

Roar

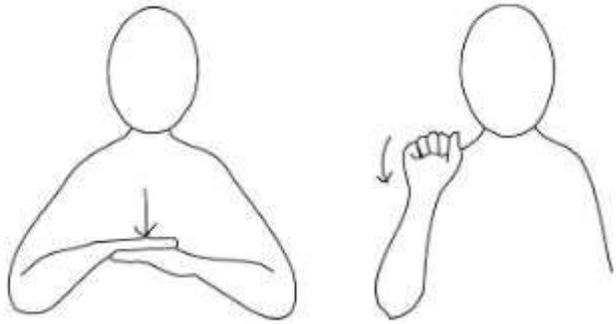

I used to bite my tongue and hold my breath,

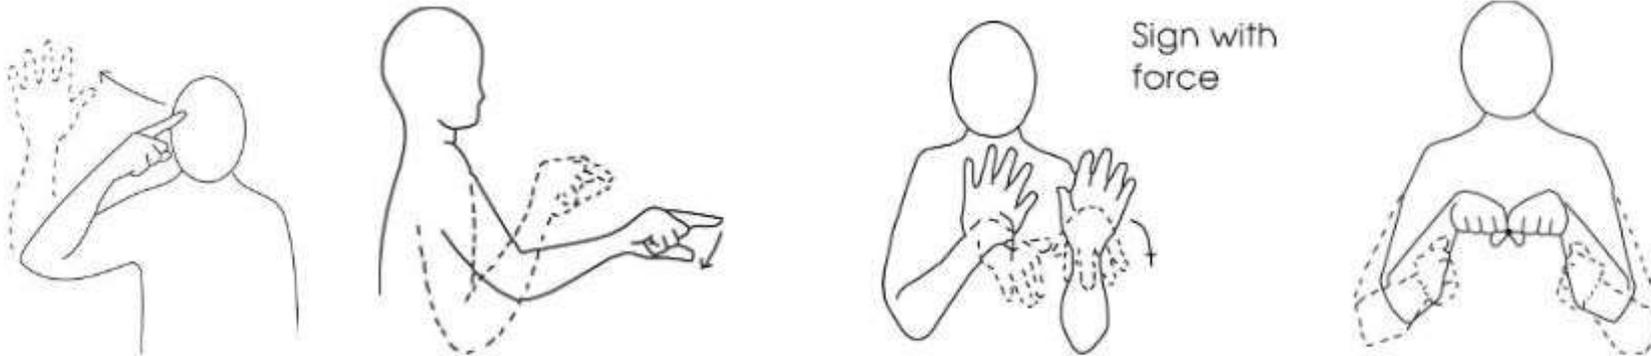

Hand moves quickly to mouth
- lightly taps lips with fingers twice

Scared to rock the boat and make a mess

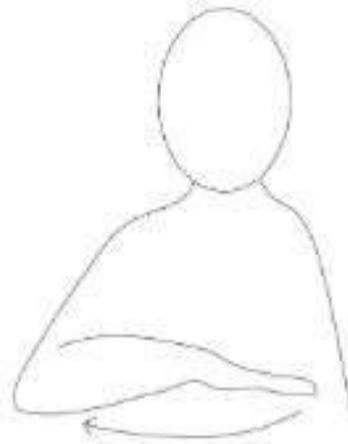

So I sat quietly, agreed politely

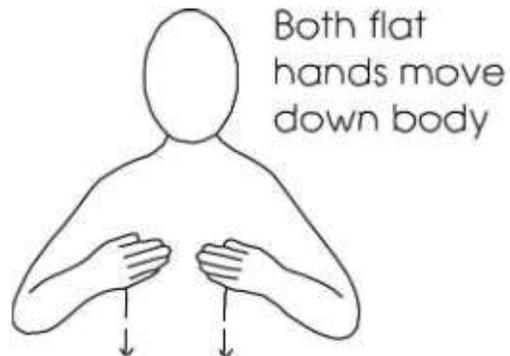

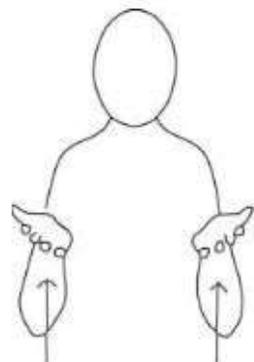

Guess I forgot I had a choice. Let you push me past the breaking point

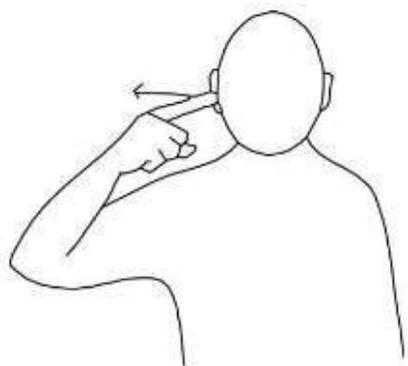

I stood for nothing, so I fell for everything

You held me down, but I got up, (hey!) Already brushing off the dust

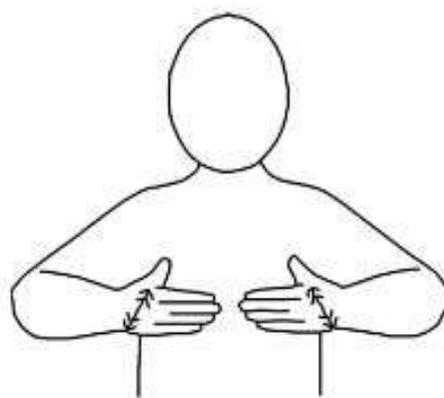

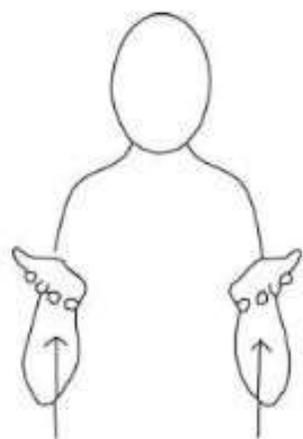

Palm forward
fist hand
bursts open
while moving
forward

You hear my voice, you hear that sound Like thunder, gonna shake the ground

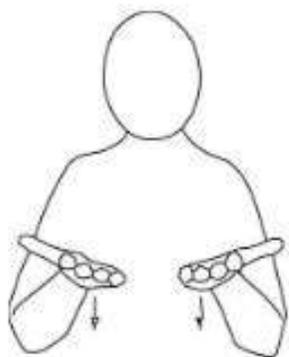

You held me down, but I got up,

Get ready cause

I've had enough

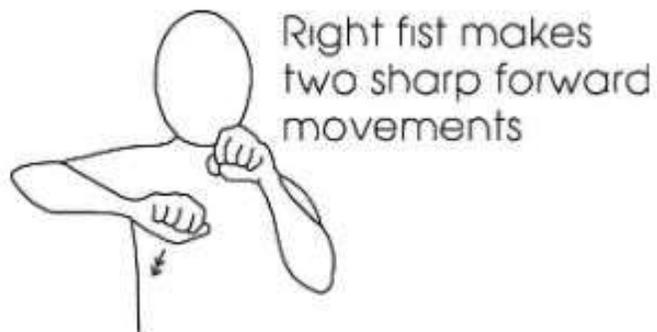

I see it all, I see it now

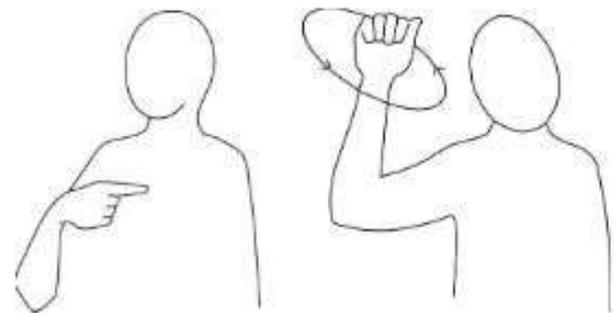

Hands show lots of whiskers

I got the eye of the tiger,

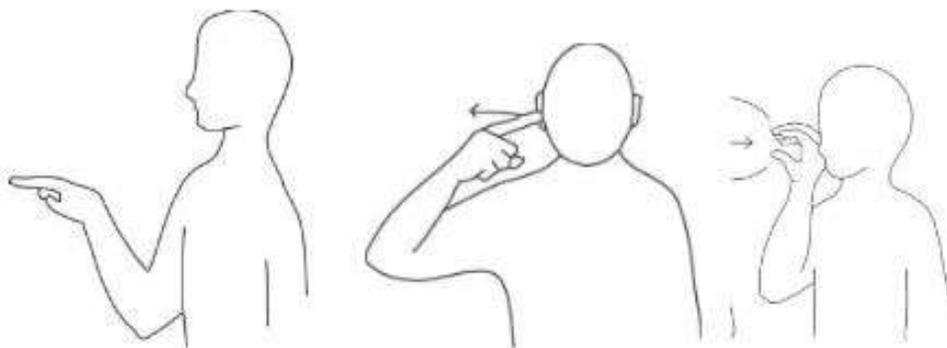

Right fist makes two sharp forward movements

a fighter, dancing through the fire

Cause I am a champion

and you're gonna hear me

ROAR

Louder,

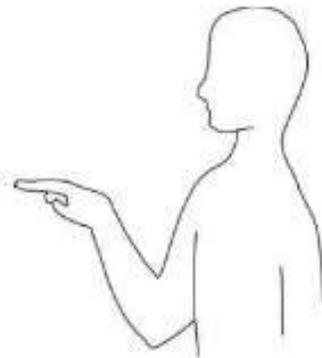

louder than a lion

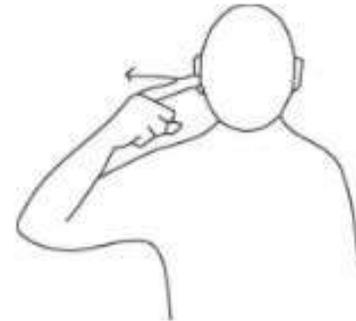

Cause I am a champion

and you're gonna

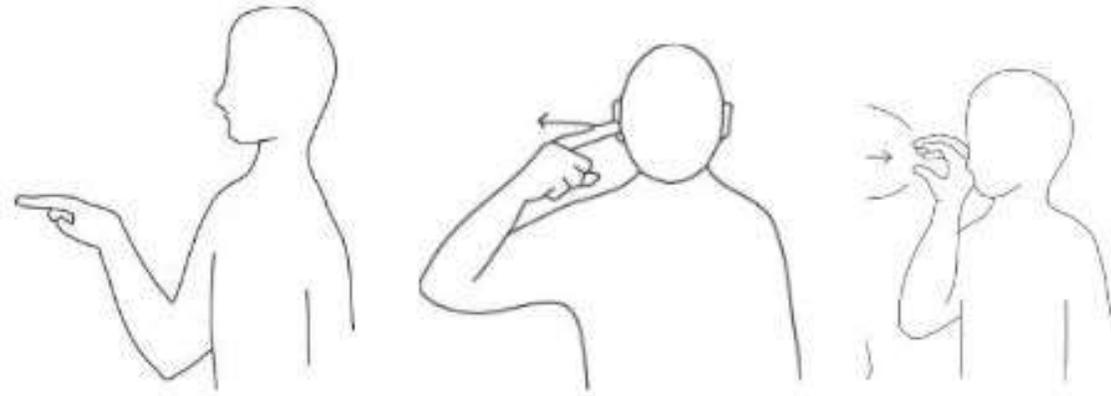

hear me

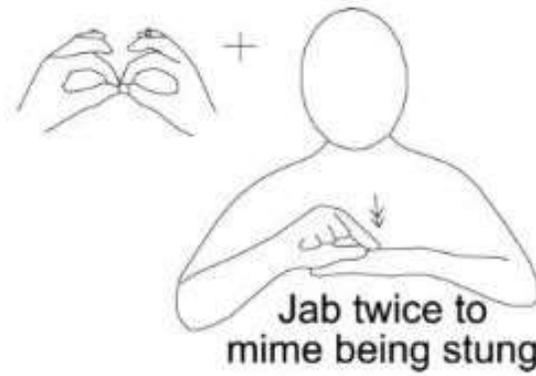

ROAR

Oh oh oh oh oh oh You're gonna hear me ROAR

Now I'm floating like a butterfly, Stinging like a bee I earned my stripes

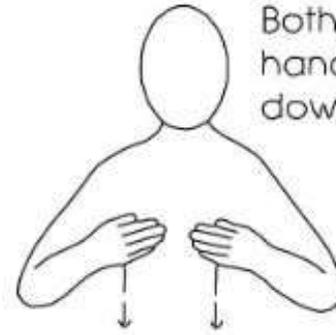

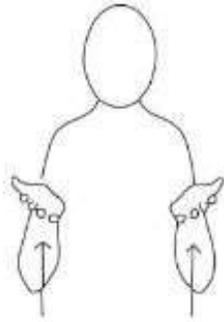

I went from zero, to my own hero

Sign with force

Both flat hands move down body

You held me down, but I got up, (hey!)

Already brushing off the dust

Palm forward fist hand bursts open while moving forward

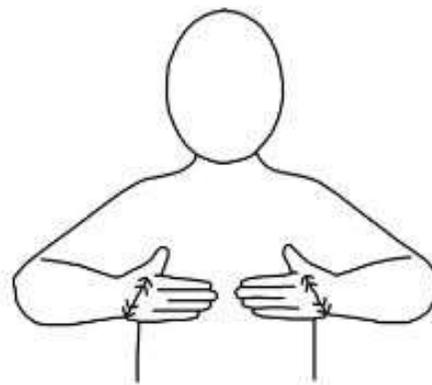

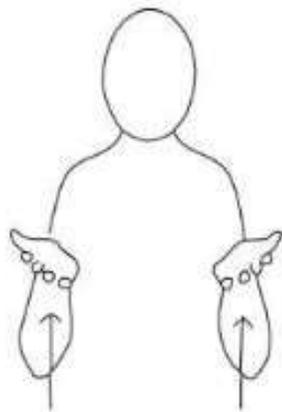

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

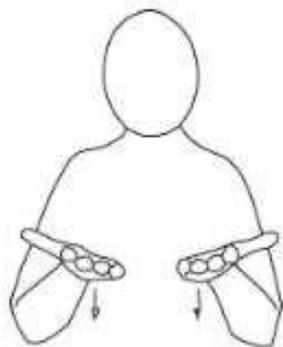

Sign with force

You held me down, but I got up, Get ready cause I've had enough

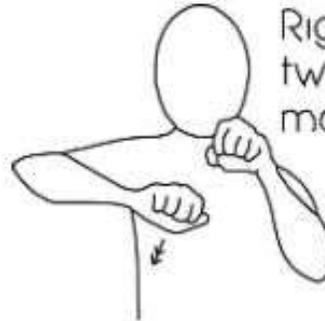

I see it all, I see it now

Hands show lots of whiskers

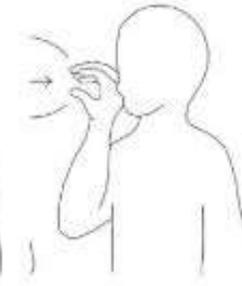

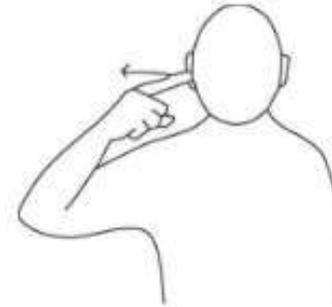

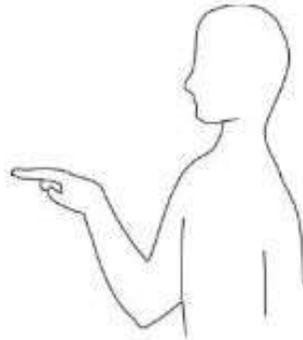

Right fist makes two sharp forward movements

I got the eye of the tiger,

a fighter, dancing through the fire

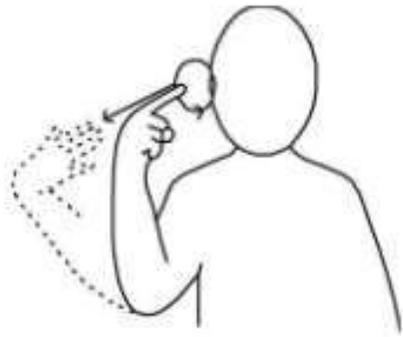

Cause I am a champion

and you're gonna hear me

ROAR

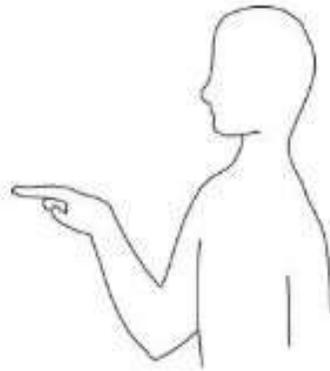

Louder, louder

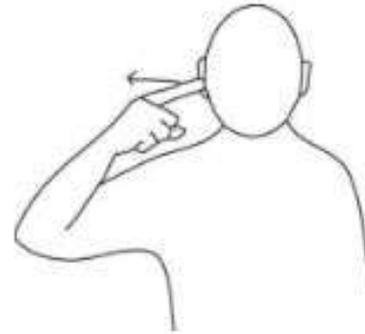

than a lion

Cause I am a champion

and you're gonna

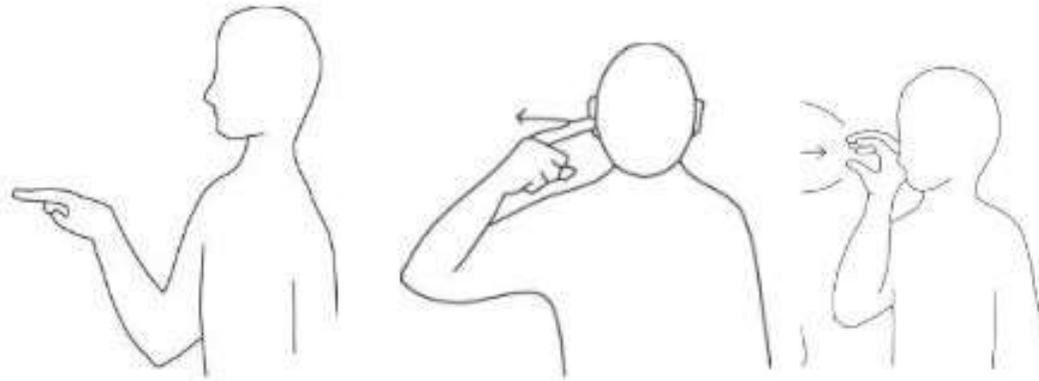

hear me

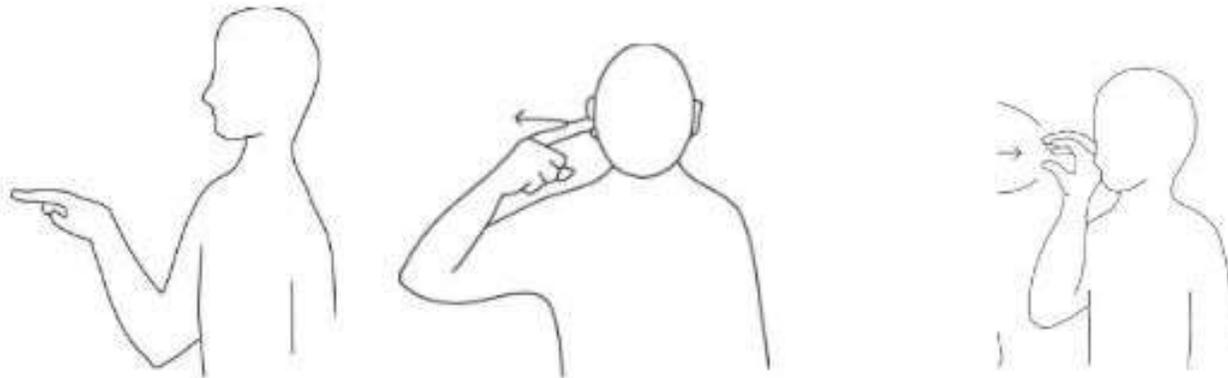

ROAR

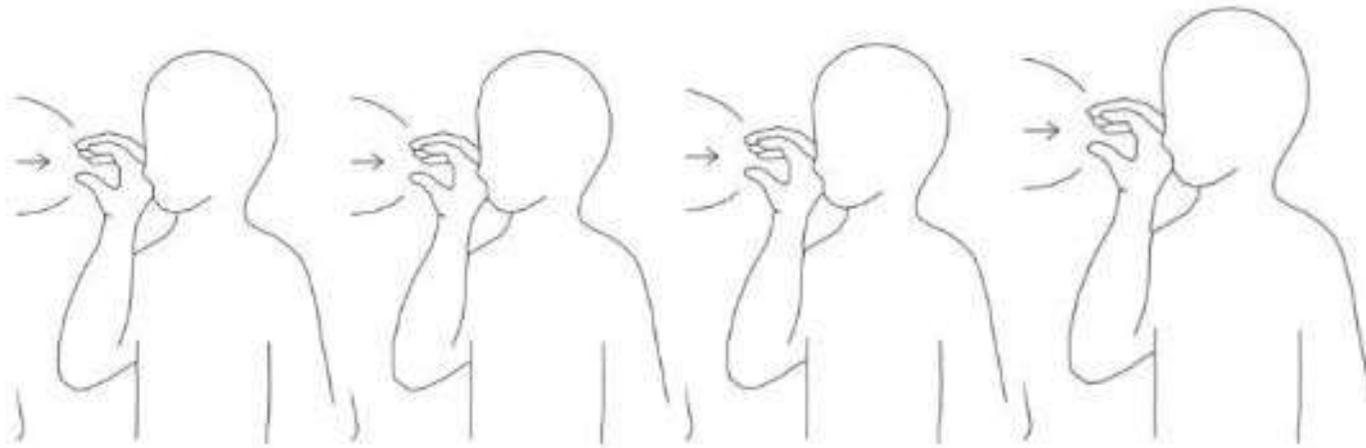

Oh oh oh oh oh oh You're gonna hear me ROAR

Oh oh oh oh oh oh You're gonna hear me ROAR!

Roar-or, roar-or, roar-or, roar-or, roar-or
