

Let's Go Fly A Kite

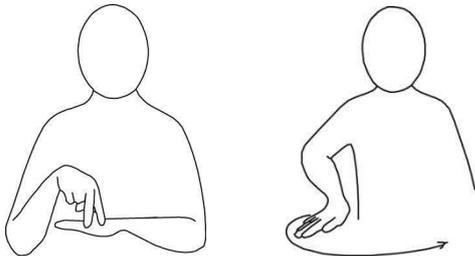

Rub fingertips and thumb together

1. With tuppence for paper and strings

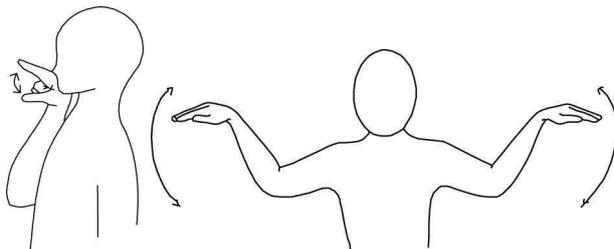

Relaxed open-arms and hands move gently

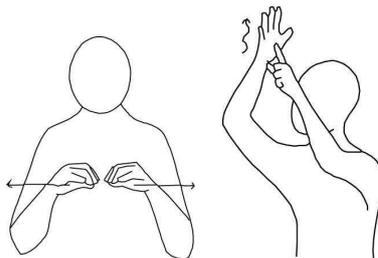

You can have your own set of wings

With your feet on the ground

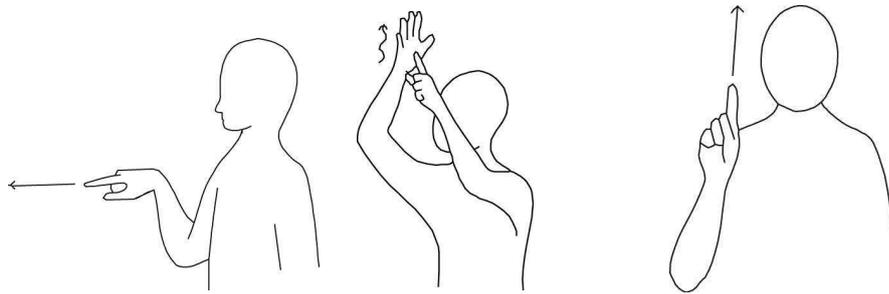

You're a bird in flight

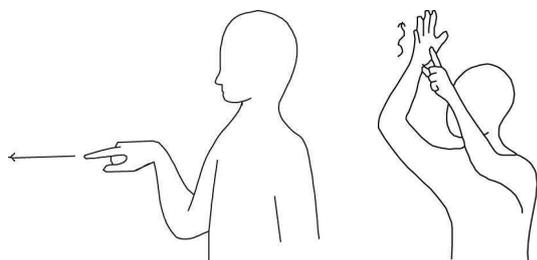

With your fist holding tight ... To the string of your kite

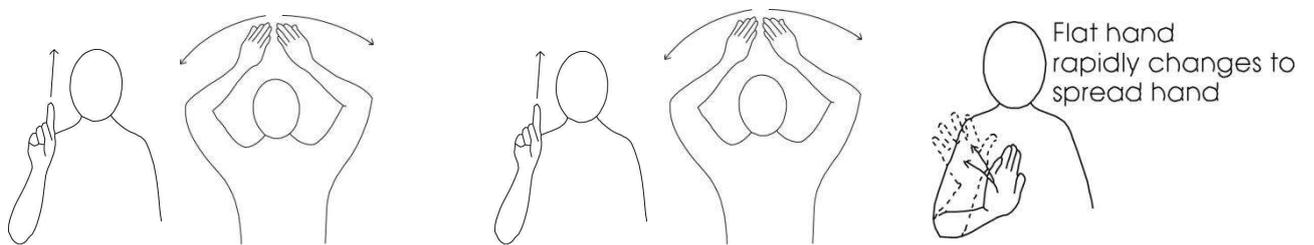

Chorus: Oh, Oh, Oh!

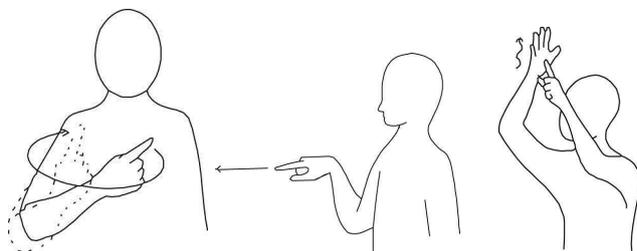

Let's go fly a kite Up to the highest height

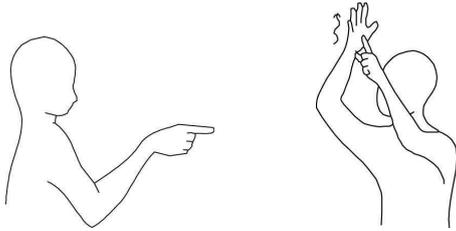

Let's go fly a kite and send it soaring

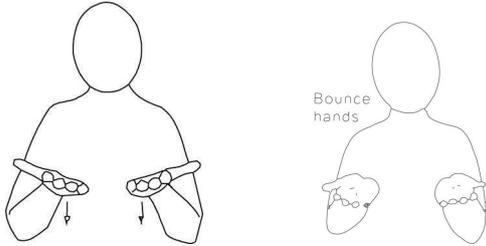

Up through the atmosphere, Up where the air is clear

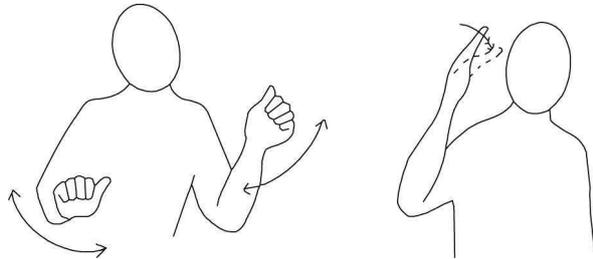

Let's all go fly a kite!

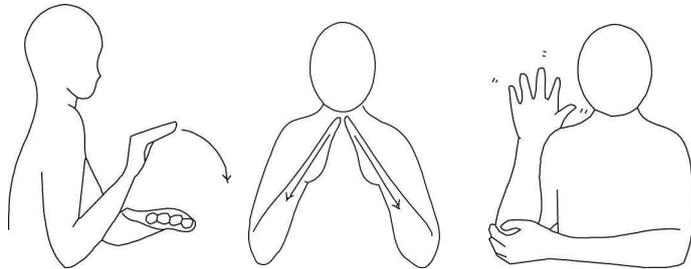

2. When you send it flyin' up there

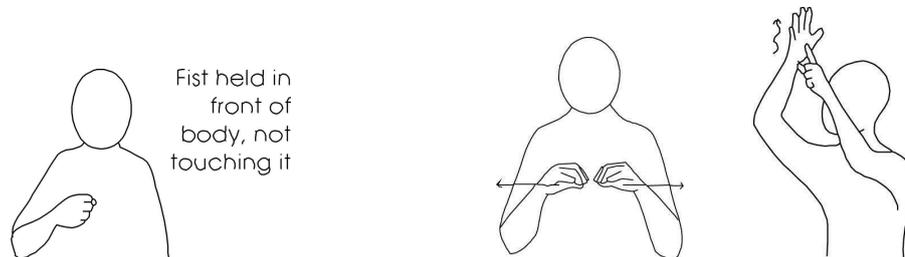

All at once you're lighter than air

You can dance on the breeze

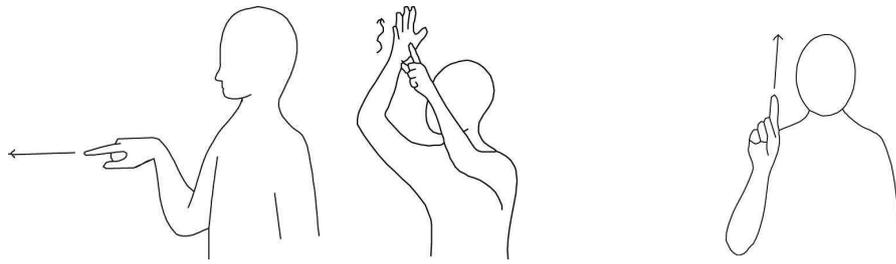

Over 'ouses and trees

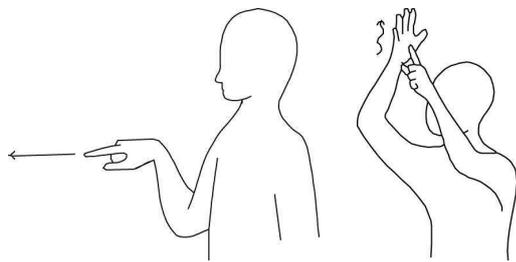

Fist held in front of body, not touching it

With your fist holding tight ... To the string of your kite

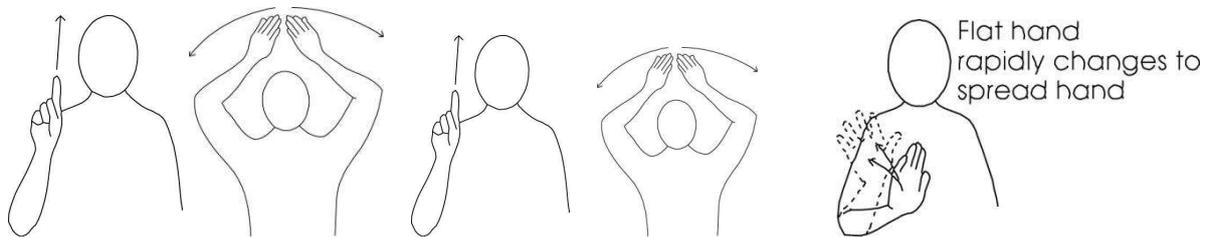

Chorus: Oh, Oh, Oh!

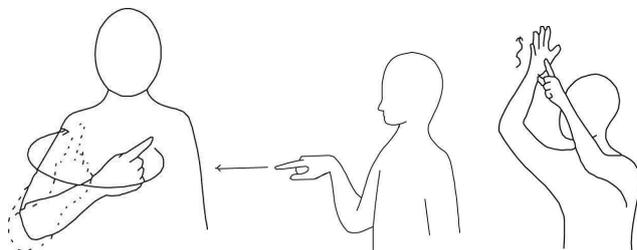

Let's go fly a kite Up to the highest height

Let's go fly a kite and send it soaring

Up through the atmosphere, Up where the air is clear

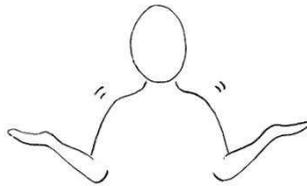

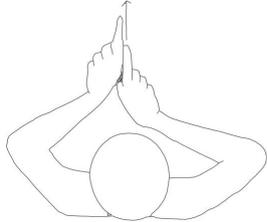

Oh let's go fly a kite!

Hand bends sharply from wrist

3. If people are rude or unkind,

I try very hard not to mind

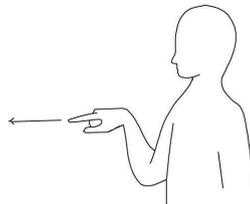

If they call me some names

Flat hand quickly moves towards and covers face

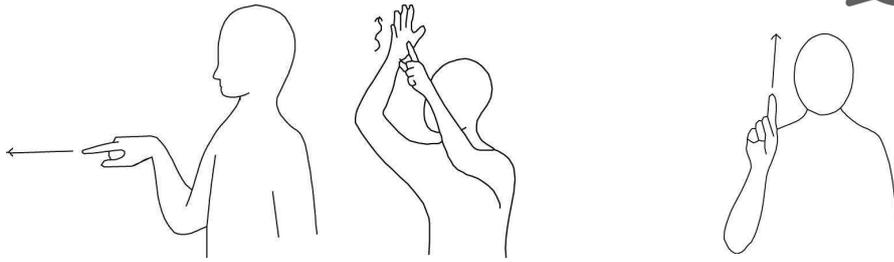

That should make them ashamed

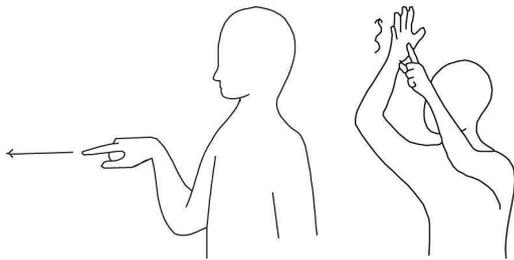

I just say why oh why

Don't you go fly a kite.

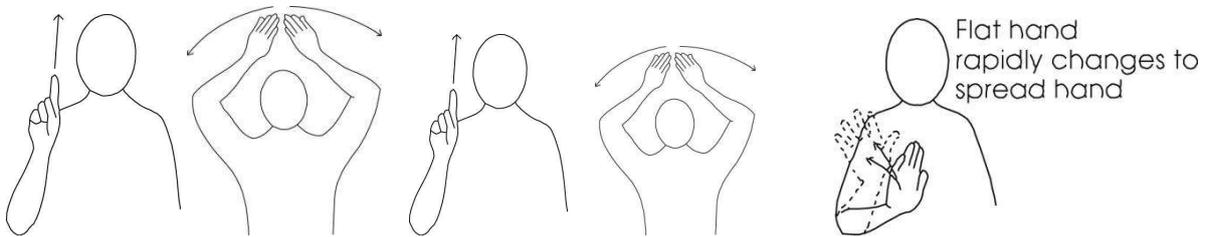

Oh, oh oh (Chorus)

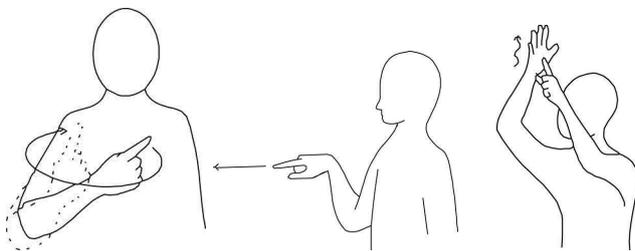

Let's go fly a kite Up to the highest height

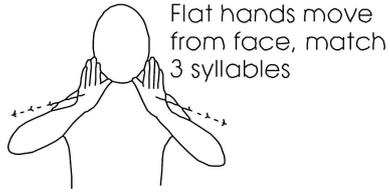

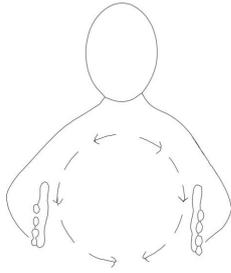

Let's go fly a kite and send it soaring

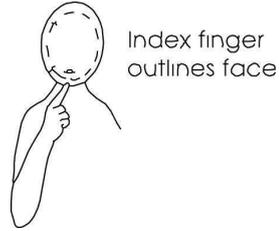

Up through the atmosphere, Up where the air is clear

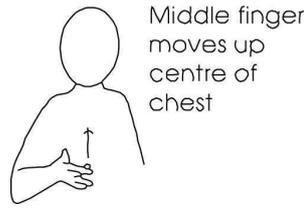

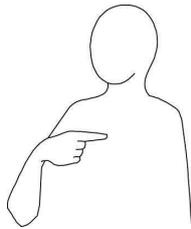

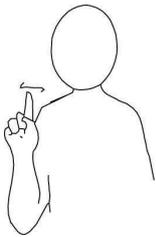

Oh let's go fly a kite!

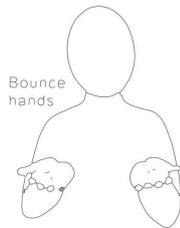

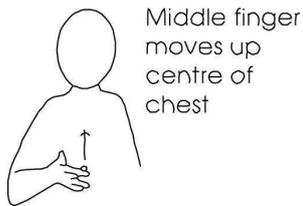

4. The world is a wonderful place

When you judge folk on more than their face

It is what is inside That should make you feel pride

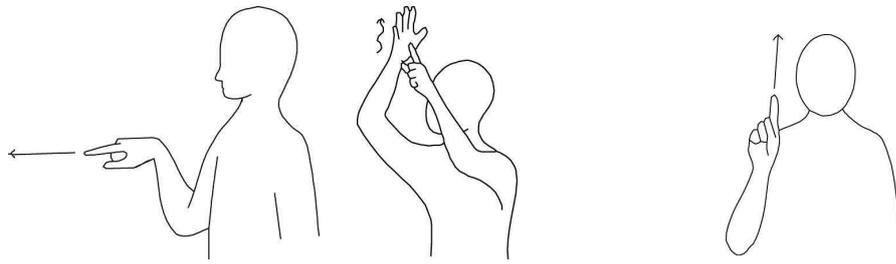

Make you feel as light

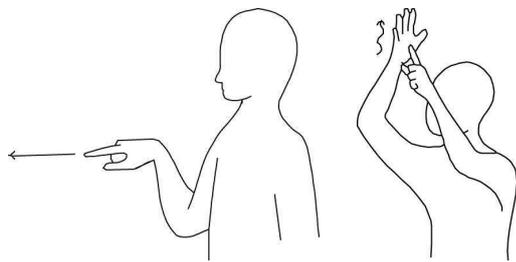

As your beautiful kite

Oh oh oh (Chorus)

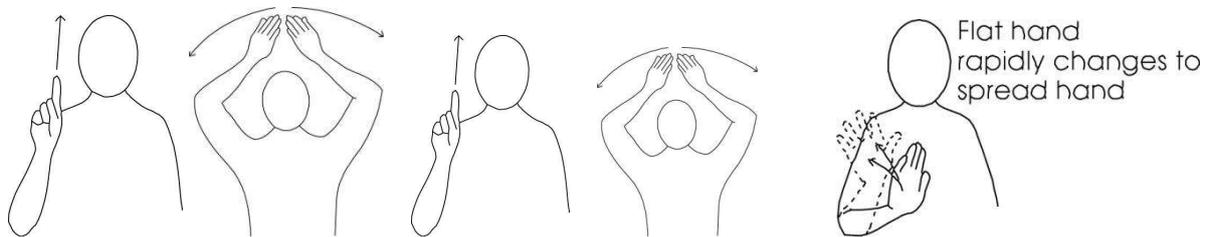

Chorus: Oh, Oh, Oh!

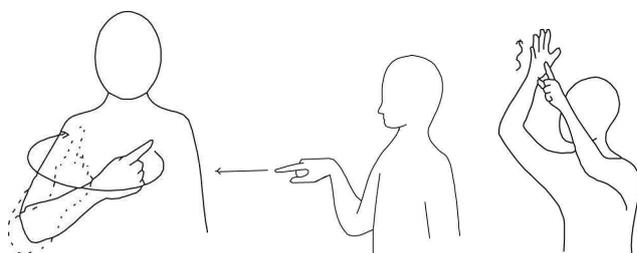

Let's go fly a kite Up to the highest height

Let's go fly a kite and send it soaring

Up through the atmosphere, Up where the air is clear

Oh let's go fly a kite!
