

A Million Dreams

1. I close my eyes and I can see

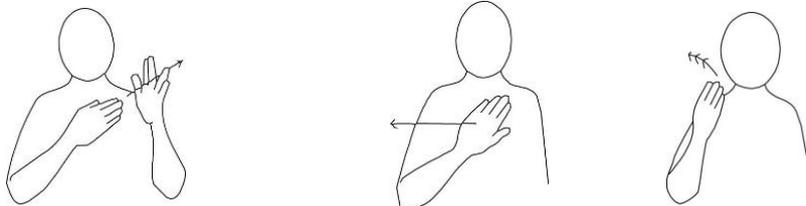

A world that's waiting up for me that I call my own

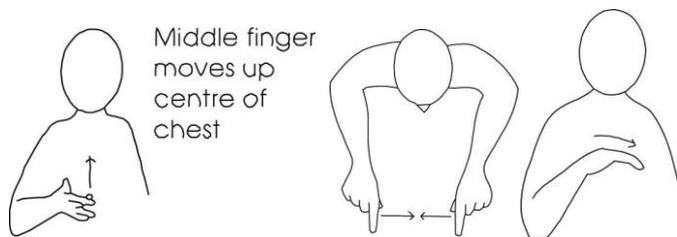

Make sharp movement to cover eyes

Through the dark,

through the door

Through where no one's been before

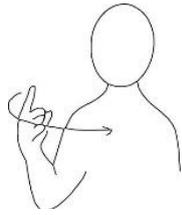

Middle finger moves up centre of chest

But it feels

like

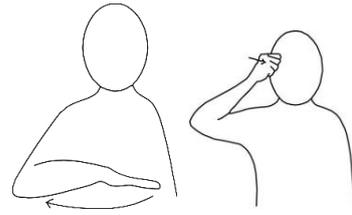

home

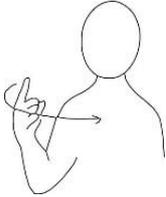

They can say,

they can say it all sounds crazy

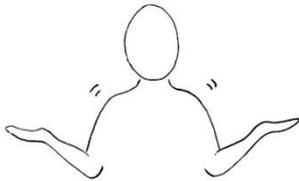

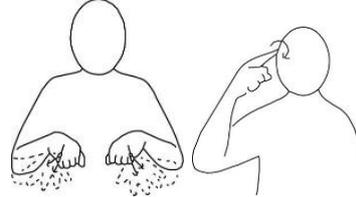

Tap twice

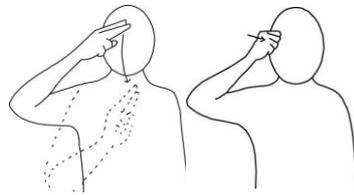

They can say,

they can say I've lost my mind

I don't care, I don't care, if they call me crazy

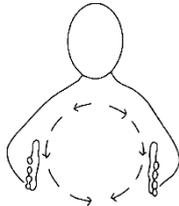

Tap twice

We can live in a world that

Middle finger rubs up and down for about 5cm

we

design

'Cause every night,

I lie

in

bed

The brightest colours

fill

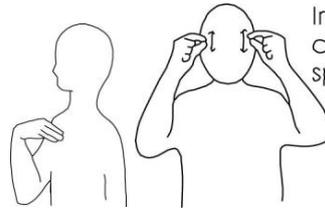

my head

Three fingers touch head centrally

A million dreams are keeping

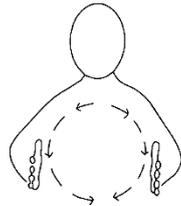

me awake

Index fingers and thumbs spring apart

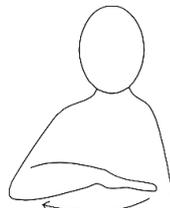

I think of what the world could be

A vision of the one I see

A million dreams is all

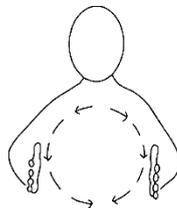

it's gonna

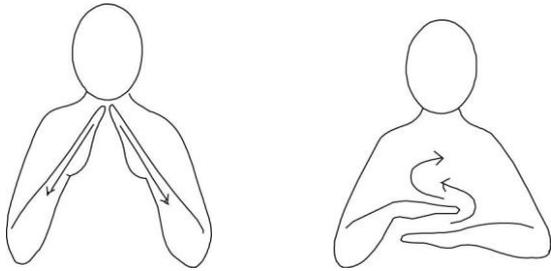

take

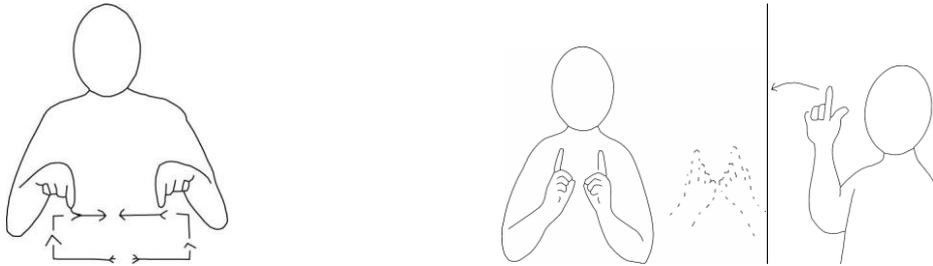

Oh, a million dreams for the world we're gonna make

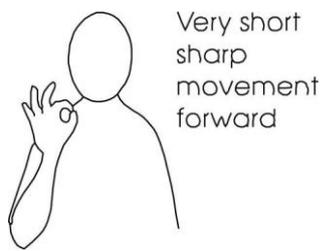

2. There's a house we can build

Every room inside is filled with things from far away

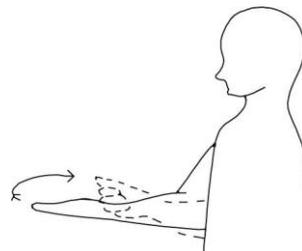

Very short sharp movement forward

The special things

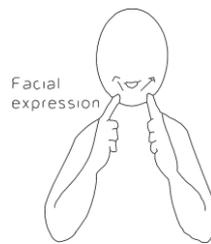

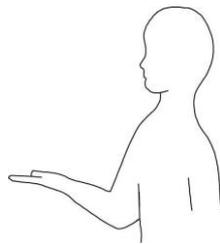

I

compile

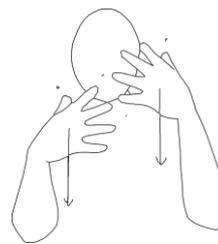

Each one there to make you smile

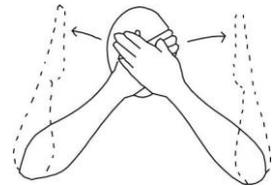

Facial expression

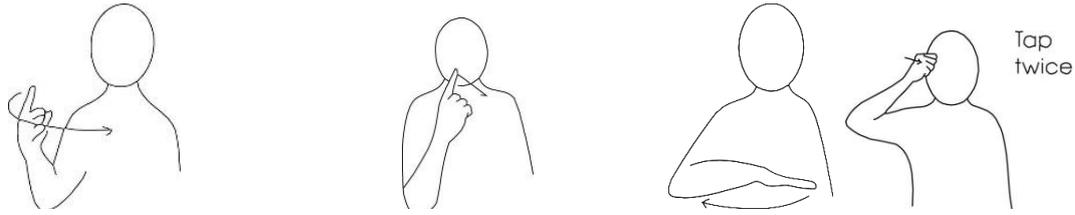

on a

rainy

day

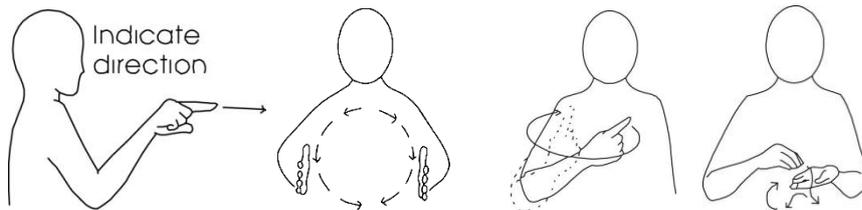

They can say, they can say it all sounds crazy

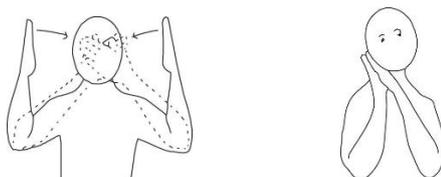

They can say, they can say we've lost our minds

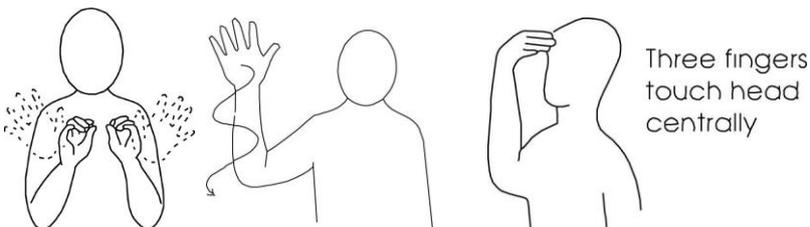

I don't care, I don't care, if they call us crazy

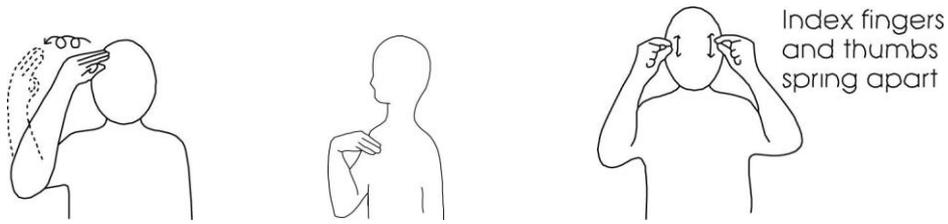

Run away to a world that we design

'Cause every night, I lie in bed

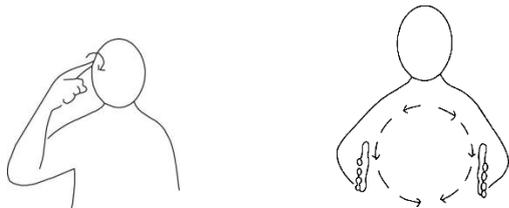

The brightest colours fill my head

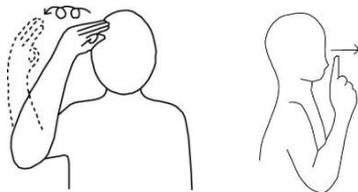

Index fingers
and thumbs
spring apart

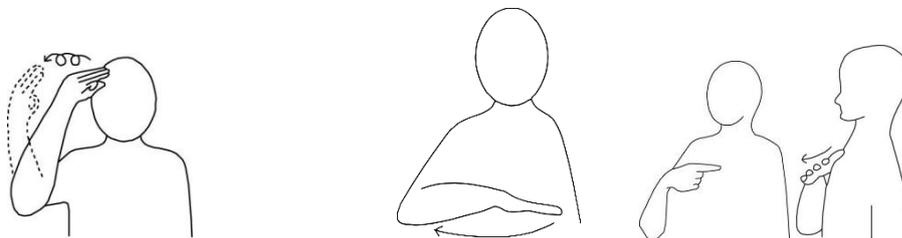

A million dreams are keeping me awake

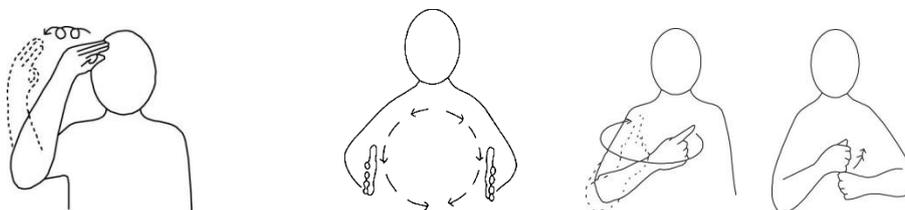

I think of what the world could be

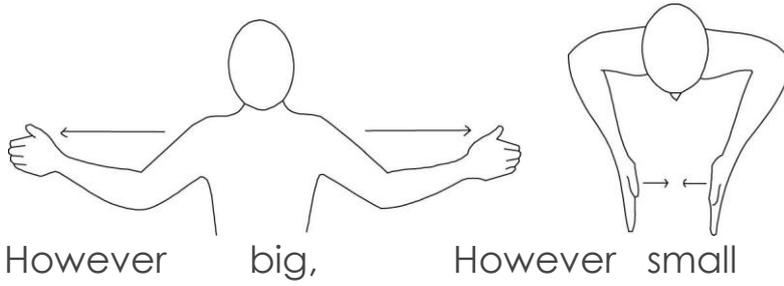

A vision of the one I see

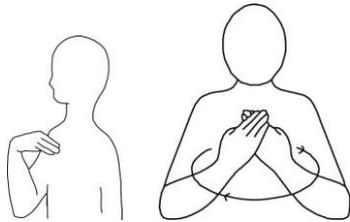

A million dreams is all it's gonna take

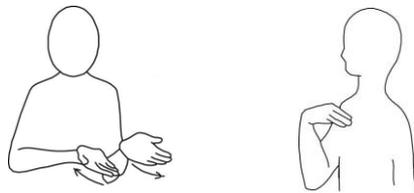

Oh, a million dreams for the world we're gonna make

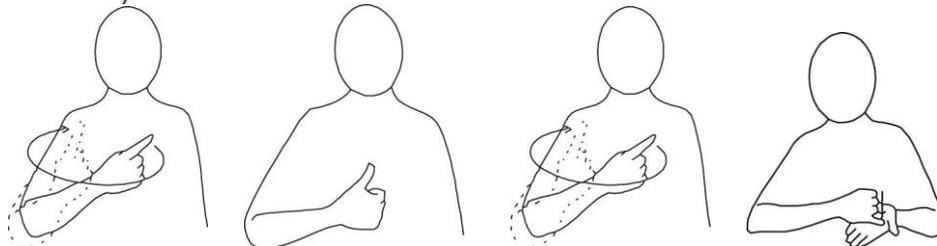

However big, However small

Let me be part of it all.

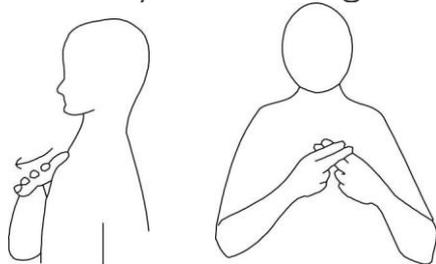

Share your dreams with me

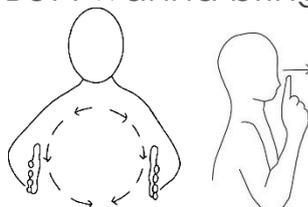

We may be right,

We may be wrong

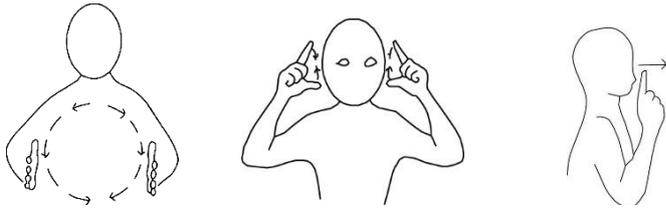

Extended little finger comes down firmly onto left palm

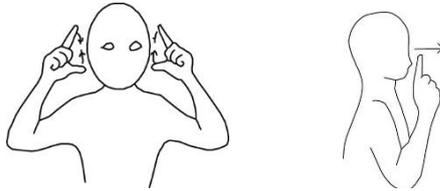

But I wanna bring you along

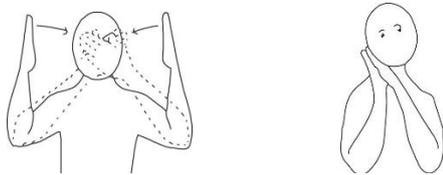

To the world I see

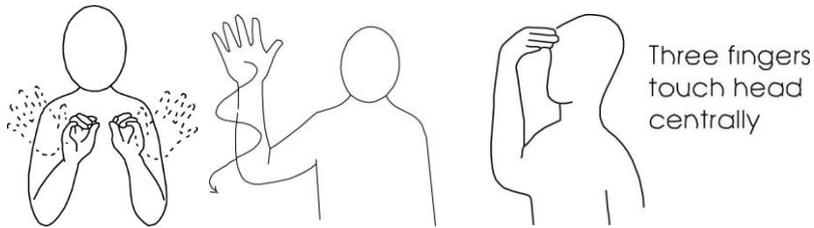

To the world we close our eyes to see

We close our eyes to see

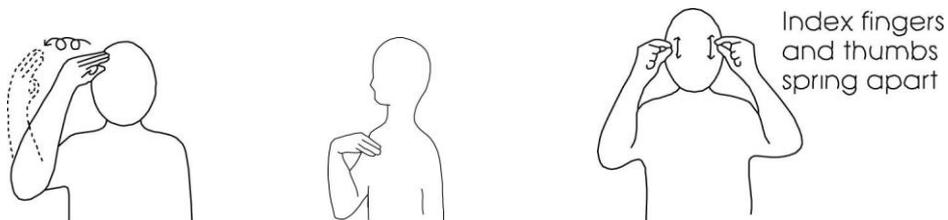

'Cause every night, I lie in bed

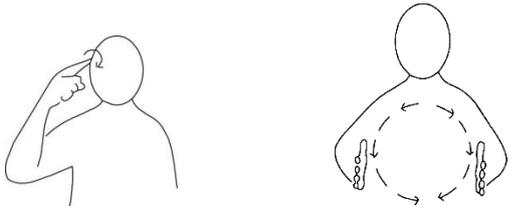

Three fingers
touch head
centrally

The brightest colours fill my head

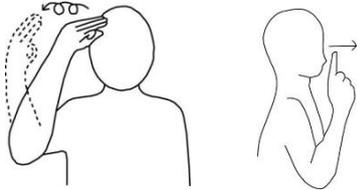

Index fingers
and thumbs
spring apart

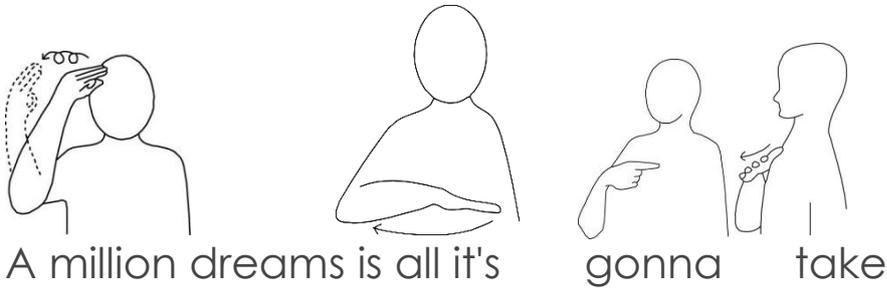

A million dreams are keeping me awake

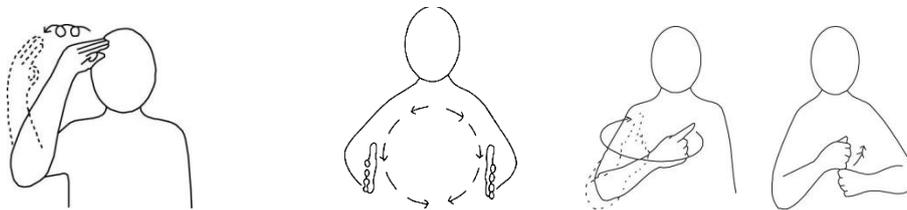

I think of what the world could be

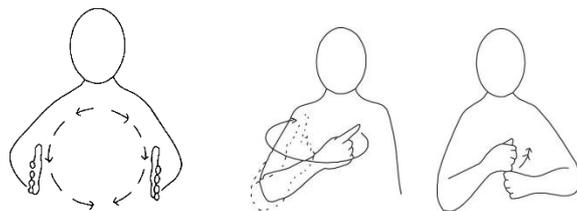

A vision of the one I see

A million dreams is all it's gonna take

Oh, a million dreams for the world we're gonna make

For the world we're gonna make
