2026

What did we talk about last week?

Last week, we **looked** at a **website** from an **organisation** called Voluntary Action Surrey East, or **VASE** for short.

Everyone had **great ideas** of things that VASE **could do** to **make** their **website easier** to **use** for **people** with **communication needs**.

Claudia is going to use **everyone's ideas** to **write** a **report**.

The **report** will **say** all the **things** we **talked about** in the **session**.

Alix is going to **send** the **report** to **VASE**. This will **help** them **know what they can do** to **make** their **website better!**

Tonight, we will be **talking** in **more detail** about the new **Include Skills Programme!**

See you all later!
