

# Somewhere over the rainbow

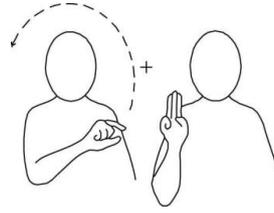

Thumbs rubs fingertips from small finger to index finger

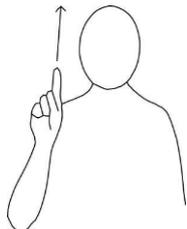

1. Somewhere

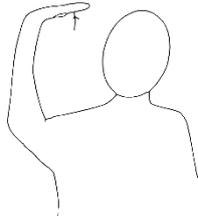

over

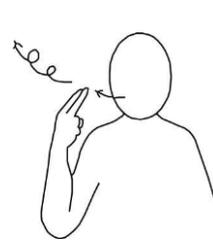

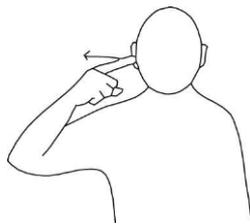

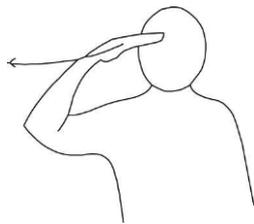

the rainbow

Way up

high

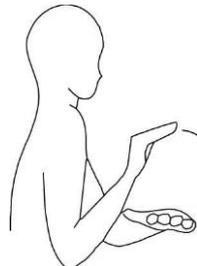

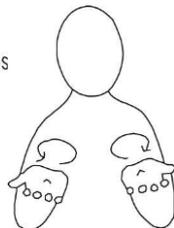

There's a land that I've heard of, once in a lullaby.

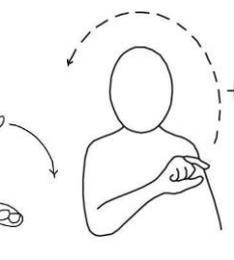

Thumbs rubs fingertips from small finger to index finger

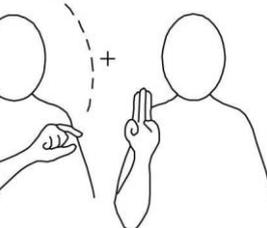

2. Somewhere

over

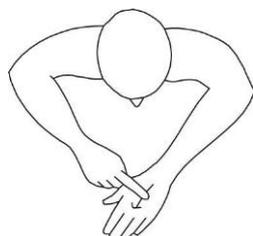

the

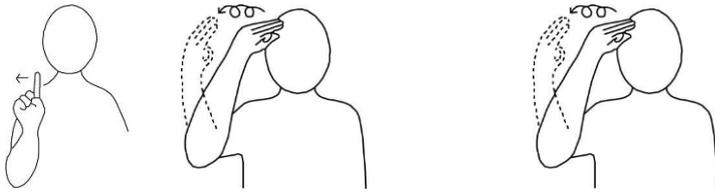

rainbow,

Skies are

blue

And the dreams that you dare to dream,

Hand strikes palm deliberately

Hand strikes palm deliberately

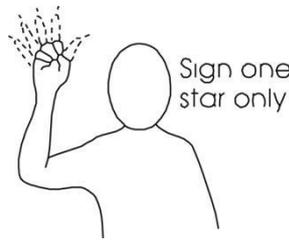

Really do come true.

ch. Somebody I'll

wish

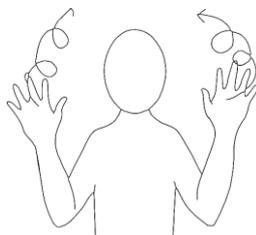

Sign one star only

upon a star

Index fingers and thumbs spring apart

And wake up where the clouds are far behind me.

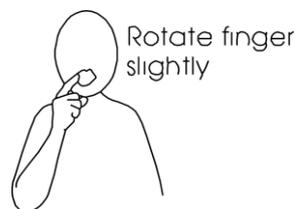

Small light slap on back of hand

Where troubles

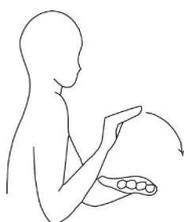

melt like

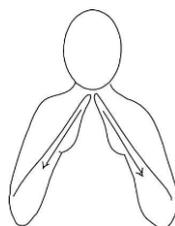

Rotate finger slightly

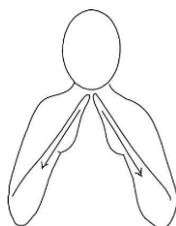

lemon drops,

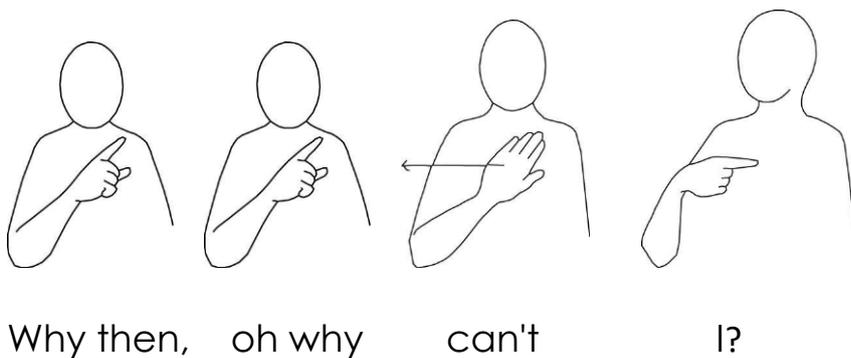

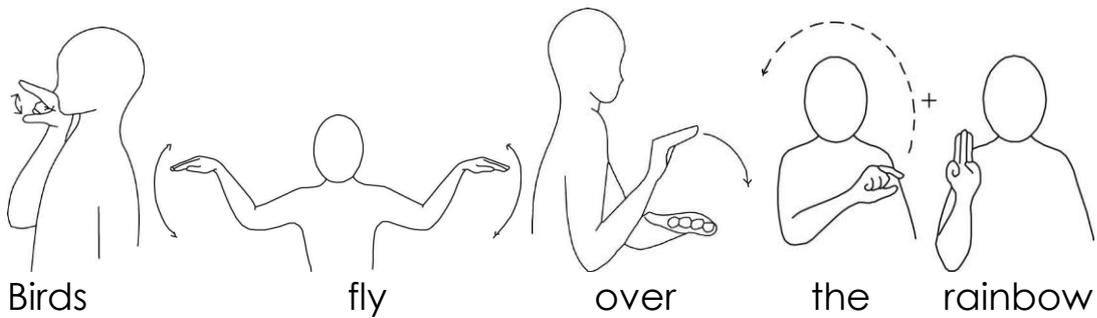

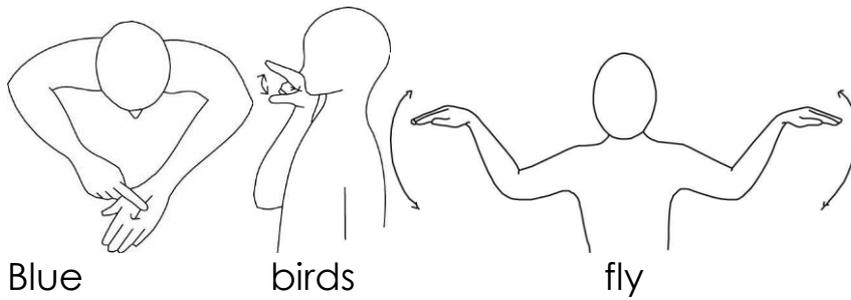

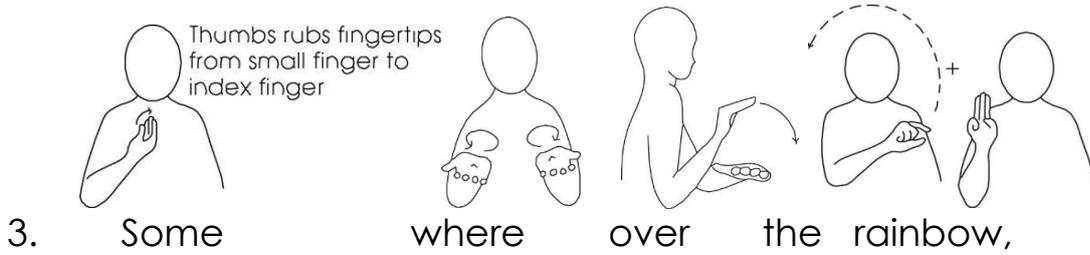

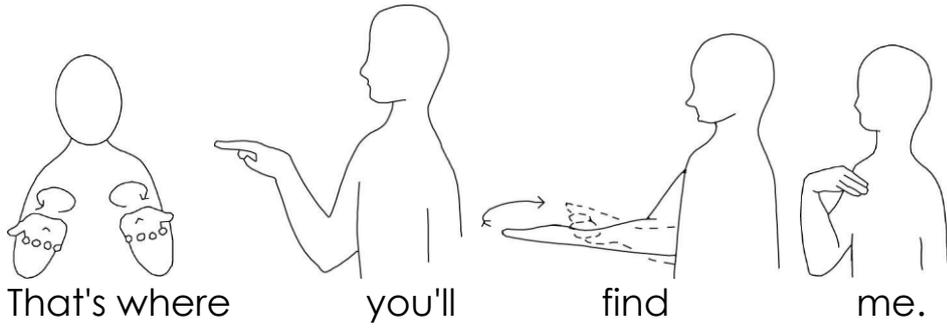

Way above the

chimney

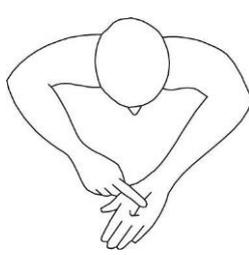

tops,

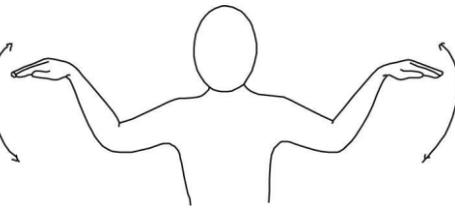

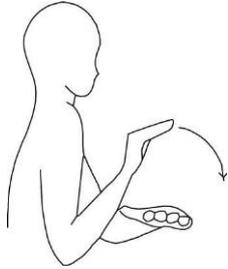

If happy little

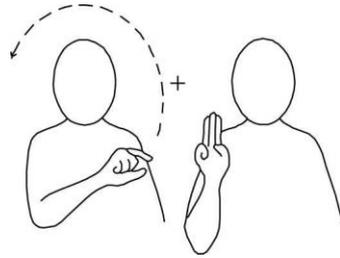

bluebirds

fly

Beyond the

rainbow

Why,

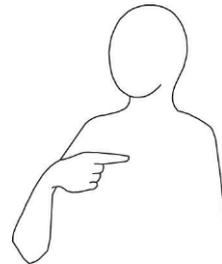

oh

why

can't

I?
