

Friendship Song

chorus

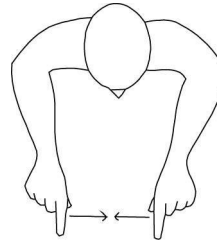

Small downward movement twice

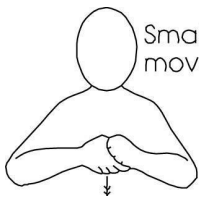

Friendship,

there is nothing

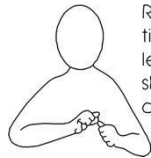

like it

Small downward movement twice

Friendship,

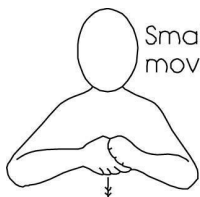

Right thumb tip brushes left thumb tip sharply forward and up

the best

you'll ever know

Small downward movement twice

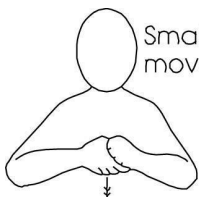

Friendship,

no need

to fight it

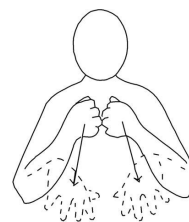

Small downward movement twice

Friendship,

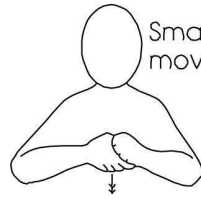

never

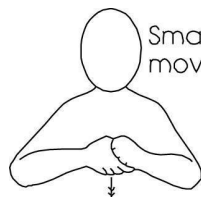

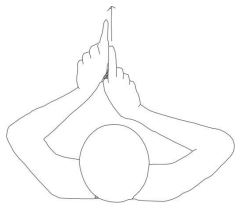

let it go

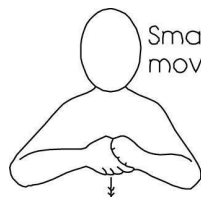

Verse 1

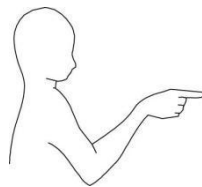

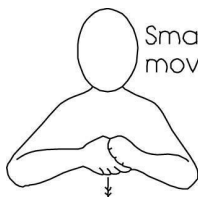

If you want a friend

Try and be a friend,

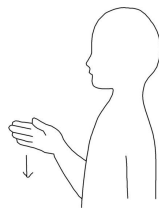

If you want a friend

A friend

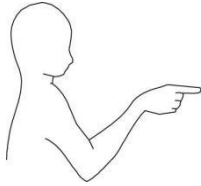

you

need to be

Repeat V1

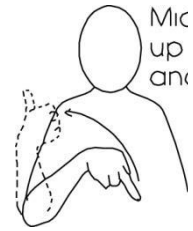

Bridge

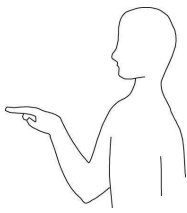

Are you

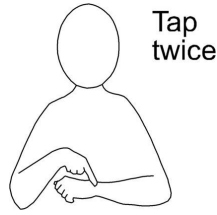

fun to be with?

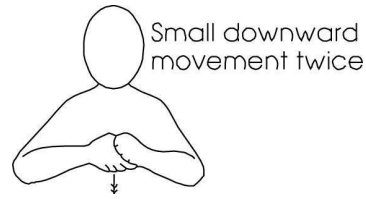

Kind and honest?

Do you

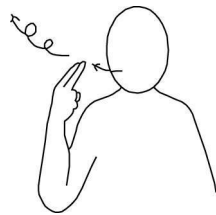

spend time

with friends?

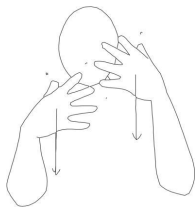

All the years

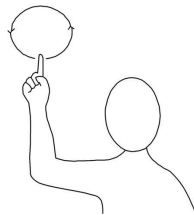

we've

sung together

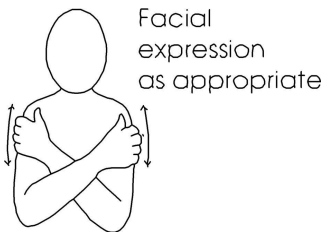

In rain and

sun and

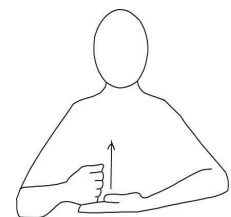

freezing weather!

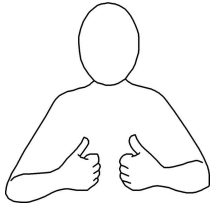

With hugs and

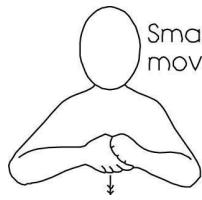

tears,

we help each other

Very good

Small downward movement twice

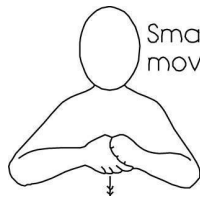

friends indeed!

Chorus

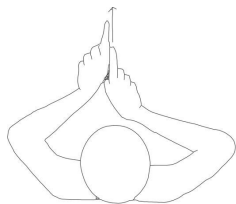

Musical Interlude

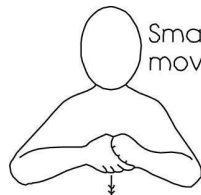

If you want a friend

Small downward movement twice

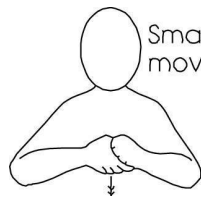

Try and be a friend,

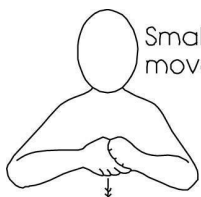

Small downward movement twice

If you want a friend

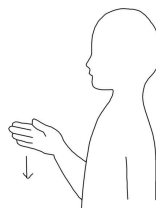

Small downward movement twice

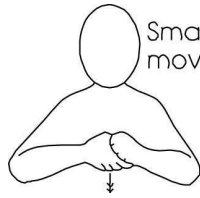

A friend

you

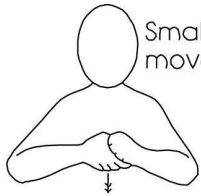

need to be

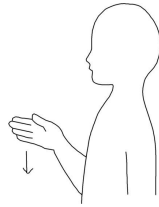

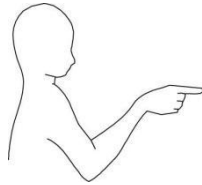

Small downward movement twice

If you want a friend

Small downward movement twice

A friend

you

need to be!
