

# Over the Rainbow

1. Somewhere

over

the rainbow

Way up

high

There's a land that I've heard of, once in a lullaby.

Thumbs rubs fingertips from small finger to index finger

2. Somewhere

over the rainbow,

Skies are blue

And the dreams that you dare to dream,

Hand strikes  
palm  
deliberately

Hand strikes  
palm  
deliberately

Really do come true.

Ch. Someday I'll

wish

Sign one star only

upon a star

Index fingers and thumbs spring apart

And wake up where the clouds are far behind me.

That's where

you'll

find

me.

If happy little

bluebirds

fly

Beyond the

rainbow

Why, oh

why

can't

I?
