

Away in a Manger

Lyrics from <http://www.mldb.org/>

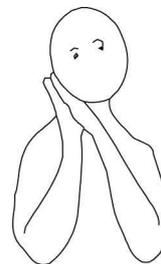

1. Away in a manger,

No

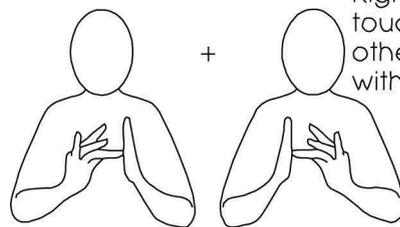

crib for a

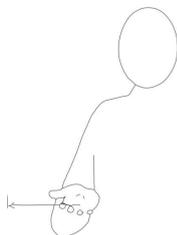

bed

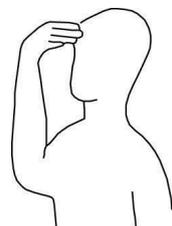

The little

Lord Jesus

Laid down

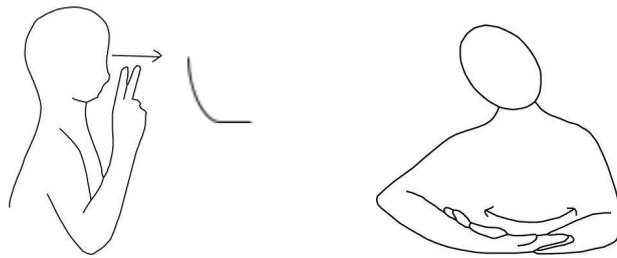

Three fingers touch head centrally

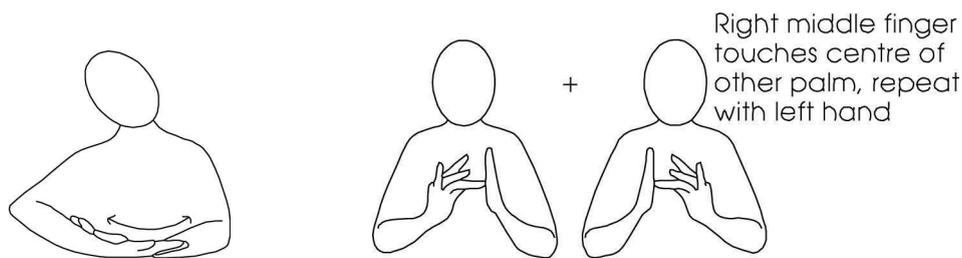

His sweet head

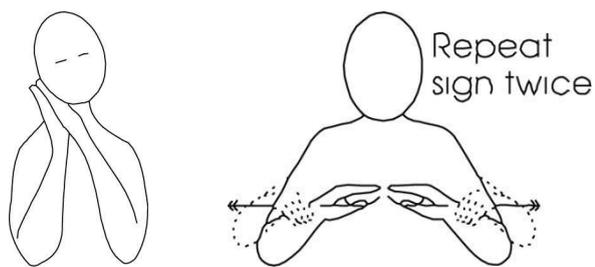

The stars in the bright sky

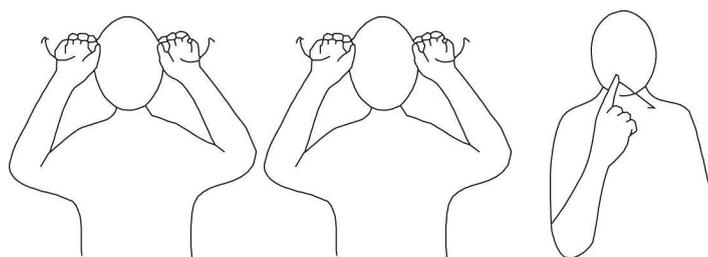

Looked down where He lay

The little Lord Jesus

Asleep on the hay

2 The cattle are lowing

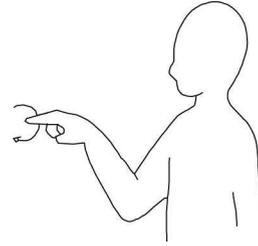

The baby

awakes

Index fingers and thumbs spring apart

but

Little

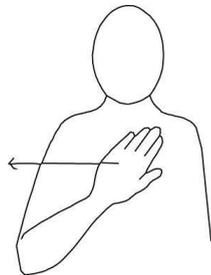

Lord

+

Jesus

Right middle finger touches centre of other palm, repeat with left hand

No

crying He makes

Index fingers shows tears trickling down cheeks

I love Thee,

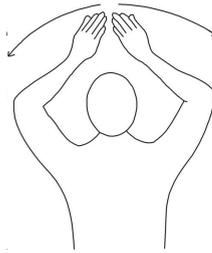

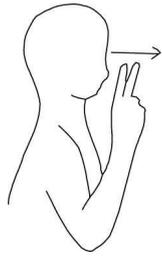

Lord Jesus

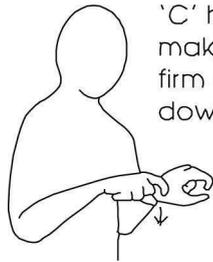

+

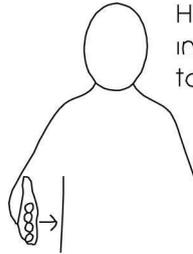

Right middle finger touches centre of other palm, repeat with left hand

Look down from the sky

'C' hands
make short
firm movement
down

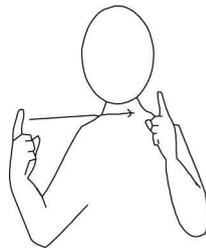

Hand draws
in closely
to body

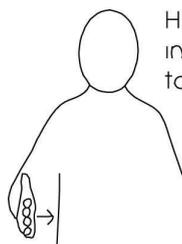

And stay by my side,

Touch chest
with fingertips

'Til morning is nigh.

Hand draws
in closely
to body

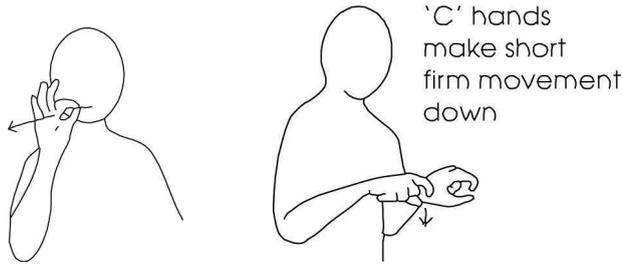

+

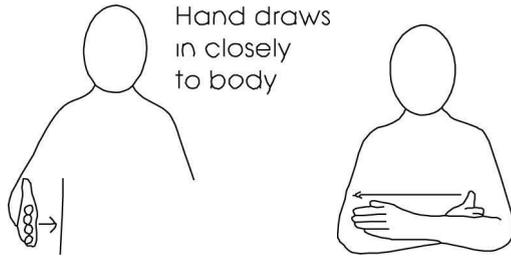

Right middle finger
touches centre of
other palm, repeat
with left hand

3. Be near me, Lord Jesus,

'C' hands
make short
firm movement
down

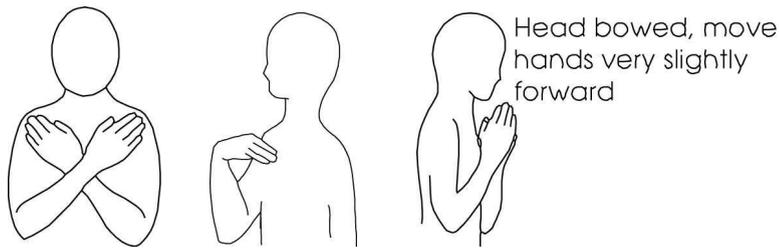

I ask Thee to stay

Hand draws
in closely
to body

Close by me

forever

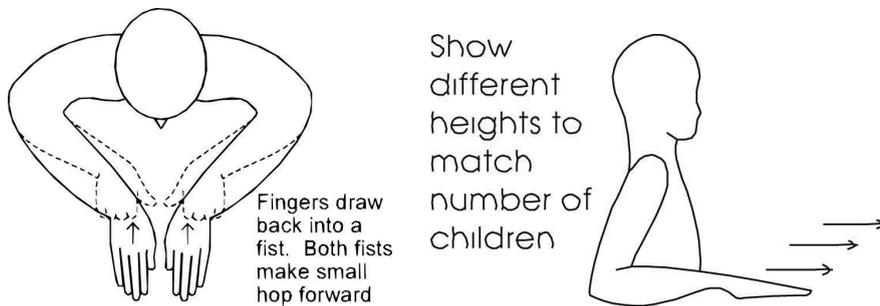

Head bowed, move
hands very slightly
forward

And love

me

I

pray

Fingers draw
back into a
fist. Both fists
make small
hop forward

Show
different
heights to
match
number of
children

Bless all the dear children
