

Include Choir Spring Song

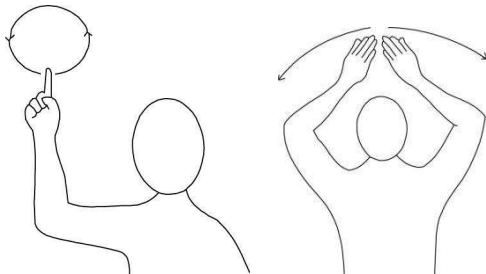

Verse 1

I see flowers in bloom,

Rainbows appearing through the gloom

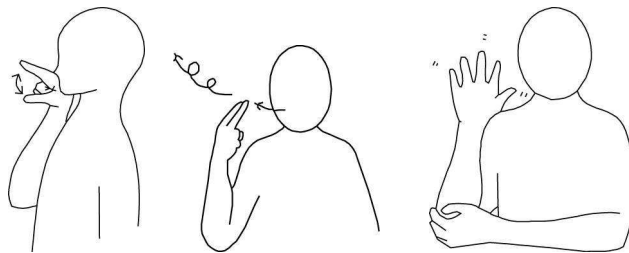

I see sunshine overhead

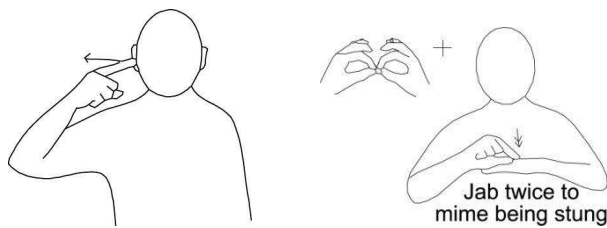

Spring is happening again.

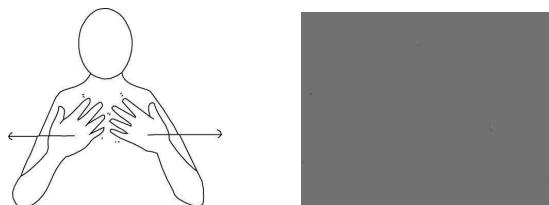

Verse 2

Birds sing in the trees

I can hear the buzzing of the bees

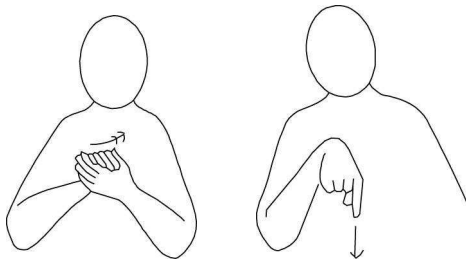

So many tiny leaves

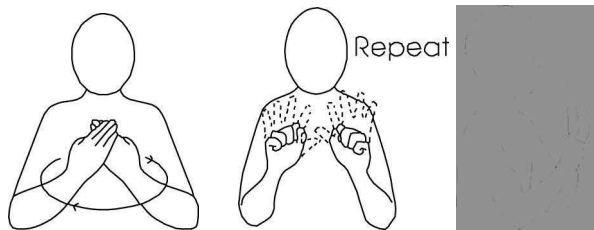

Spring is happening again.

Chorus.

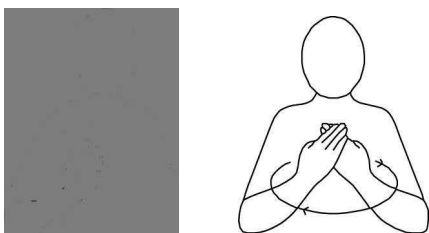

And I'm happy to be here

Included in the magic of the year

Forget pain and forget fear

Spring is here for us to share

Verse 3

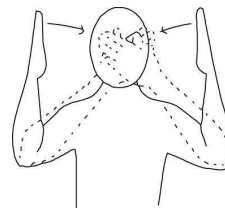

No

more

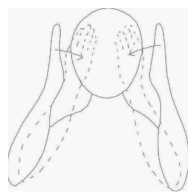

cold

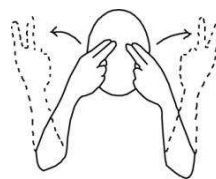

nights

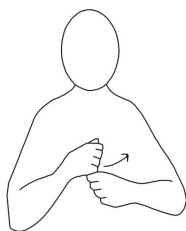

I love the

evenings

full of light

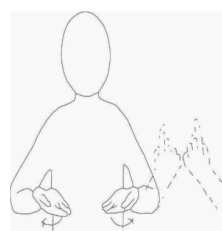

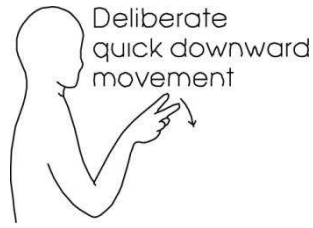

I can do

anything

I

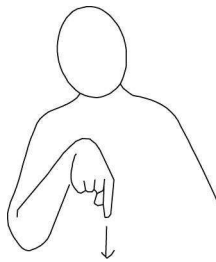

like

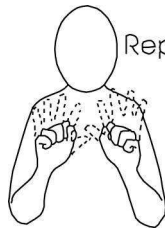

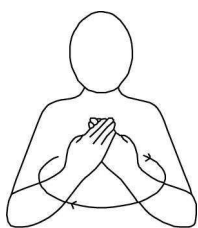

Now Spring is happening again

Chorus

And I'm happy to be here

Repeat

Included in the magic of the year

Position hand at appropriate part of body and shake hand

Forget pain and forget fear

Spring is here for us to share

Spring is here for us to share
