What did we talk about last week?

Last week, we **looked** at the **report Include** did with all the things you said **VASE** could do to **improve** their **website**.

We also helped **Include** with the **heritage project**.

We also **looked** at the **Easy Read** for the **next heritage Stroll and Sign walk** to **Earlswood Park**.

We said that in the past, the **building** at **Earlswood park** was a **hospital** for **people** with **learning disabilities**.

We talked about how **Earlswood Hospital** was **one** of the **first places** to **help people** with **learning disabilities** learn new **skills** and **be independent**.

Tonight, we will be **talking** in **more detail** about disability!

See you all later!
