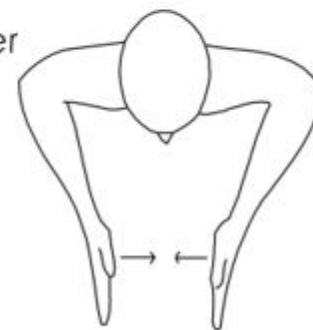

The darkness

inside you can make you feel so

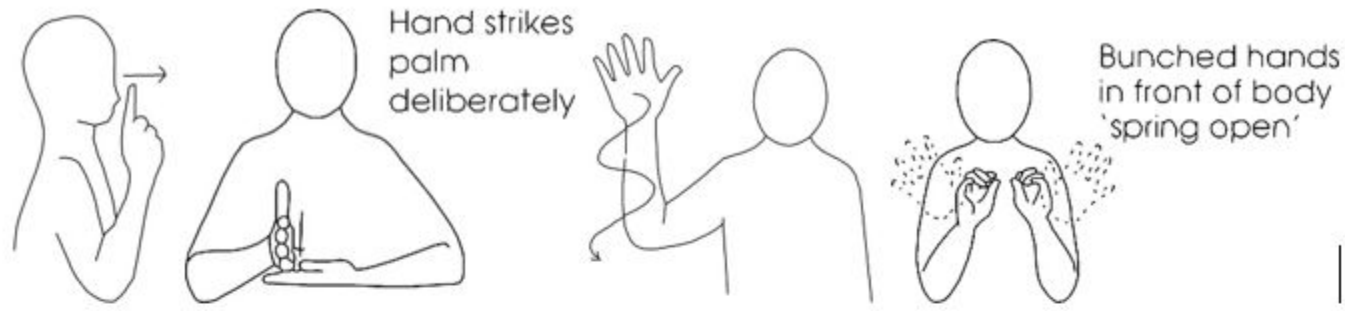

Middle finger  
moves up  
centre of  
chest

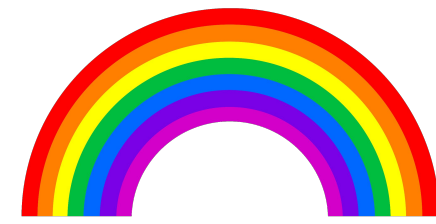

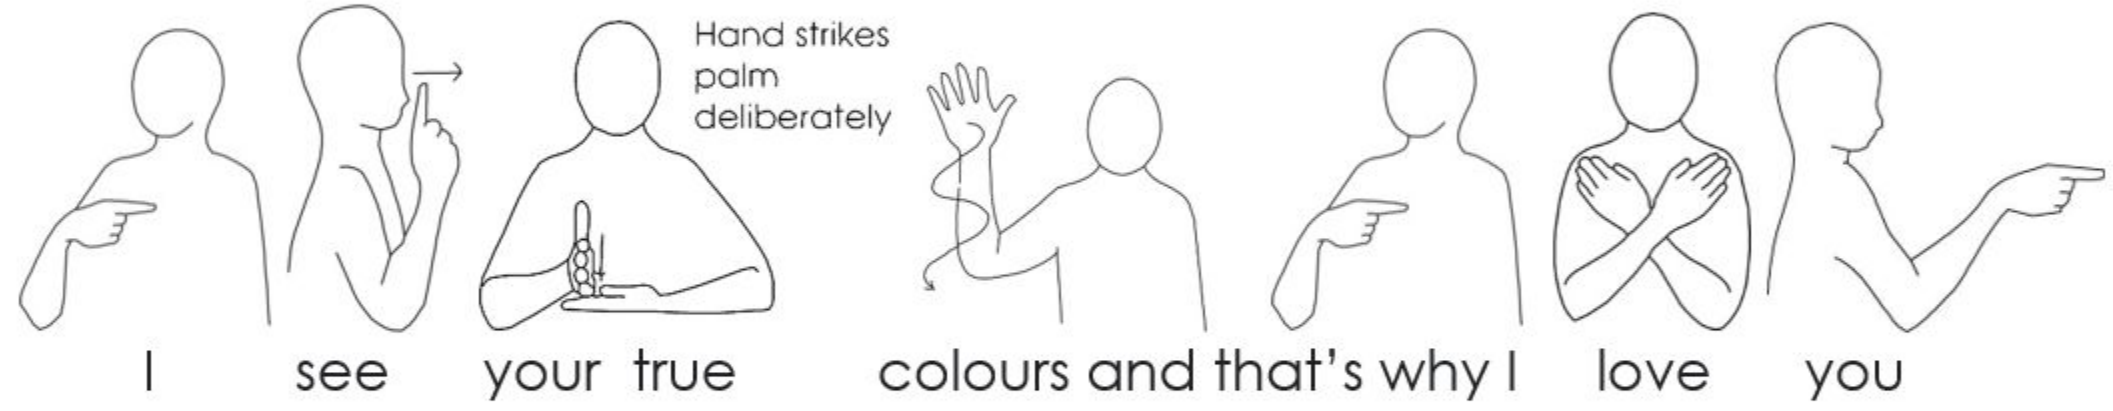

small

And I see your true

colours shining through

Your

true

Hand strikes palm deliberately

colours,

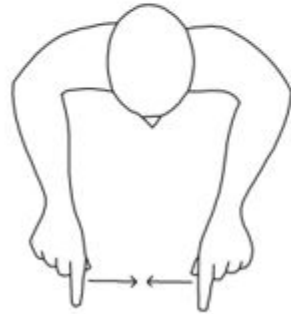

true

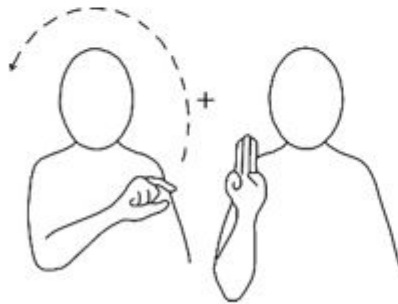

Hand strikes palm deliberately

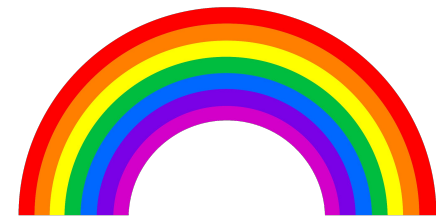

colours are beautiful

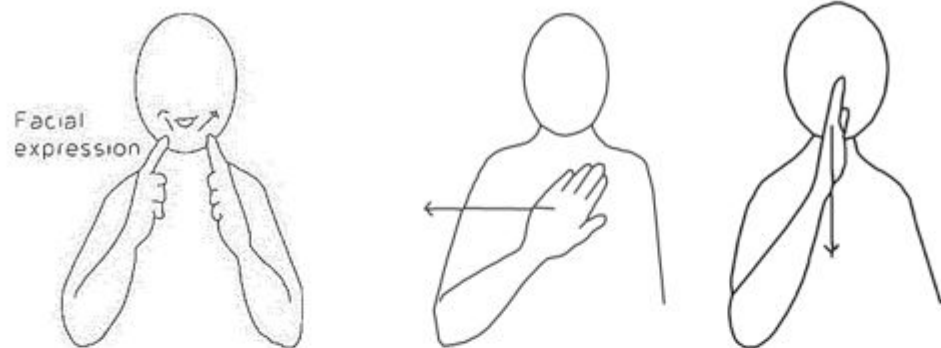

Like a

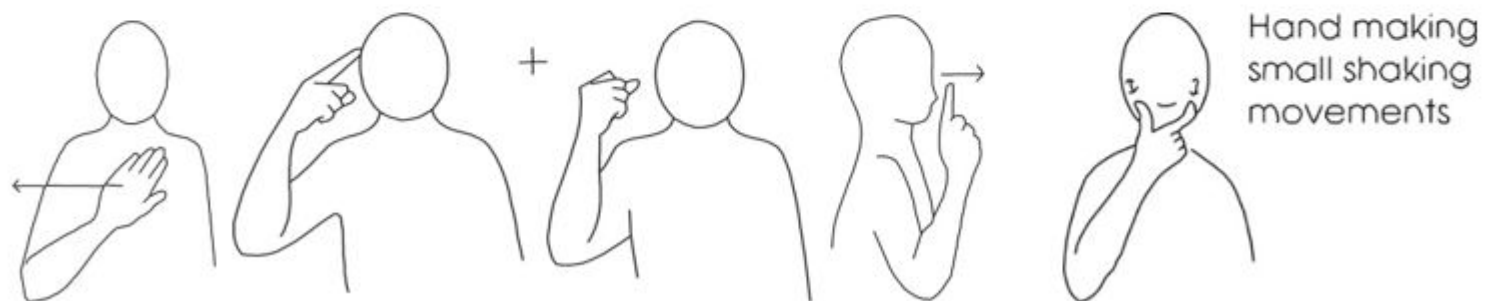

rainbow,

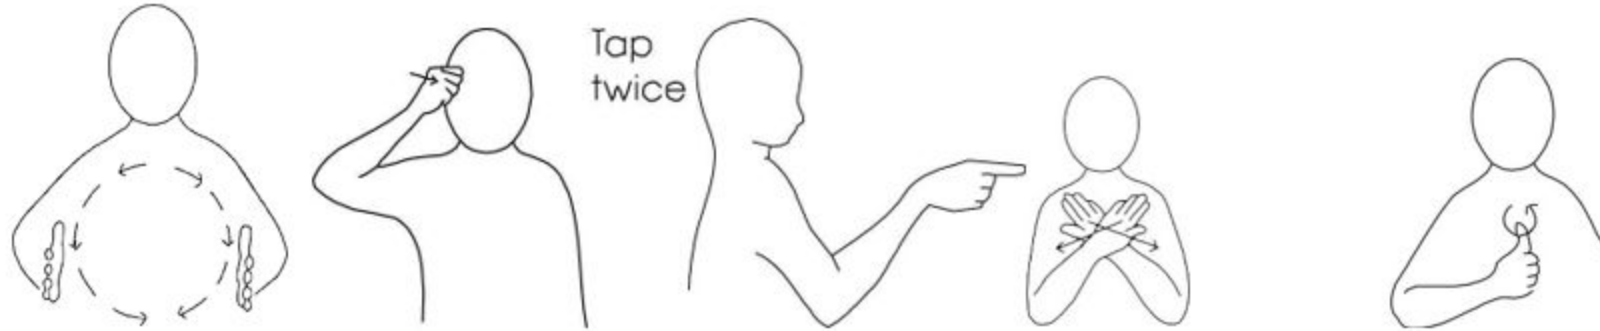

Show me a smile then don't be unhappy

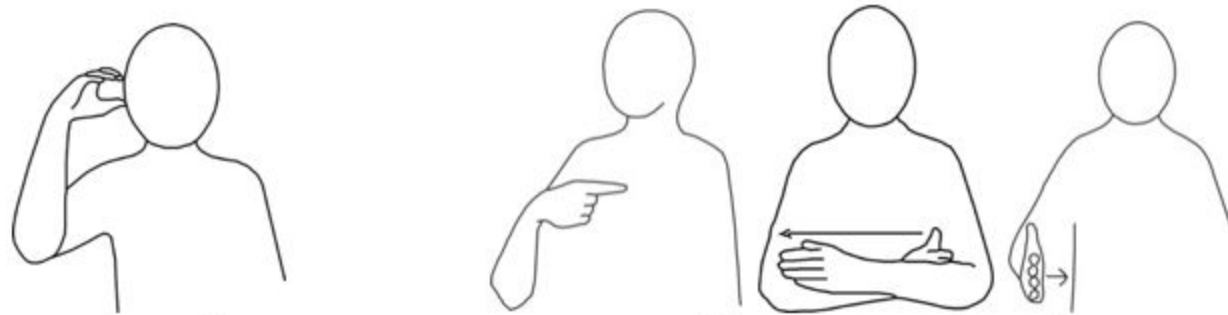

Can't remember when I last saw you laughing

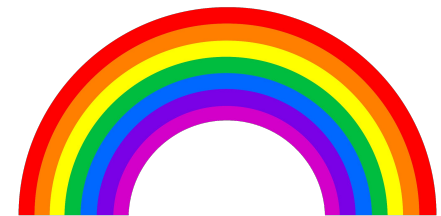

If this world makes you crazy and you've taken all you can bear

Just call me up, cause I will always be there

I see your true colours shining through

I see your true colours and that's why I love you

So don't be afraid to let them show

Your

true

Hand strikes palm deliberately

colours,

true

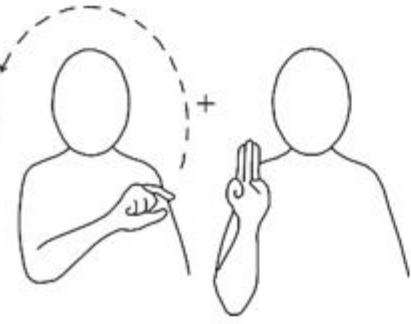

Hand strikes palm deliberately

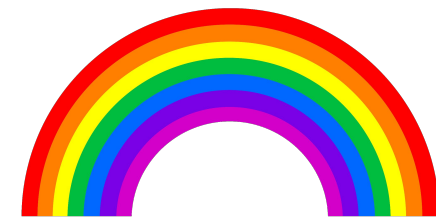

colours are beautiful

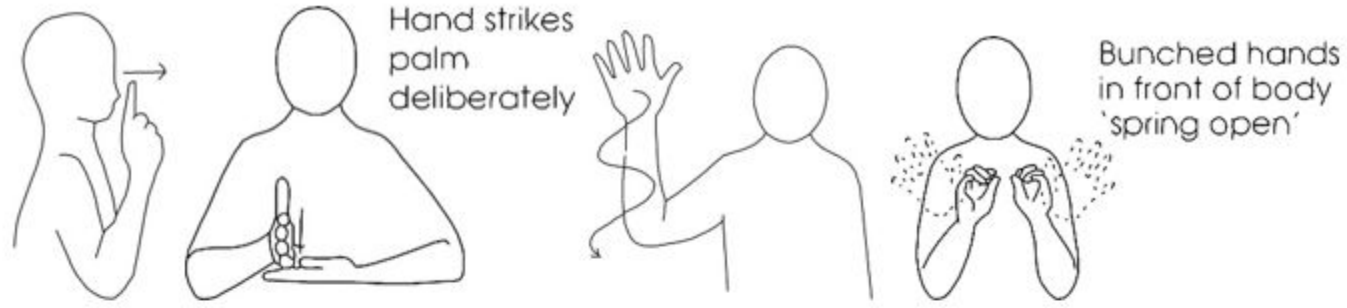

Like a

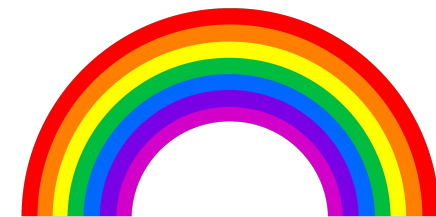

rainbow

And I see your true

colours shining through

Your

true

Hand strikes palm deliberately

colours,

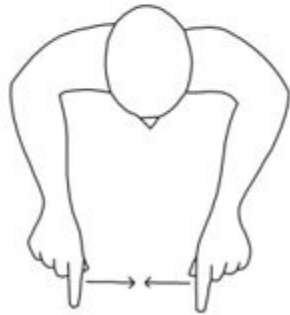

true

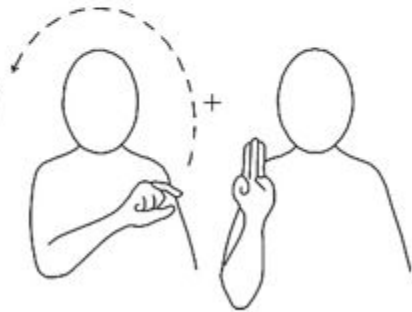

Hand strikes palm deliberately

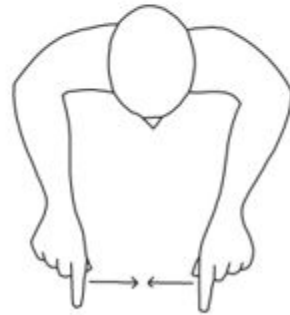

colours are beautiful

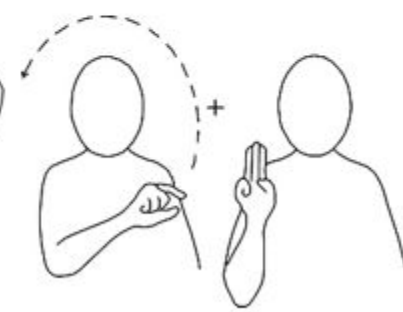

Like a

rainbow,

like a

rainbow
