

The Big Give's Small Charity Week

Great news! The **Big Give** is going to help **Include** raise money and help even more people! This year, the **Big Give** chose **Include** to be **part** of the **Big Give's Small Charity Week**.

Small Charity Week is from the **23rd to the 30th June**. During this week, the **Big Give** will **double** people's **donations** to **Include**.

For example, when someone gives **Include** **£10** the **Big Give** gives **Include** **another £10**. This means when someone donates **£10** **Include** gets **£20!**

Our target is to raise **£20 000** in **7 days** during **Small Charity Week!** The **Big Give** is going to double **£10 000**, but there are two rules:

The **Big Give** **only** **doubles** **donations** **from 12pm** on **23rd June** to **12 pm** on **30th June!**

For the **Big Give** to double donations, people **must donate** using their website. [Click here](#) to go to **Include's Big Give** page.

People can also **donate cash in person** to **Include** during one of our **events** to raise money.

How can people help Include raise donations?

There are **lots** of **different ways** that **people** can **help Include** to **get** the **donations** we **need** during **Small Charity Week** this year.

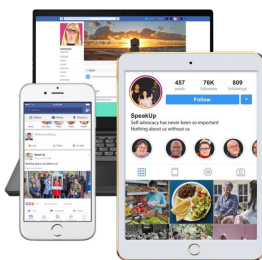

To help Include, it is **very important** for you to **tell** your **friends** and **family** about the **Big Give's Small Charity Week**.

Tell everyone to **come** to our **Big Sing** performance, on **Wednesday 25th June**. We will be singing at **Redhill's Memorial Park** to help us raise money.

To help Include, you can also **come up with** your **own fundraising ideas**. For example, you can **raffle tickets** to **win** a **cake**.

Please **share** our **social media posts** to let everyone know that the Big Give will be **doubling donations to Include** from **23rd June** to **30th June**.

The **Big Give weeks** are **very important** to **help Include help** even **more people**. Let us know any fundraising ideas you might have.

Thank you!
