

# Helping others understand Easy Read

Some **people** need **help** to **read** and **understand** **Easy Read** documents.

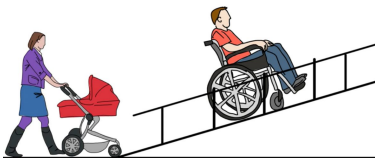

**Easy Read** documents **might** have **ideas** that are **hard** to **understand**. For **example**, the idea of **self-advocacy** can be **hard** to **understand**.

**Easy read** documents can also **have** **long** **words** that are **hard** to **read** and **understand**.

## REASONABLE ADJUSTMENTS

For **example**, the **words** “**Reasonable Adjustments**” may be **hard** to **read** and **understand**.

It is **important** for **people** to **understand** **everything** on the **easy read**. Especially, **when** the **Easy Read** has **important** **information**.

## How can others help me understand easy read?

**People** can **sit** and **read** the easy read **with you** to **make sure you understand** everything.

**People** can **explain slowly**, **after** you **read** each section.

**People** can **ask questions** to **make sure** you **understand difficult ideas** on the easy read.

People can **use real-life examples** to **explain difficult ideas**.

We **think** that it **is important** that **everyone knows** how to help someone understand their Easy Read documents.

**What do you think?** We'd love to hear your **ideas** about this **Easy Read** - or any **ideas** for **topics** we **should cover**.
