

I Will Survive (VDC Arrangement)

At first, I was afraid, I was petrified

Kept thinkin' I could never live without you by my side

But then I spent so many nights

Thinking how you did me wrong

I grew strong, and I learned how to get along

And so you're back, from outer space

I just walked in to find you here with that sad look upon your face

I should have changed that stupid lock

I should have made you leave your key

If I'd have known for just one second you'd be back to bother me

Go on now go, walk out the door

Just turn around now, cause you're not welcome anymore

Weren't you the one who tried to hurt me with goodbye?

Did you think I'd crumble? Did you think I'd lay down and die?

Oh no not I, I will survive

Oh, as long as I know how to love, I know I'll stay alive

I've got all my life to live,

and I've got all my love to give

And I'll survive, I will survive

It took all the strength I had not to fall apart,

Kept tryin' hard to mend the pieces of my broken heart

And I spent oh so many nights just feeling sorry for myself

I used to cry,

Two taps
over heart

but now I hold my head up high

And you see me, somebody new

Mime tying
person up as
appropriate
to situation

+

I'm not that chained up little person still in love with you

And so you felt like dropping in and just expect me to be free,

Very small
circular
movement

Hand moves
down slightly

Well now I'm saving all my loving

for someone who's

loving me!
