There's just one thing I need

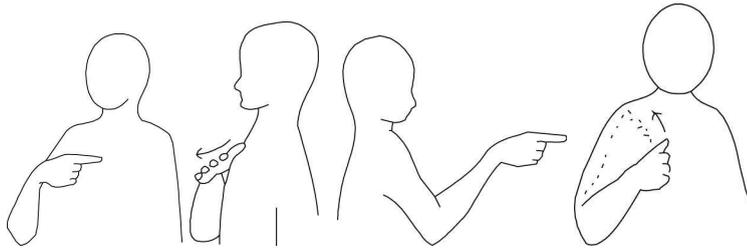

Mime wrapping parcel and tying string

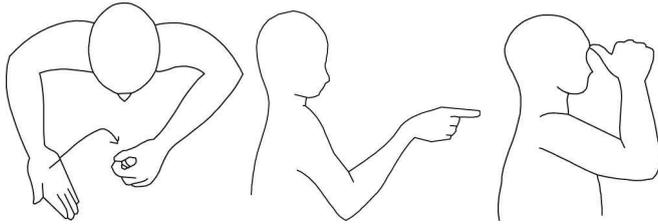

I don't care about the presents

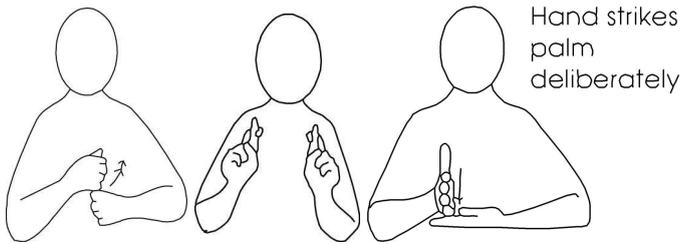

Underneath the Christmas tree

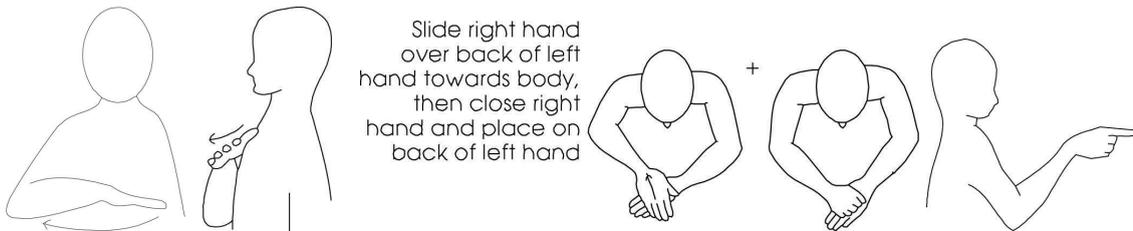

ch. I just want you for my own

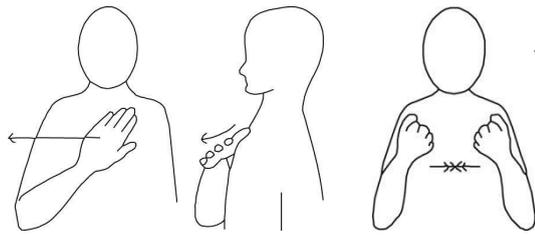

More than you could ever know

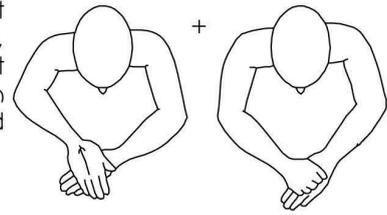

Make my wish come true

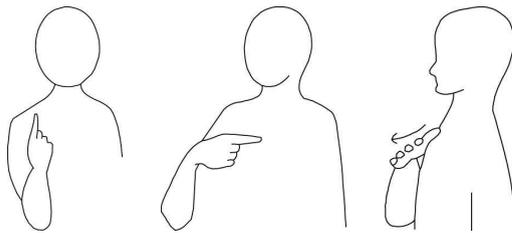

All I want for Christmas is you.

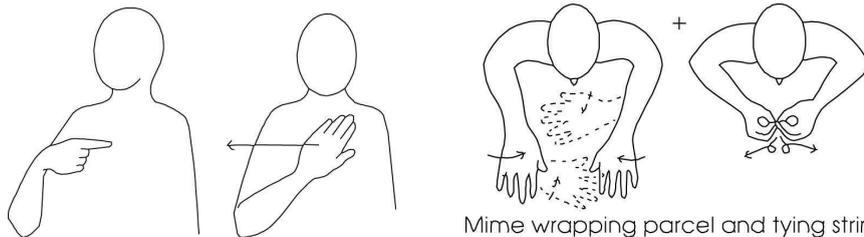

Slide right hand over back of left hand towards body, then close right hand and place on back of left hand

this Christmas

I won't even wish for snow,

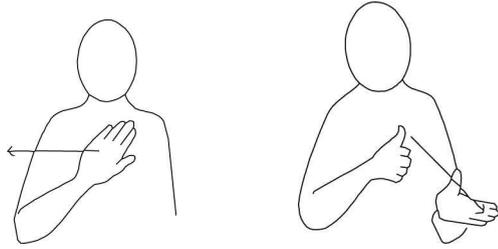

I'm just gonna keep on waiting

Bunched hand moves slightly from side to side, lips pursed

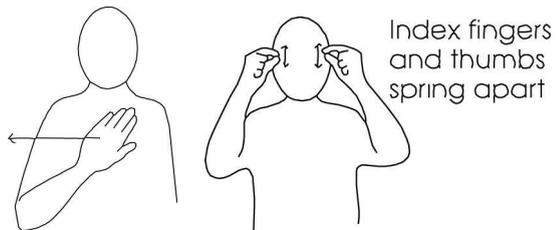

Underneath the mistletoe

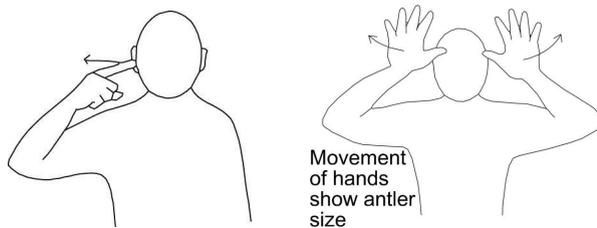

I won't make a list and send it

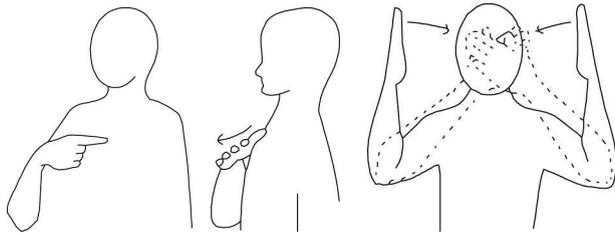

To the North Pole to Saint Nick

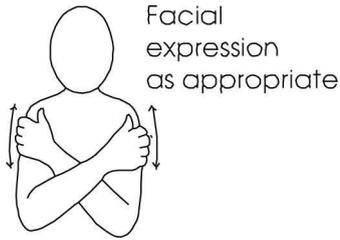

I won't even stay awake

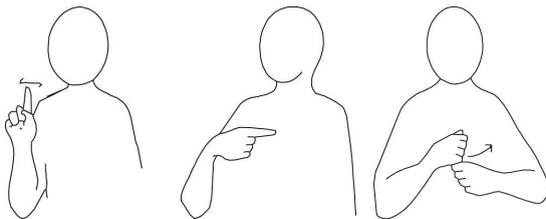

To hear those magic reindeers click

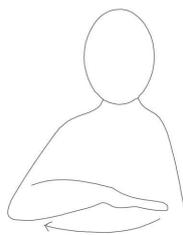

I just want you here tonight

Holding on to me so tight

What more can I do?

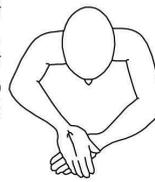

You know that all

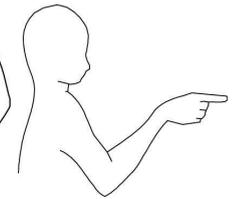

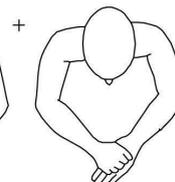

I want for

Slide right hand over back of left hand towards body, then close right hand and place on back of left hand

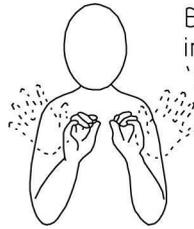

Christmas is you.

All the lights are shining

So brightly

everywhere

Show different heights to match number of children

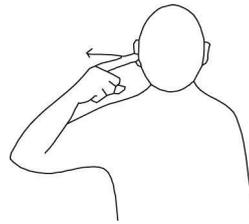

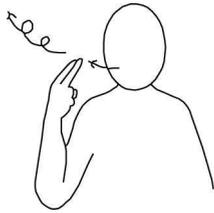

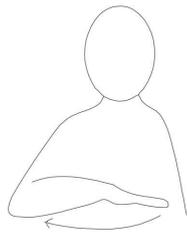

Hand making small shaking movements

And the sound

of

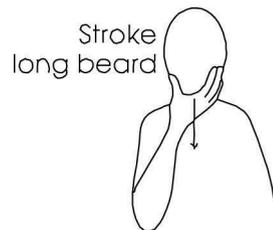

children's

laughter fills the air

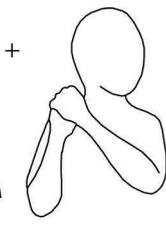

And everyone is singing

I hear those sleigh bells ringing

Stroke long beard
