

In My World
by Louise & Sue Cope

Verse 1

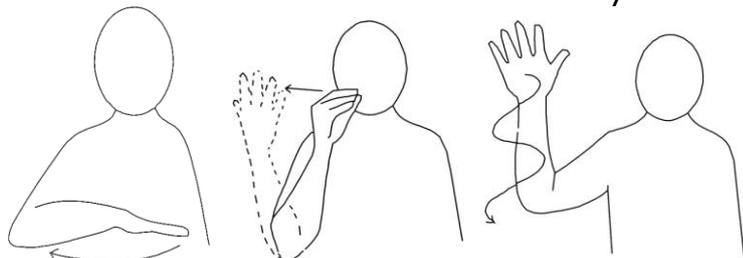

I see colours in the rainbows

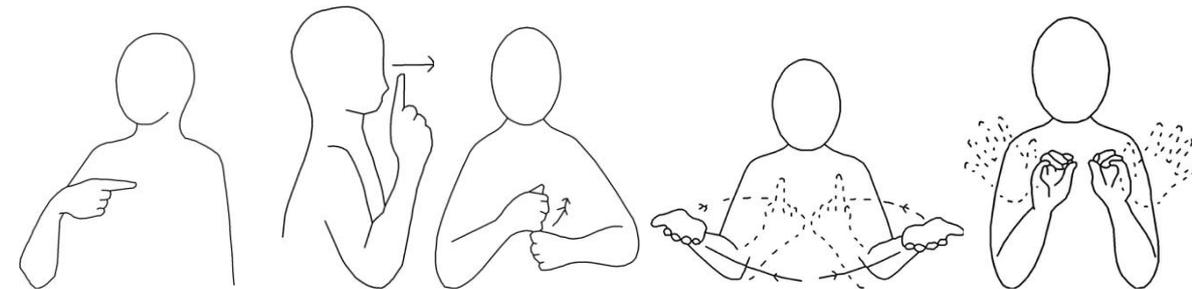

Show several stars

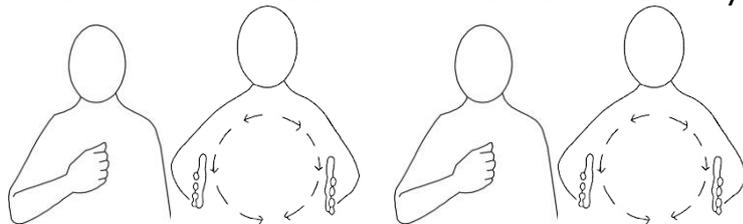

I see stars in the sky at night

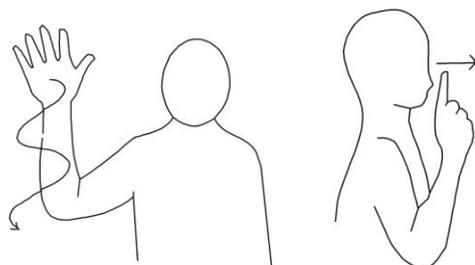

All the beautiful colours

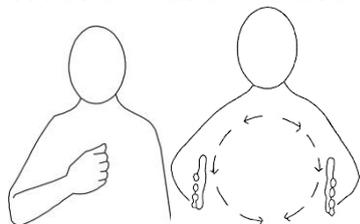

That I see make everything bright

In my world, in my world

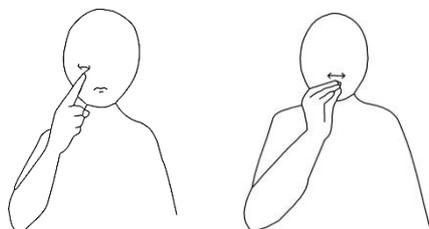

There are colours that I see

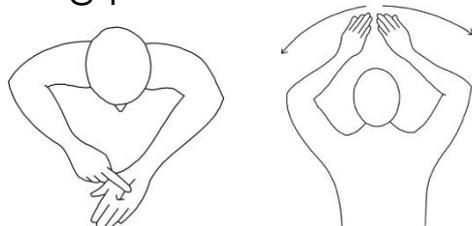

In my world

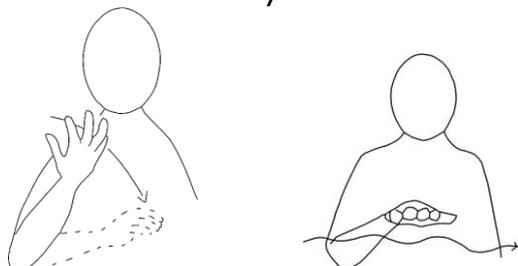

Verse 2

The blushing pink of the roses

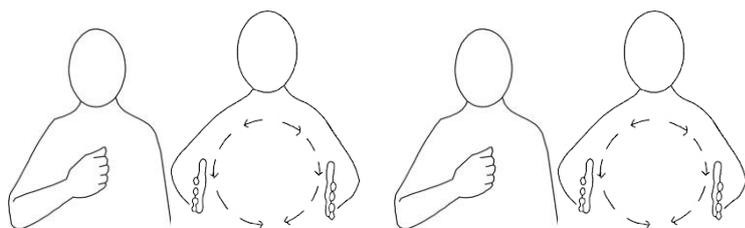

And the hazy blue of the sky

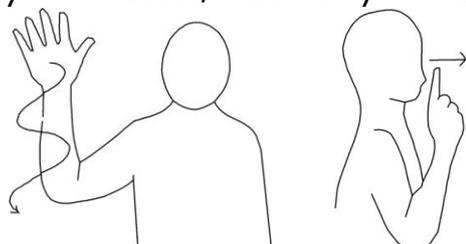

Sunsets over the calming sea

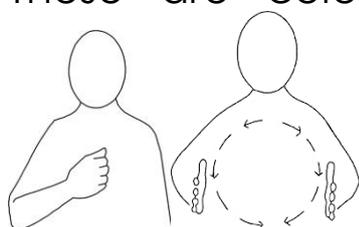

The green of the grass we're passing by

In my world, in my world

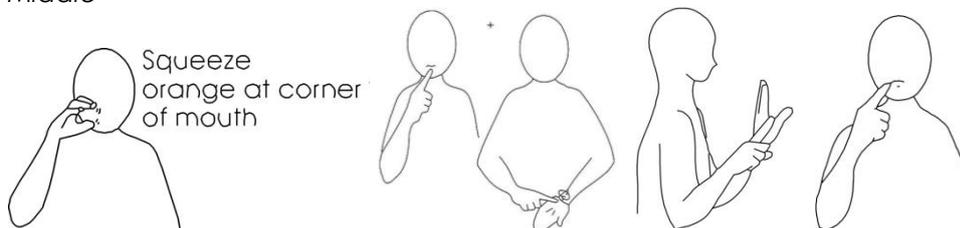

These are colours that I see

In my world

Middle

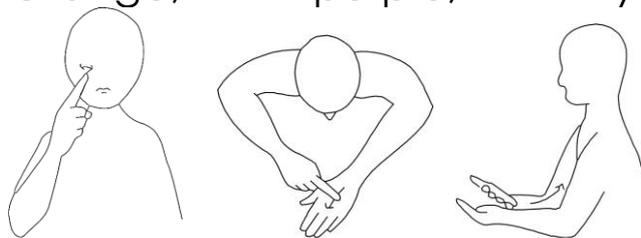

Squeeze orange at corner of mouth

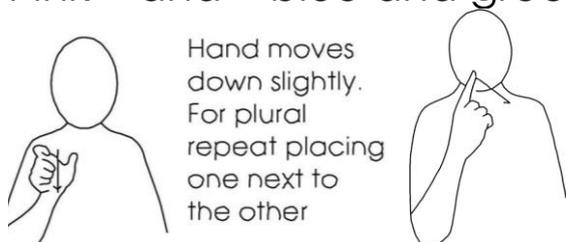

Orange,

purple,

yellow and red

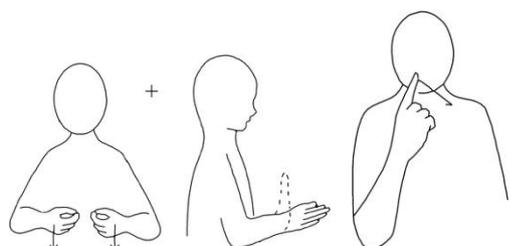

Pink and blue and green.

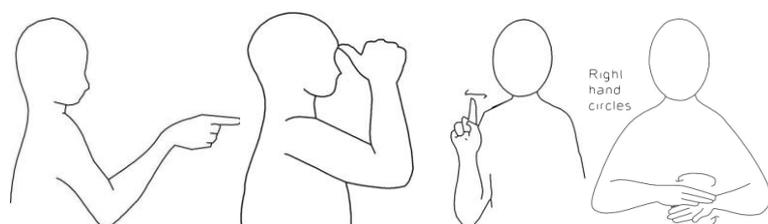

Hand moves down slightly. For plural repeat placing one next to the other

Some might

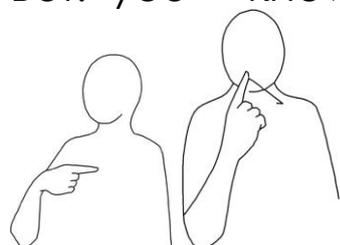

say

it's already been said

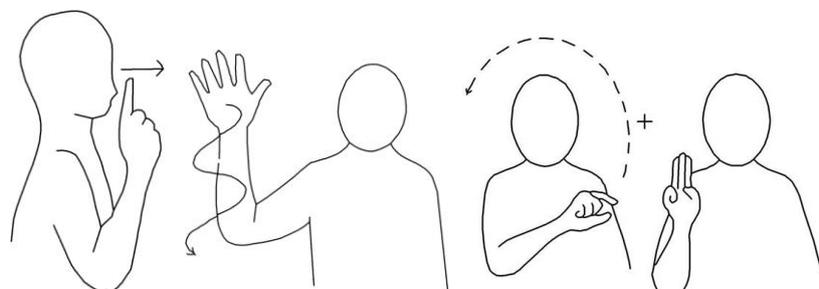

But, you know what I mean

When I say...

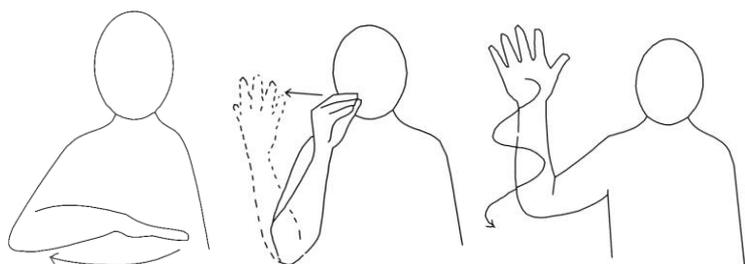

Verse 3

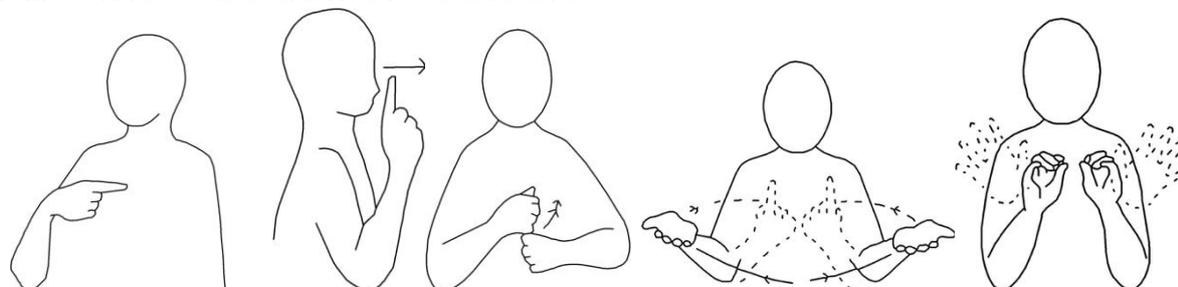

I see colours in the rainbows

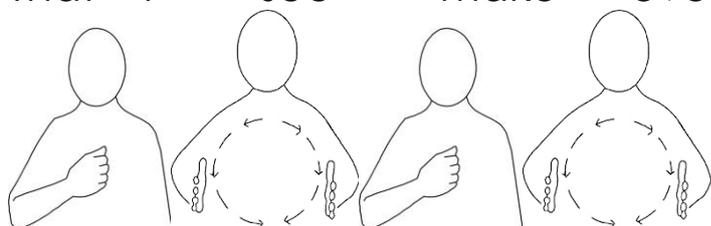

I see stars in the sky at night

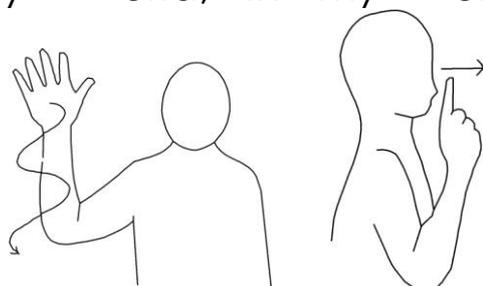

All the beautiful colours

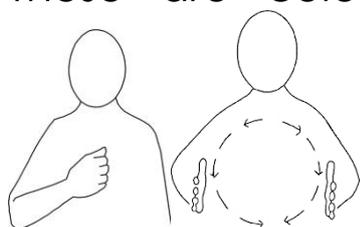

That I see make everything bright

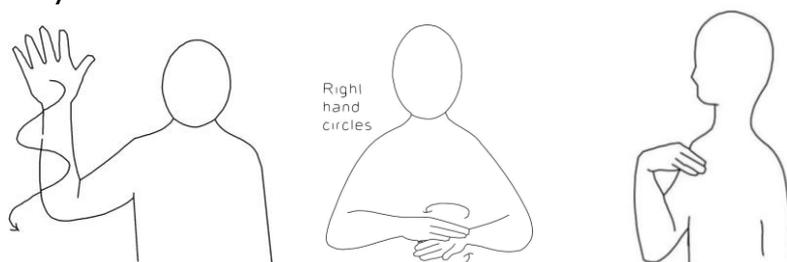

In my world, in my world

These are colours that I see

In my world

That's what colours mean to me
