

What did we talk about last week?

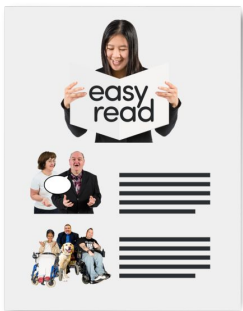

Last week, we **helped** an **organisation** called “**Three hands**” to **make** an **Easy Read** about a **money management** (**finance**) **project**.

The **project** is to **help** a **bank** called **Nationwide Building Society** to **make** their **services more inclusive** for everyone.

The **bank asked** a **research team** (organisation) called **Three Hands Insights** to **help** them **learn ways they can make** their **services** more **inclusive**.

A **person** from **Three hands** came to the **session** to **meet** the **Champions** and to **see** how **we make Easy Reads**.

Thank you so much for **all your help** with the Easy Read!

This week, we will be **helping Include** make a **Valentine's Day Easy Read** quiz.
