

Spring Song

Verse 1

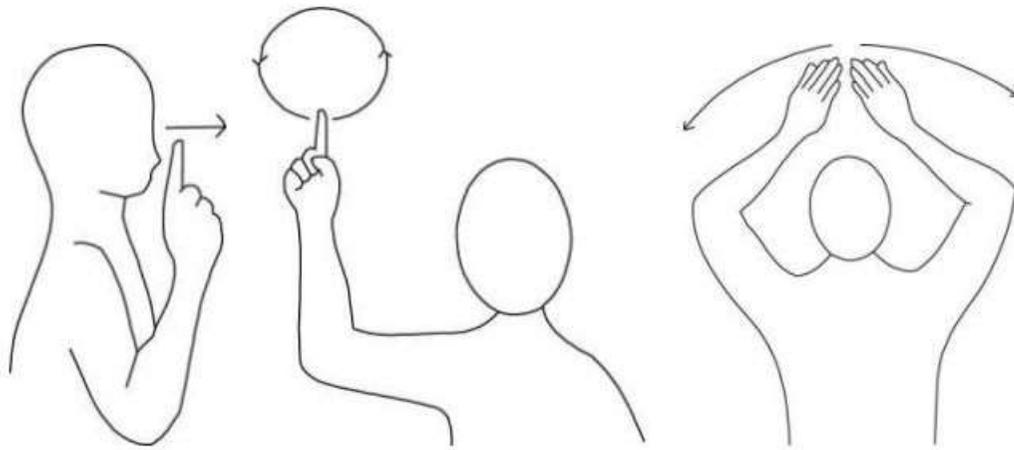

I see flowers in bloom,

Rainbows appearing through the gloom

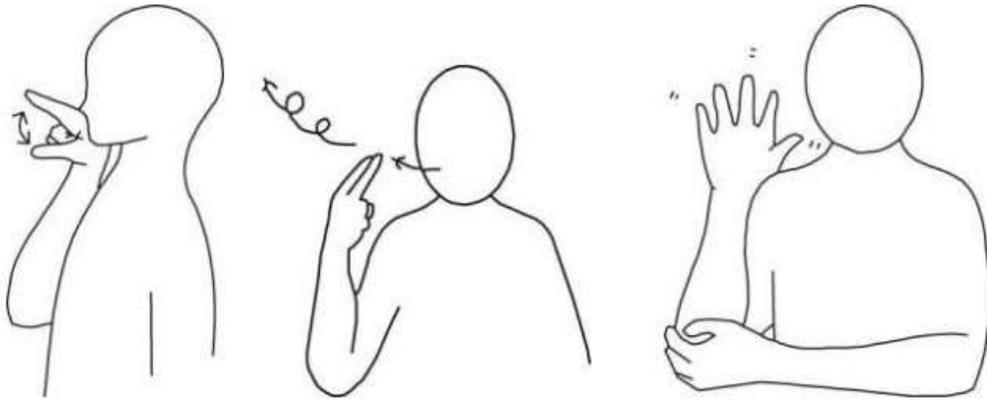

I see sunshine overhead

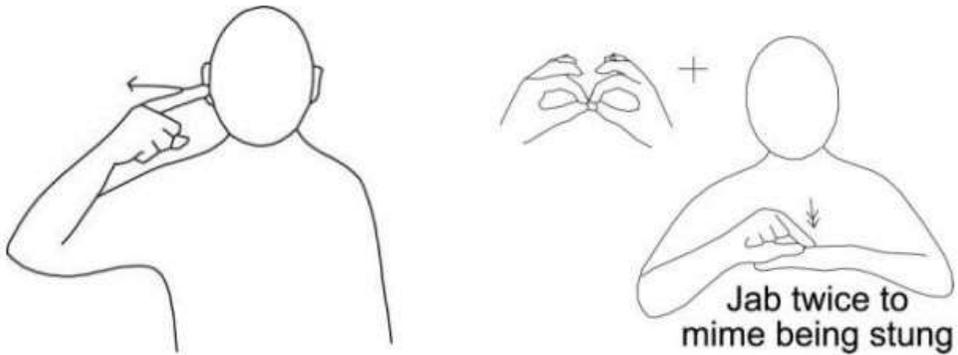

Spring is happening again.

Verse 2

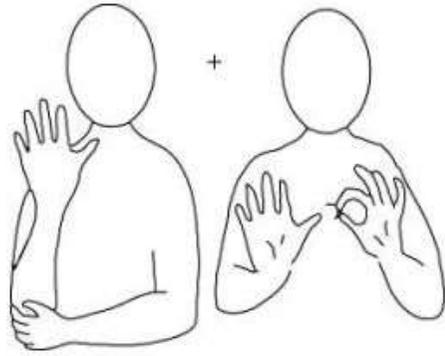

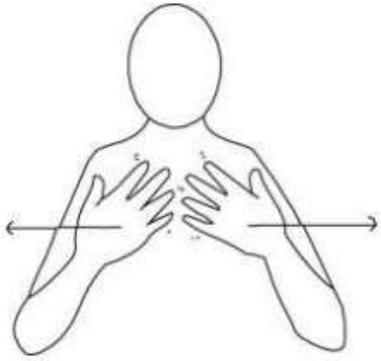

Birds sing in the trees

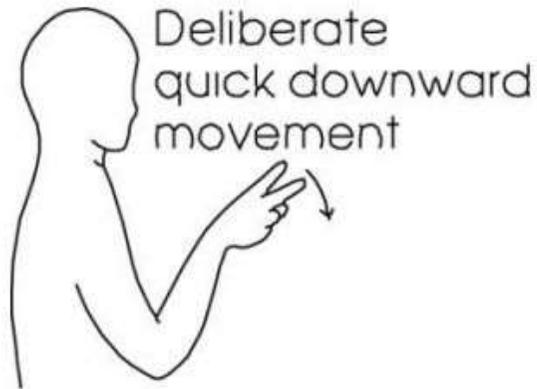

I can hear the buzzing of the bees

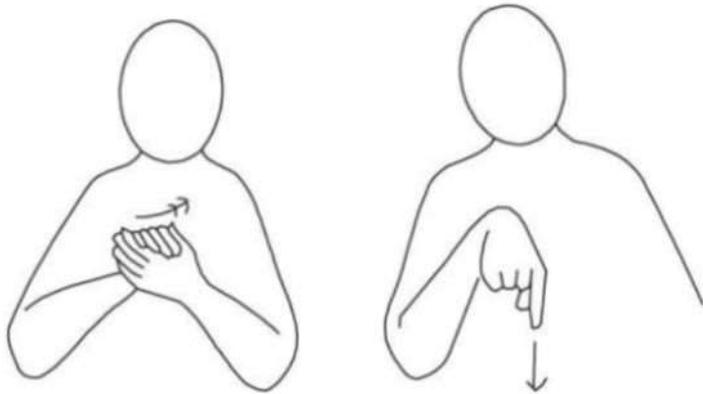

So many tiny leaves

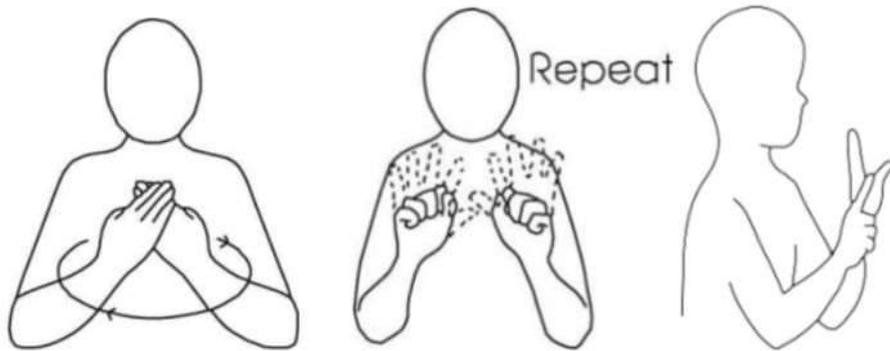

Spring is happening again.

chorus

And I'm happy to be here

Included in the magic of the year

Forget

pain and

Position hand
at appropriate
part of body
and shake
hand

forget

fear

Spring is here for us to share

Verse 3

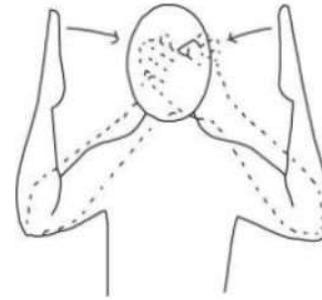

No

more

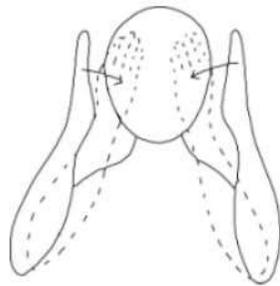

cold

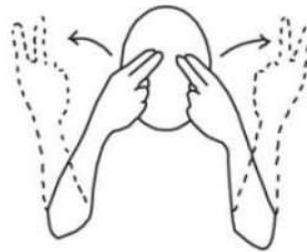

nights

I love the

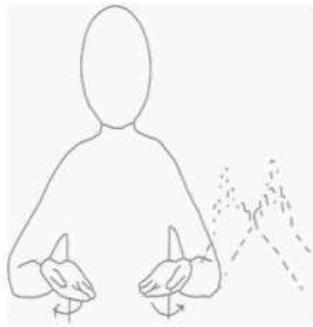

evenings

full of light

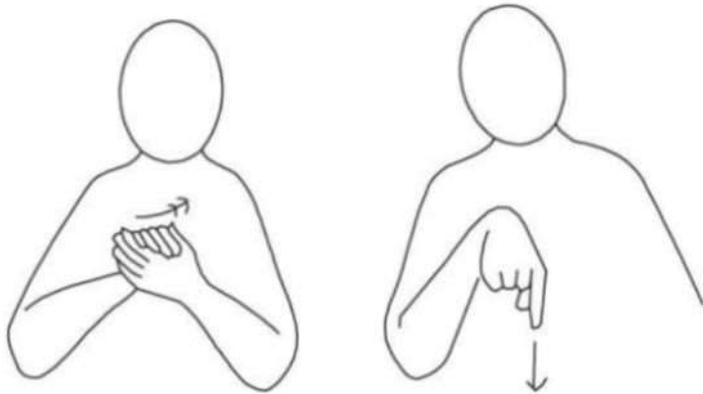

I can do anything I like

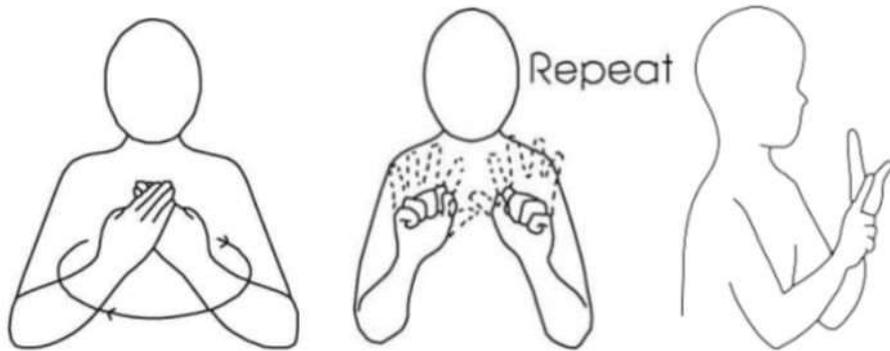

Now Spring is happening again

chorus

And I'm happy to be here

Included in the magic of the year

Forget

pain and

Position hand
at appropriate
part of body
and shake
hand

forget

fear

Spring is here for us to share

x 2
