

The Big Give Challenge

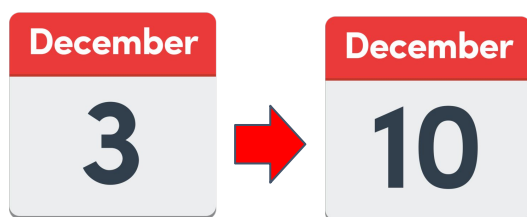

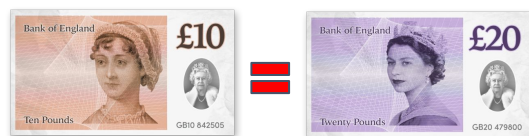

Every year, **Include** raises money to **keep helping** our members and to **grow** the charity. **Growing** the charity means that **Include** can help even more people.

The **best time** to donate to **Include** is during the **Big Give week**. During the **Big Give**, any money donated to **Include** is **doubled**.

For example, if **someone** gives include **10 pounds** during the Big Give week, the Big Give doubles the money and **Include** gets **20 pounds**.

Donations only get doubled during the **Big Give week**. This year, the **Big Give** happens from 12pm on the **3rd December** until 12pm on the **10th December**.

Donations are only doubled when people donate using the **Big Give link** between 3rd and 10th December:

How can people help Include raise donations?

There are **lots** of **different ways** that **people** can **help Include** to **get** the **donations** we **need this year**.

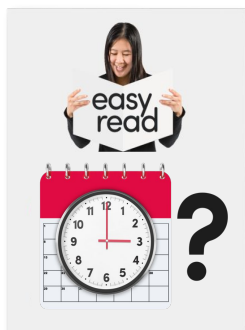

To help Include, it is **very important** for you to **tell** your **friends** and **family** about the **Big Give challenge!**

We have made a giant **paperchain** and it will be **displayed in The Belfry** in December. Take a photo and tag us on social media!

During the **Big Give**, **Include** will be **doing lots** of **performances (singing)**. **Tell** your **family** and **friends** to **come**.

Last year, we raised **£830** from **Big Give-related events**. These donations were only possible because **people came to our events**.

Other ways to help Include raise donations

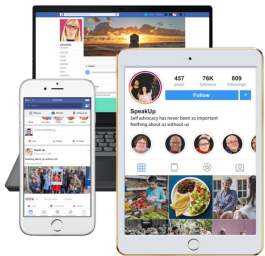

You can also **create** your **own fundraising ideas** to help Include. For example, last year, **Beth** sold **raffle tickets** to **win** a nice **Christmas cake**.

People can **also help** Include with **design work**. For example, designing **thank you cards** or **messages about inclusion**.
