

With a little help from my friends

1. What would you do if I sang out of tune

Would you stand up and walk out on me.

Lend me your ears and I'll sing you a song

And I'll try not to sing out of key.

Oh I get by with a little help from my friends

Mm I get high with a little help from my friends

Mm gonna try with a little help from my friends

2. What do I do when my love is away

Tense hand
Use both hands if very worried

Facial expression

Does it worry you to be alone?

Middle finger moves up centre of chest

How do I feel by the end of the day

Facial expression

Are you sad because you're on your own

Small downward movement twice

No I get by with a little help from my friends

Small downward movement twice

Mm I get high with a little help from my friends

Small downward movement twice

Mm gonna try with a little help from my friends

Do you need anybody?

Very small circular movement

+

Hand moves down slightly

I need somebody to love.

Could it be anybody?

Very small circular movement

+

Hand moves down slightly

I just need someone to love

Small circular movement on temple

+

Hand strikes palm deliberately

3. Would you believe in a love at first sight?

Knock sides of fists twice

Yes I'm certain that it happens all the time.

+

What do you see when you turn out the light?

I'm not certain but I know it's mine.

Small downward movement twice

Oh I get by with a little help from my friends
