## About the role

At [include.org](https://include.org), we know it's a joy to witness the difference our charity makes week after week. As a **Chat and Listen Volunteer**, you will help us capture the value of our work and understand how we can improve. You'll support our choir reps and volunteers with communication and learning needs to gather valuable feedback from members during breaks and at the end of sessions. This role is crucial to help us understand what is working well and what we might need to change, ensuring we continue to meet the needs of our members.

## About you

**Essential:** Fun loving, reliable, enjoy spending time with people and have an inclusive approach.

**Desirable:** Experience of working with people with learning disabilities, neurodivergence or communication needs.

## Training

Volunteering with us brings opportunities for training relevant to your role including Makaton, inclusive information, safeguarding and first aid training.
