

Any Dream Will Do

(mime drawing curtains)

VI: I closed my eyes, drew back the curtain

To see for certain,

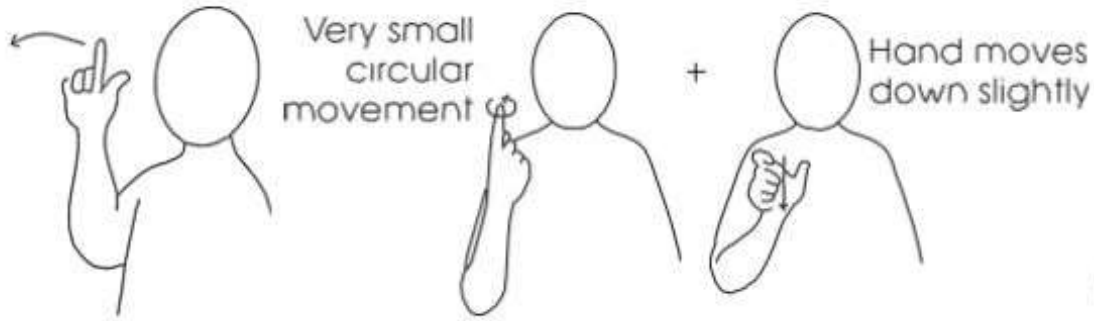

what I thought I

knew

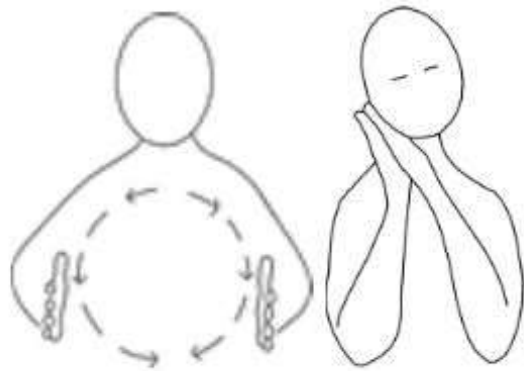

Far, far away, someone was

weeping,

But the world was sleeping.

Hands move slightly outwards by wrist movement

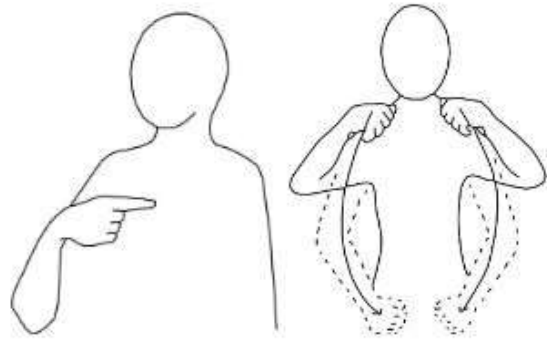

Any

dream will do

V2

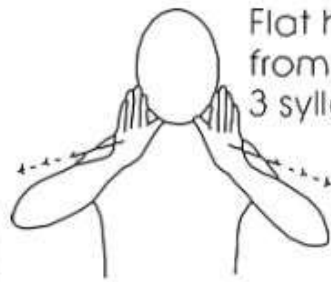

Mime putting coat on over shoulders, show appropriate length

I wore my coat, with

golden lining

Flat hands move from face, match 3 syllables

Bright colours shining, wonderful

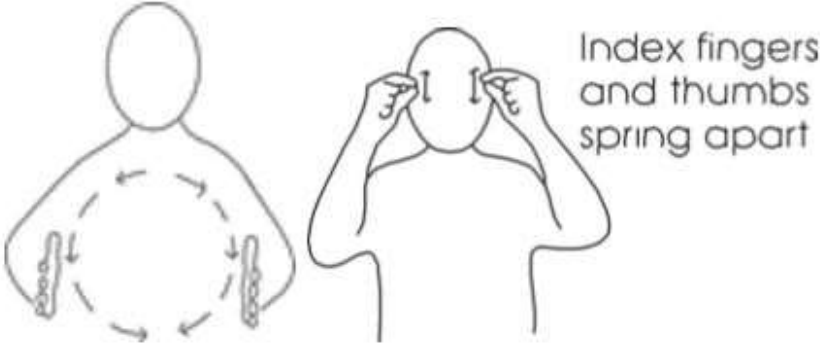

and

new

And in the east, the dawn was breaking

And the world was waking

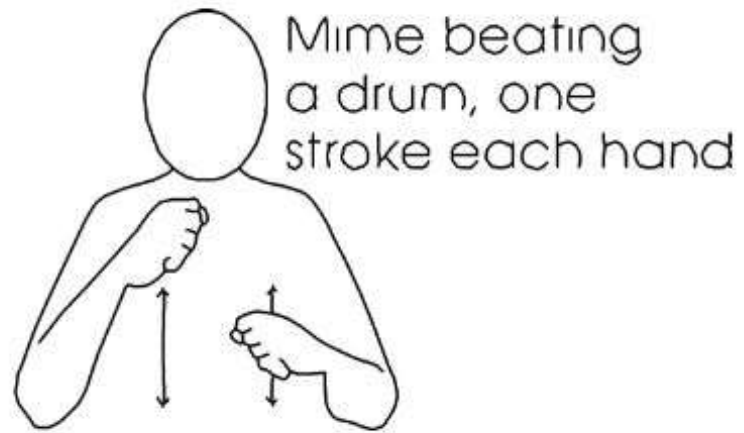

Hands move slightly outwards by wrist movement

Any

dream will do

Mime beating
a drum, one
stroke each hand

M8. A crash of drums

A flash of

light

My golden

Mime putting coat on over shoulders, show appropriate length

coat, flew out of sight

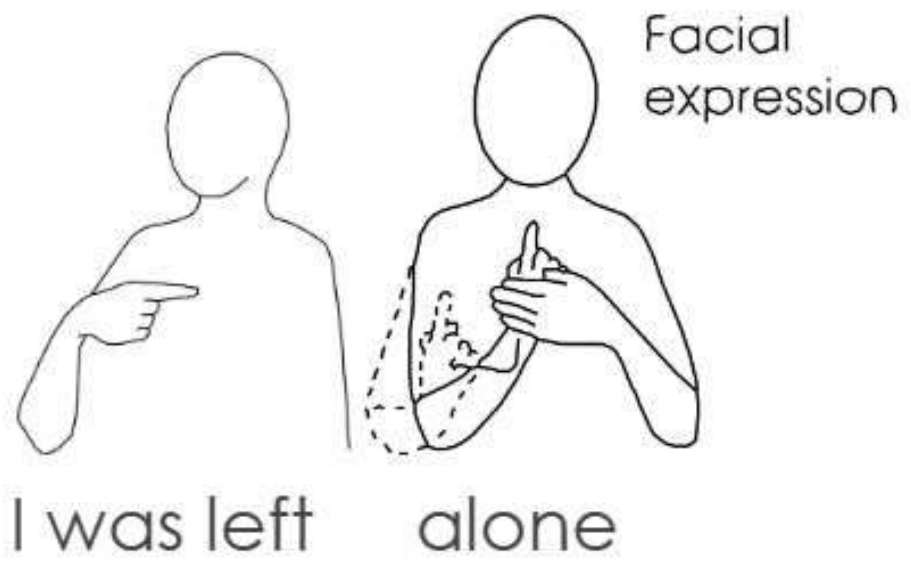

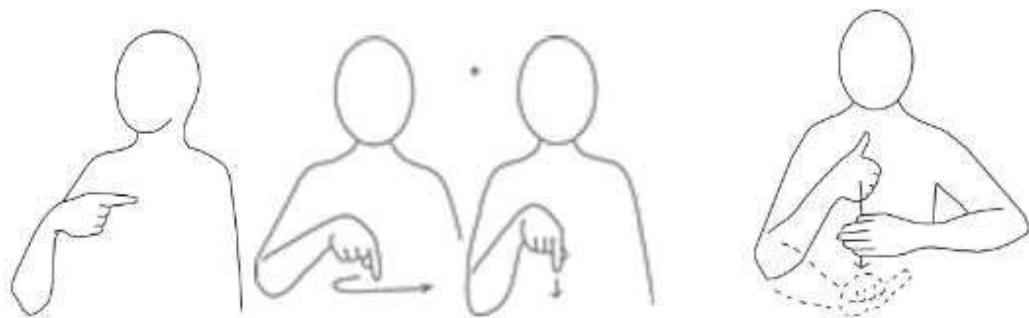

The colours faded into darkness

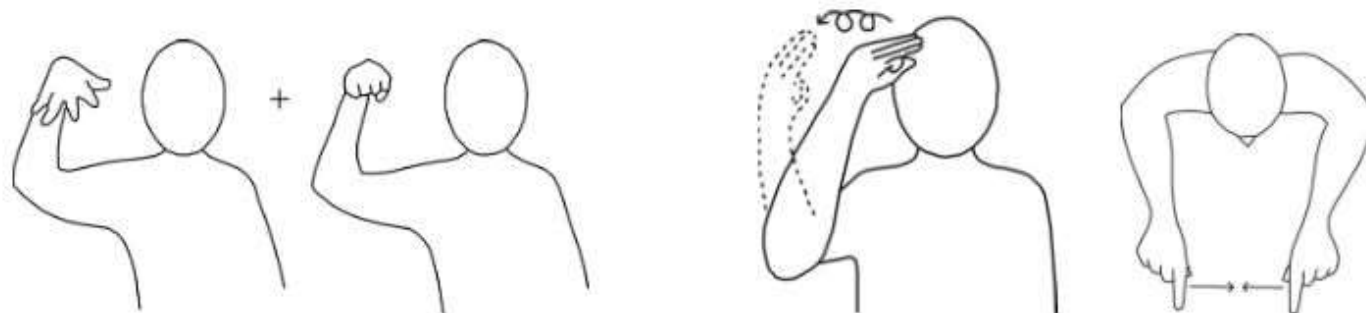

Make sharp movement to cover eyes

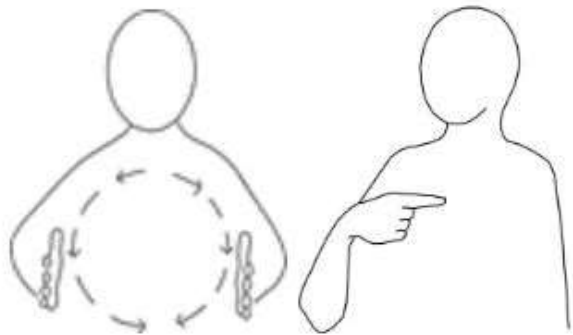

v3: May I return to the beginning?

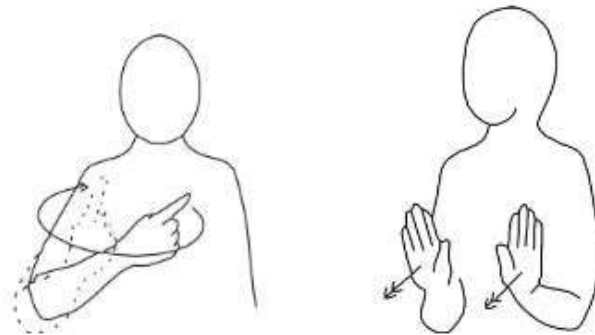

The light is dimming, and the dream is too

The world and I,

we are still waiting

Still hesitating.

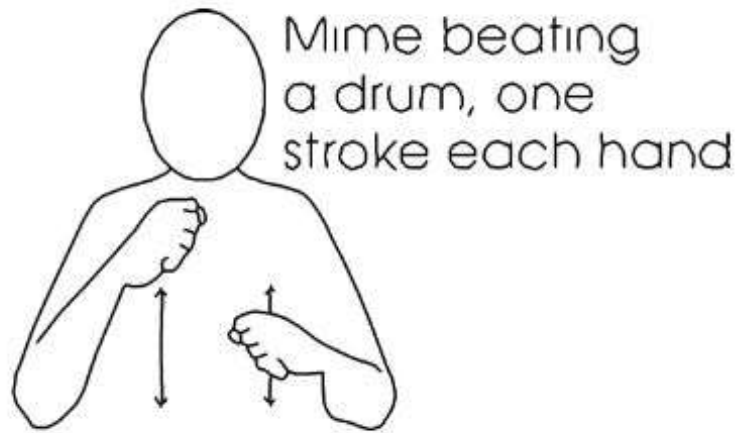

Any

Hands move
slightly outward
wrist movement

dream will do

Mime beating
a drum, one
stroke each hand

M8. A crash of drums

A flash of

light

My golden

Mime putting coat on over shoulders, show appropriate length

coat, flew out of sight

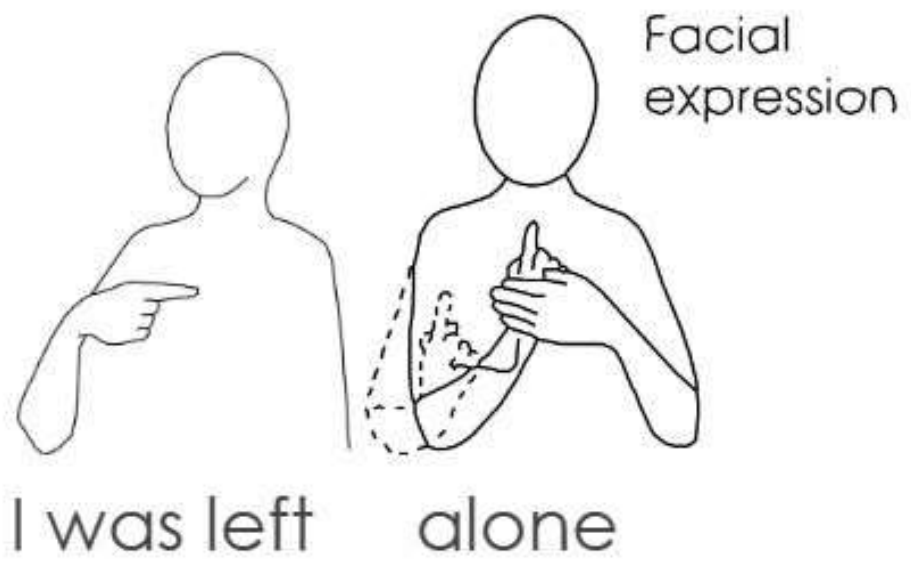

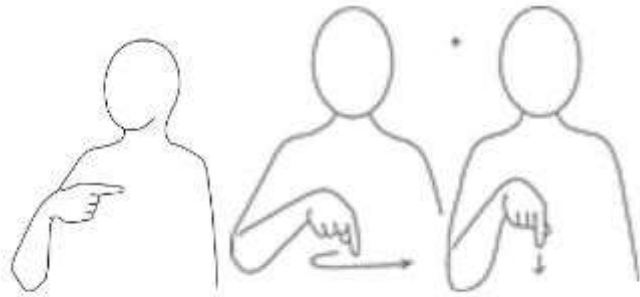

The colours faded into darkness

Make sharp movement to cover eyes

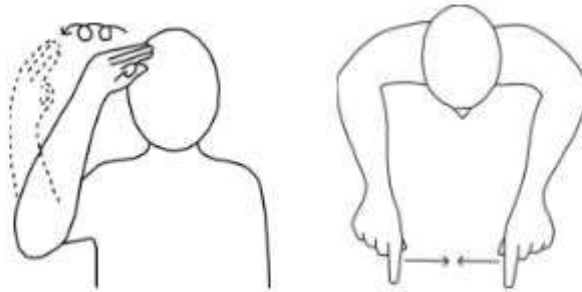

v4: May I return

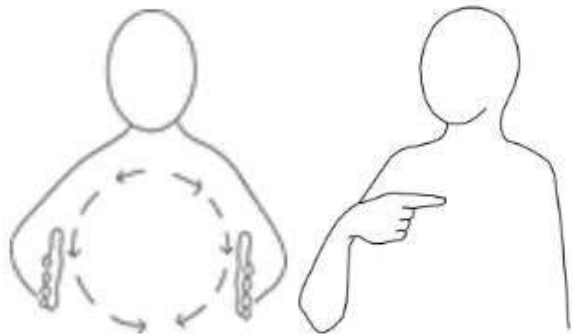

to the beginning?

The light is dimming, and the dream is too.

The world and I,

we are still waiting

Still hesitating.

Any

Hands move slightly outward wrist movement

dream will do

Hands move slightly outwards by wrist movement

Any

dream will do,

Hands move slightly outwards by wrist movement

Any

dream will do

Hands move slightly outwards by wrist movement

Any dream will do.
