we're just here to sing

We Are The World

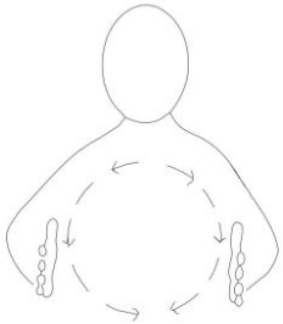

V1

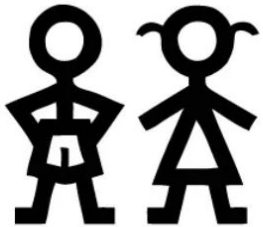

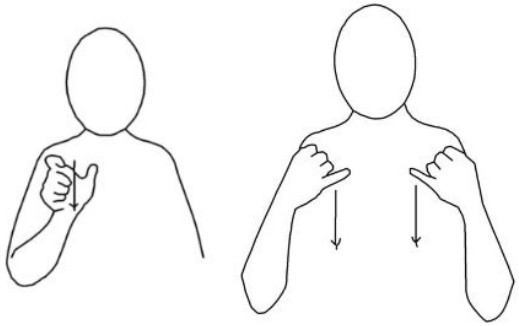

There comes a time when we heed a certain call

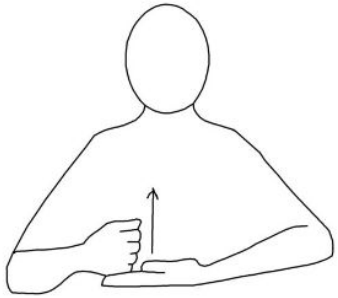

When the world must come together as one

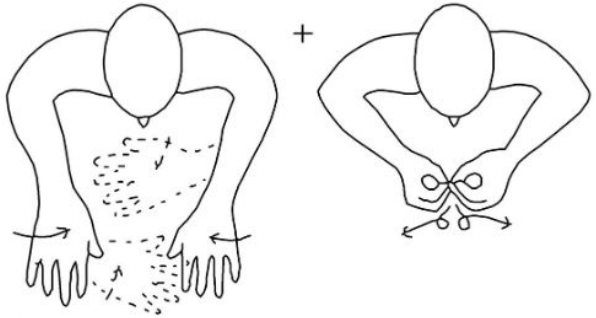

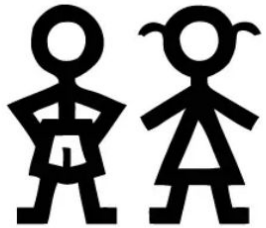

There are people dying, and it's time to lend a hand

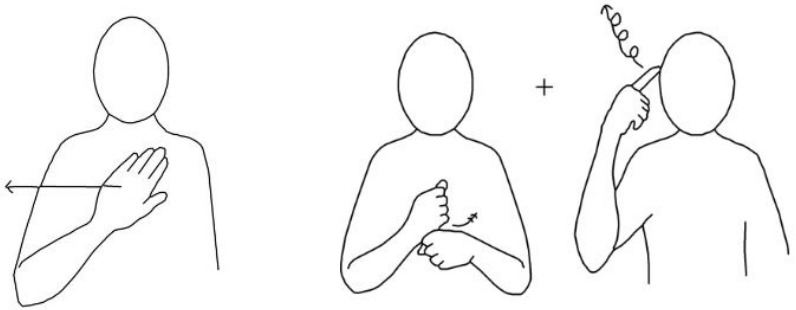

Mime wrapping parcel and tying string

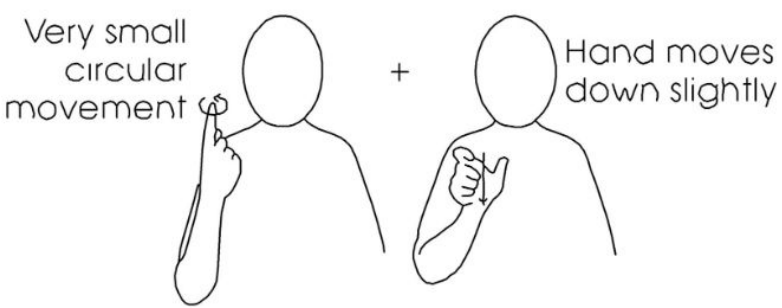

To life- the greatest gift of all

V2

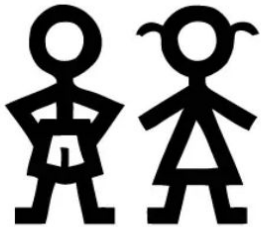

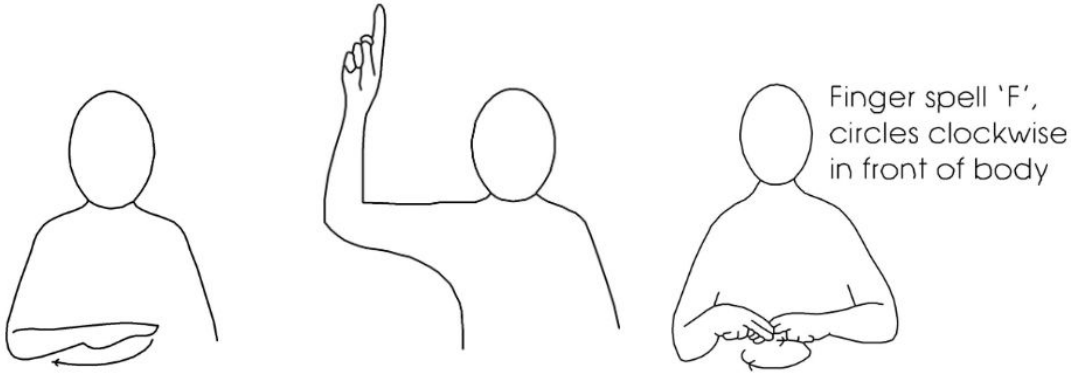

We can’t go on pretending day by day

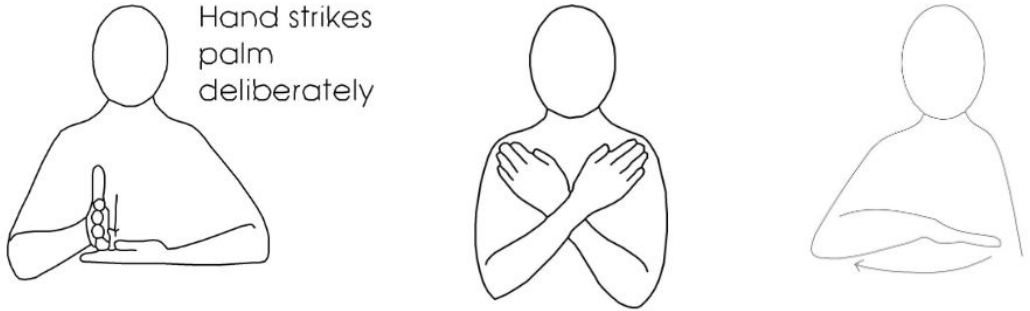

That someone somewhere will soon make a change

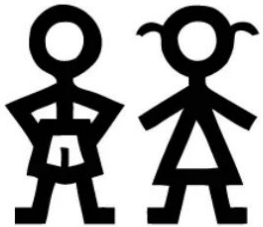

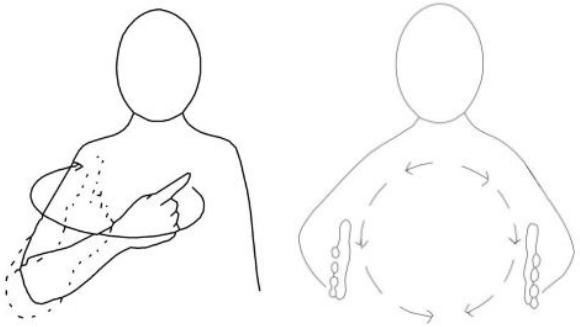

We are all a part of God's great big family

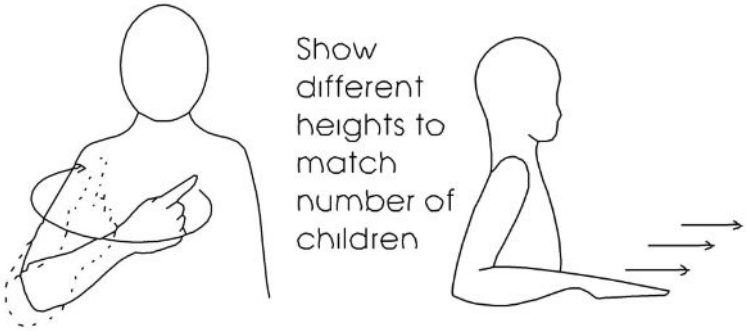

And the truth you know love is all we need

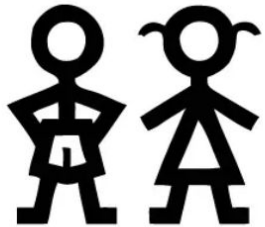

Chorus

We are the world,

we are the children

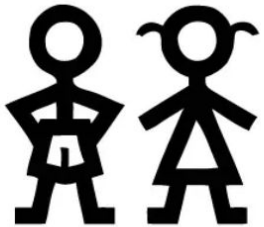

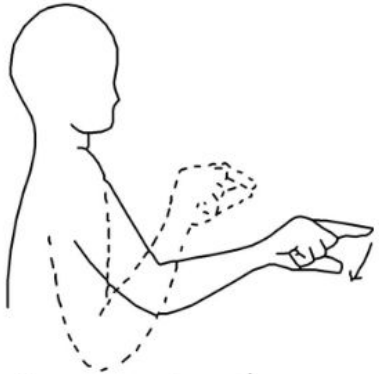

We are the ones who make a brighter day,

So let's start giving

There's a choice we're making

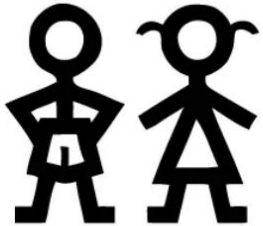

Draw cupped hand over palm from fingertips to wrist

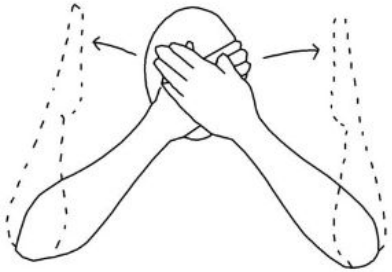

Hand strikes palm deliberatelv

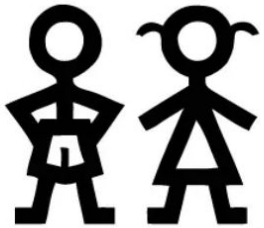

We're saving our own lives, it's true…

We'll make a better day…

World Singing Day
Sing together.
Unite the world.

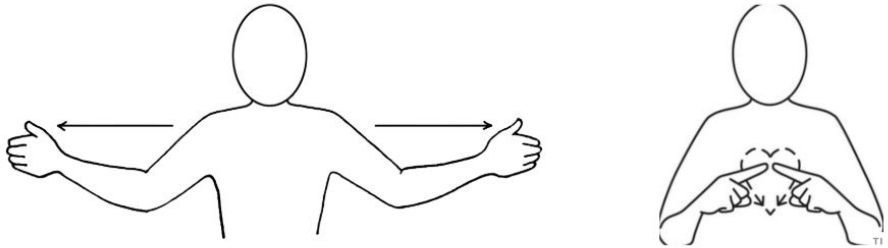

Got to be
room for
everyone

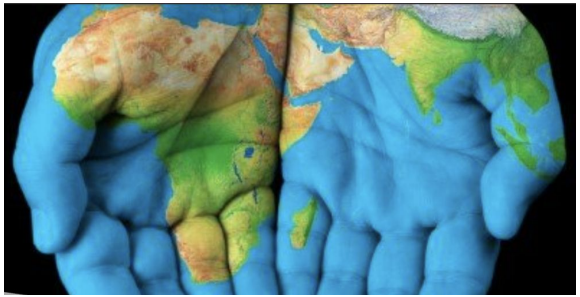

V1

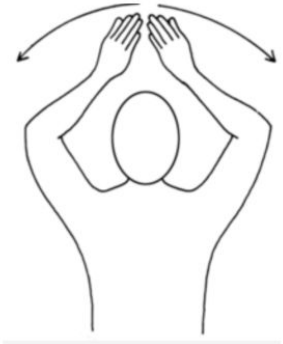

We live close together in worlds apart

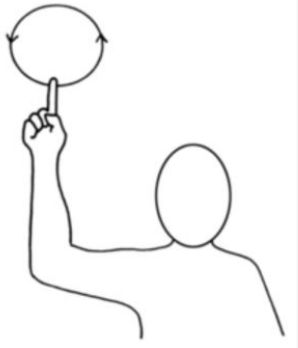

And need plenty of room inside our hearts.

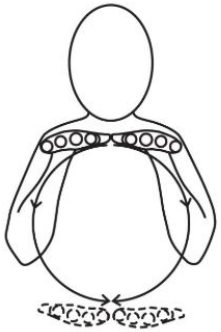

We share the sky, we share the sun.

Can't we share the world with ev'ryone?

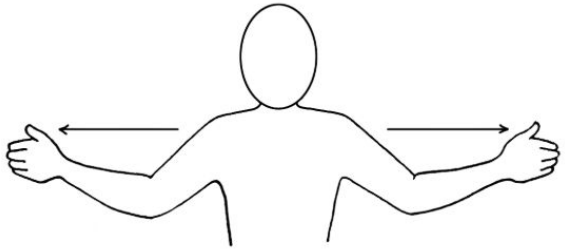

Chorus

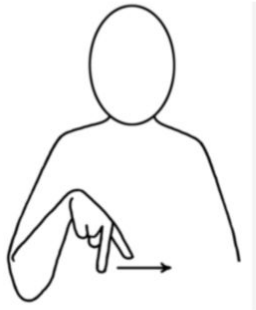

Sometime soon the time must come

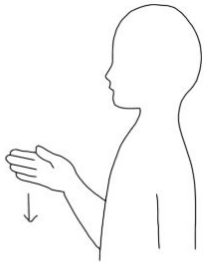

When there'll be room for everyone

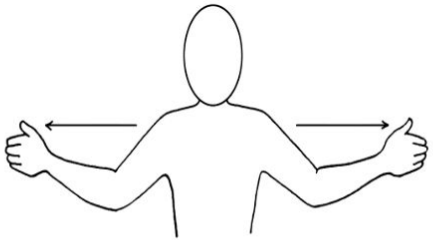

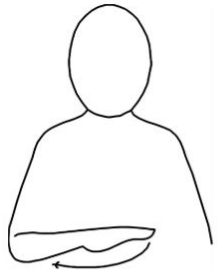

A place to walk and a place to run.

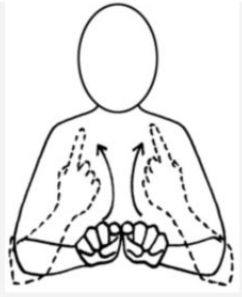

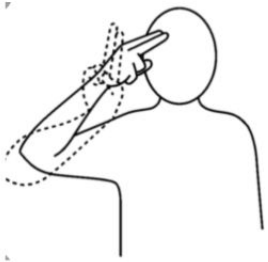

Got to be room for everyone

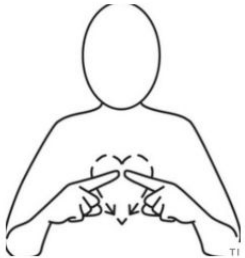

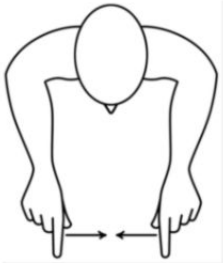

V2

We've got different dreams with different names

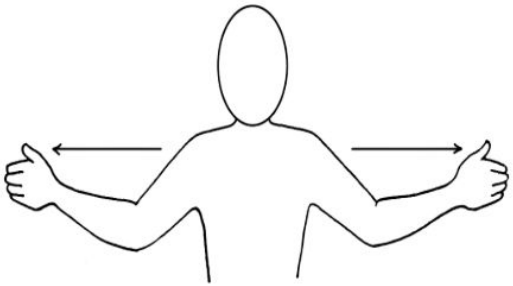

But it seems our hearts still beat the same.

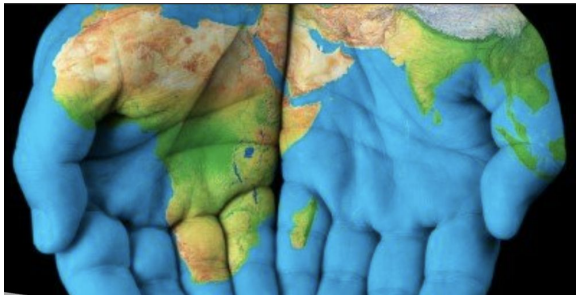

It'll take some love, it'll take some trust

To make some room for all of us.

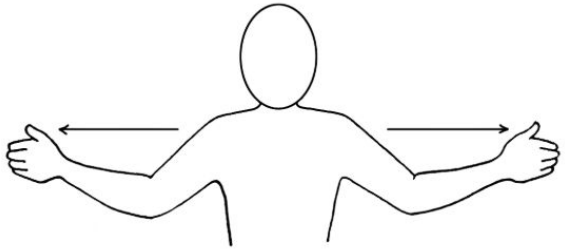

Chorus

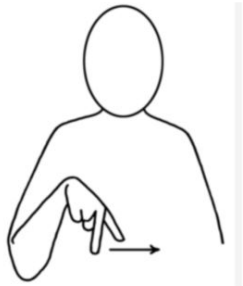

Sometime soon the time must come

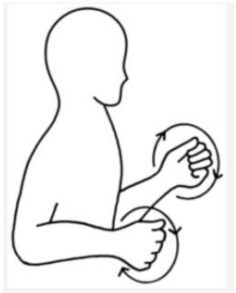

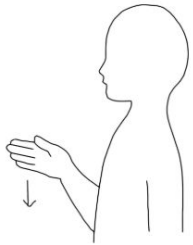

When there'll be room for everyone

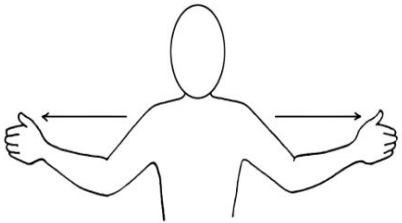

A place to walk and a place to run.

THIS IS ME

This is Me

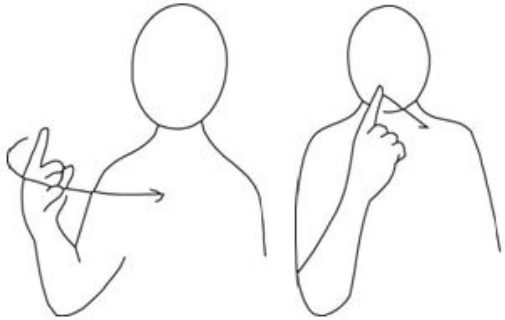

1. I am not a stranger to the dark

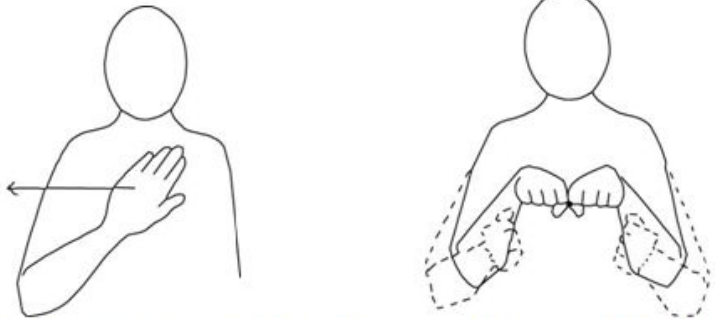

Right hand behind left hand makes small alternate movements from one side of face to the other at eye level

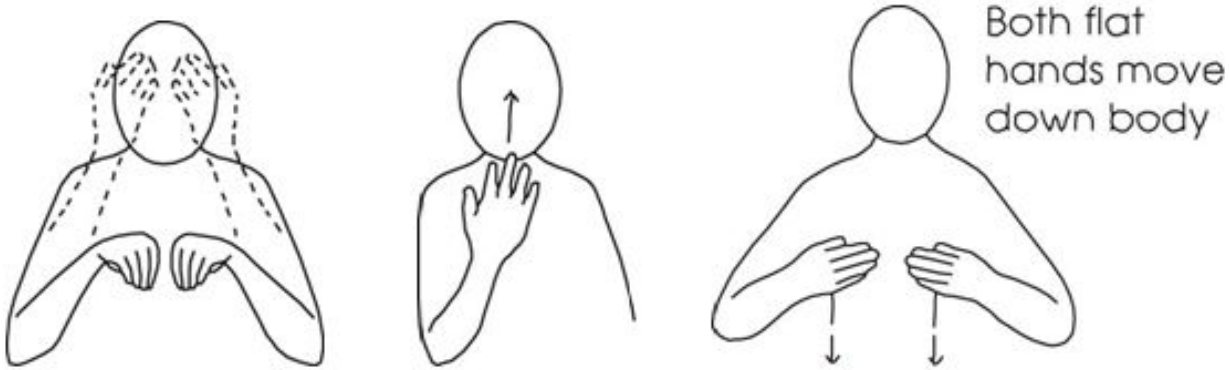

To hide an object place hands as appropriate

Hide away, they say

'Cause we don't want your broken parts

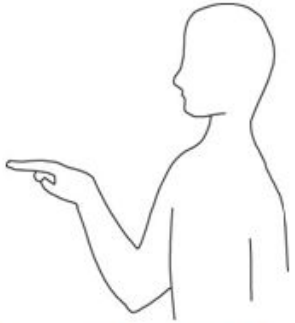

I've learned to be ashamed of all my scars

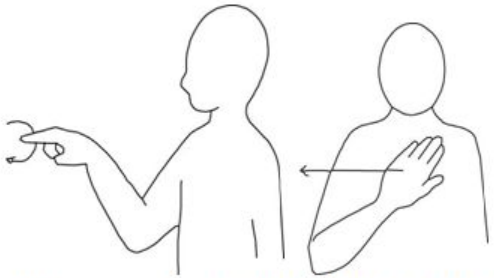

Run away, they say,

No one'll love you as you are

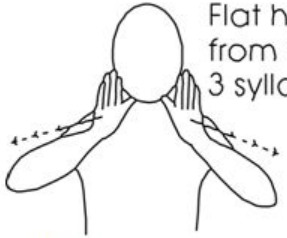

Make sign on body where appropriate

But I won't let them break me down to dust

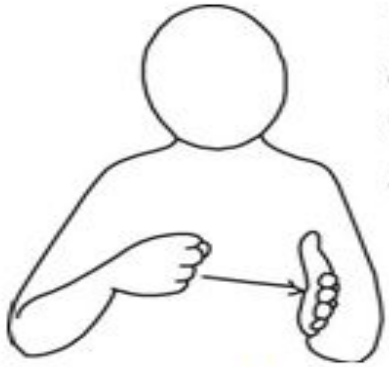

Flat hands move from face, match 3 syllables

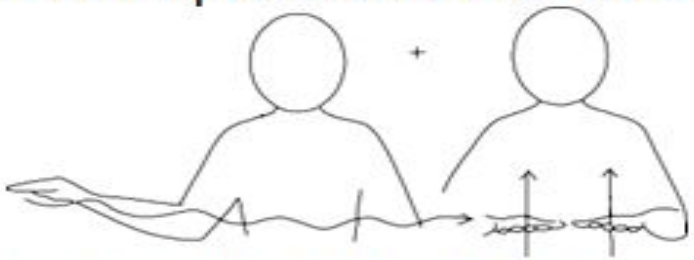

I know that there's a place for us - For we are glorious

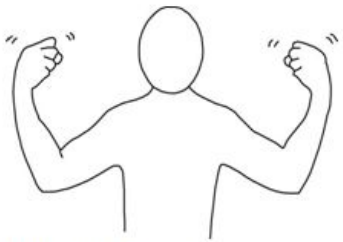

Make sign on body where appropriate

When the sharpest words wanna cut me down

I'm gonna send a flood, gonna drown them out

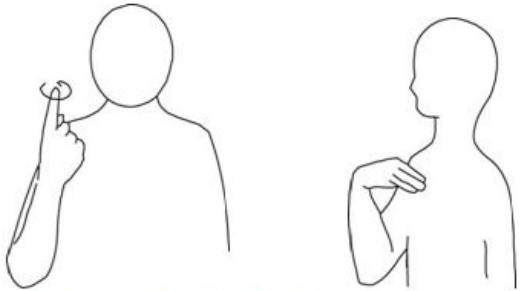

I am brave,

I am bruised

I am who I'm meant to be, **this is me**

Look out 'cause here I come....

And I'm marching on to the beat I drum

I'm not

scared to be seen

I make

no

apologies,

This is me!

Oh-oh-oh...

Oh-oh-oh .....

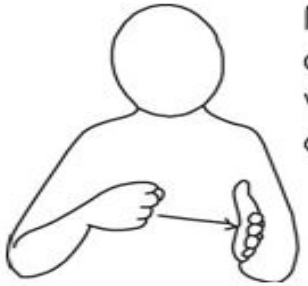

Oh-oh-oh...

Oh-oh-oh .....

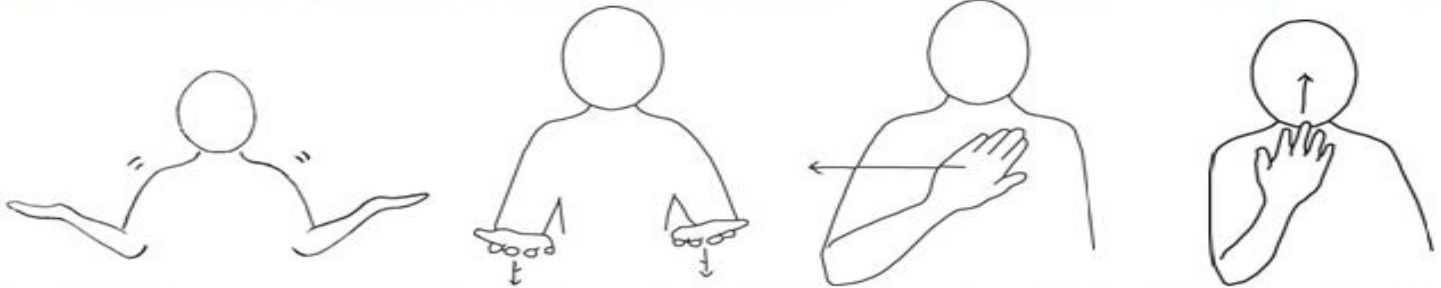

Oh-oh-oh, oh-oh-oh, oh-oh-oh oh oh!

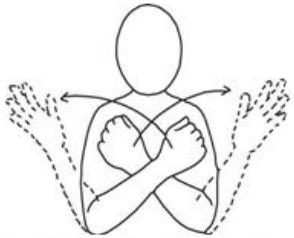

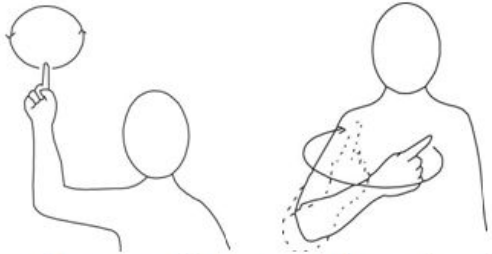

2. Another round of bullets hits my skin

Well, fire away 'cause today, I won't let the shame sink in

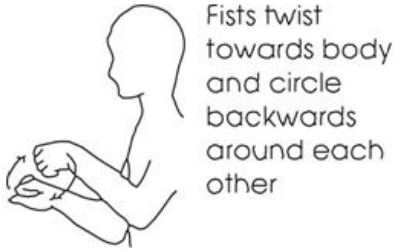

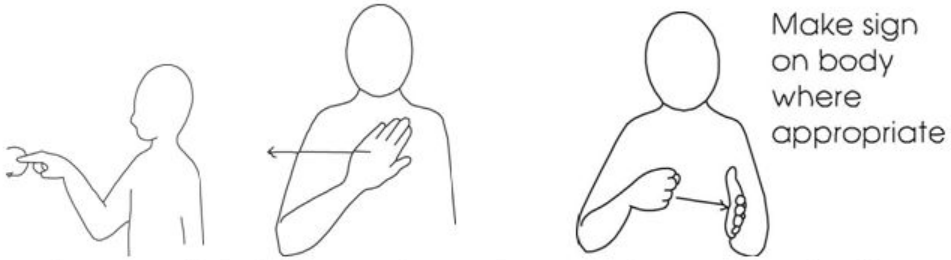

We are bursting through the barricades and Reaching for the sun

We are warriors! Yes, that's what we've become

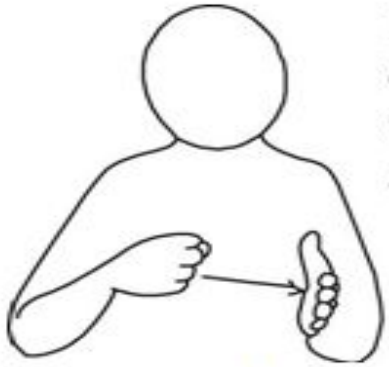

But I won't let them break me down to dust

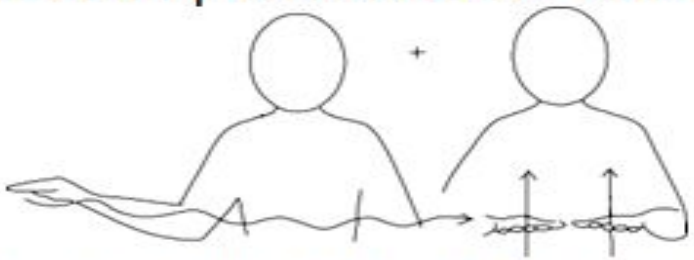

I know that there's a place for us - For we are glorious

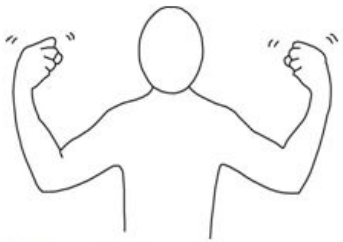

Make sign on body where appropriate

When the sharpest words wanna cut me down

I'm gonna send a flood, gonna drown them out

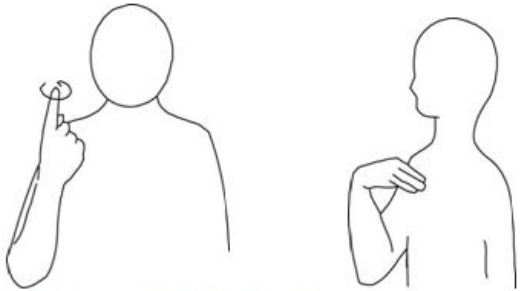

I am brave,

I am bruised

I am who I'm meant to be, **this is me**

Look out 'cause here I come....

The Paper Chain Song

Lyrics written by the community
Music by Sue Cope & The Include Choir

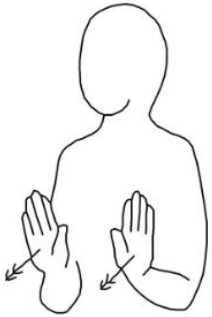

It's important to remember we're all different

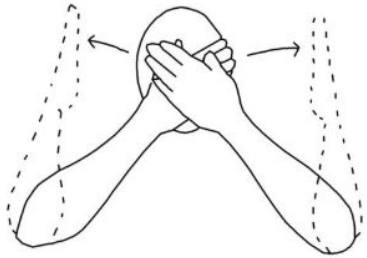

Let's learn Makaton, talk slowly and be patient

Like a sunrise on a new day

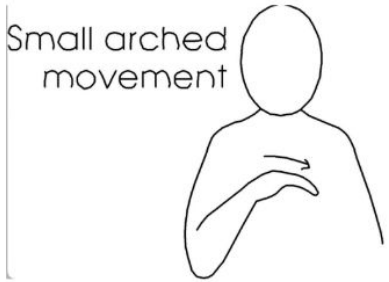

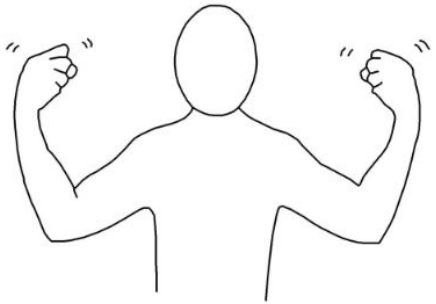

We can make it happen in a new way

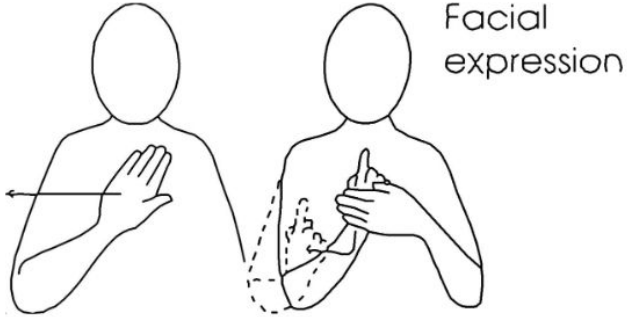

To be included feels like home

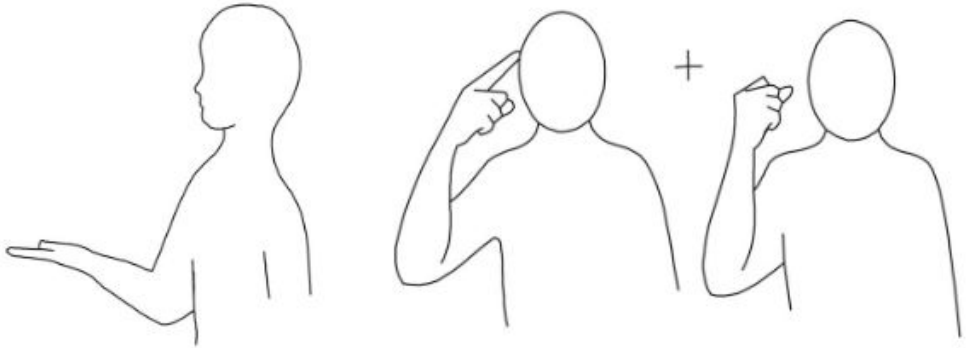

Empowered, motivated, not alone

Index fingers close onto thumbs, then hands move outwards

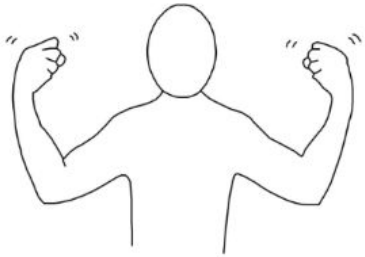

Sharing in joy and peace and kindness

Can you help remind us?

Bridge

Every link in our paperchain is strong enough

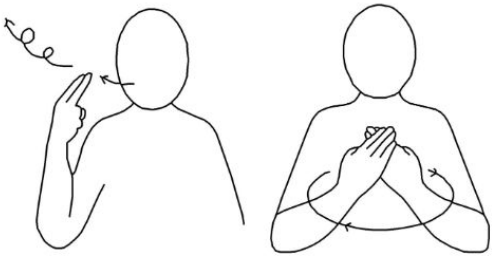

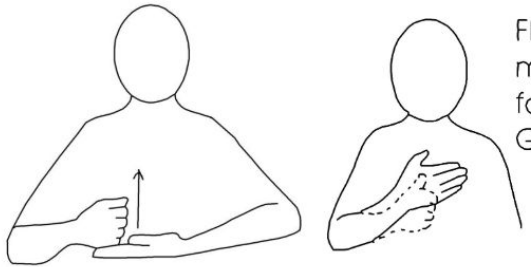

To connect the words that made a song for us to sing…

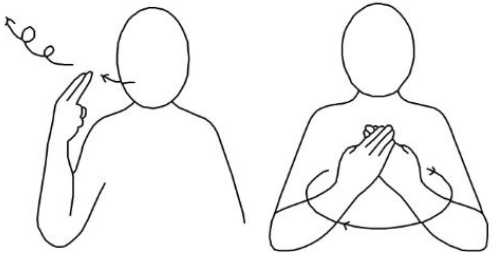

Chorus

Flat hand moves slightly forward to GOOD hand

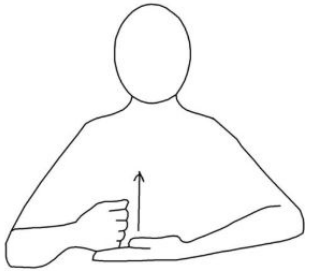

Sing together, help us find our courage

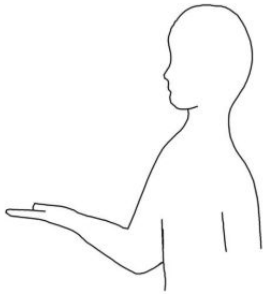

Sing together, it's about communication

Be an Includer, help us to be understood

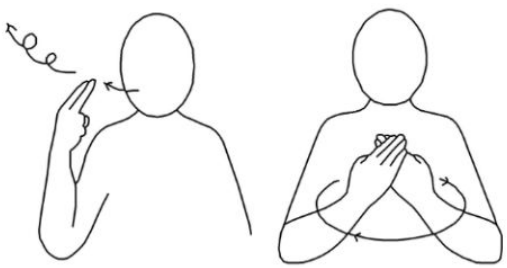

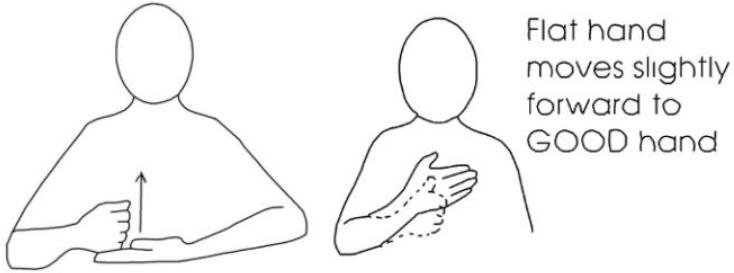

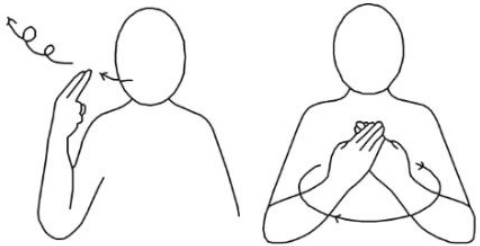

It starts with you and what you do to make inclusion happen

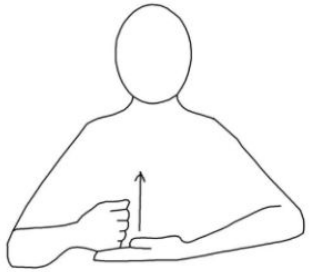

Sing together, help us find our courage

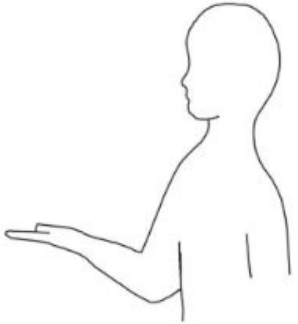

Sing together, it's about communication

Be an Includer, help us to be understood

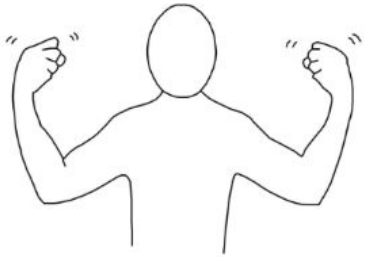

It starts with you and what you do to make inclusion happen x 2

Bridge

Every link in our paperchain is strong enough

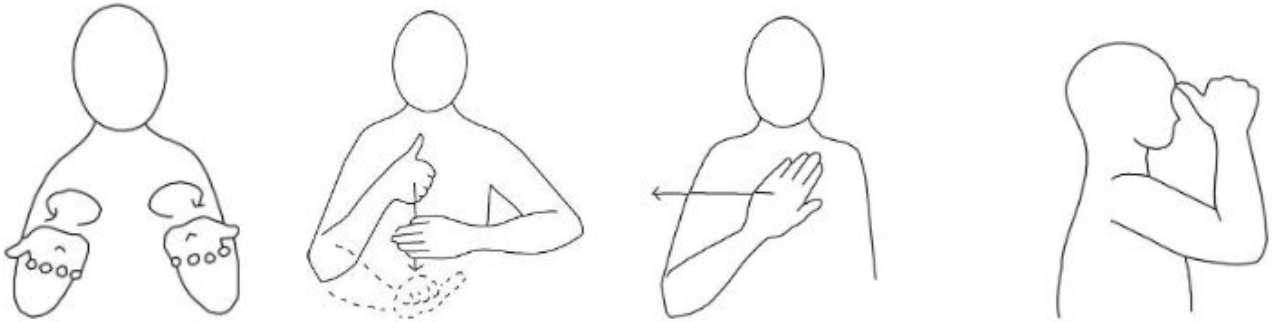

To connect the words that made a song for us to sing…

Sweet Caroline

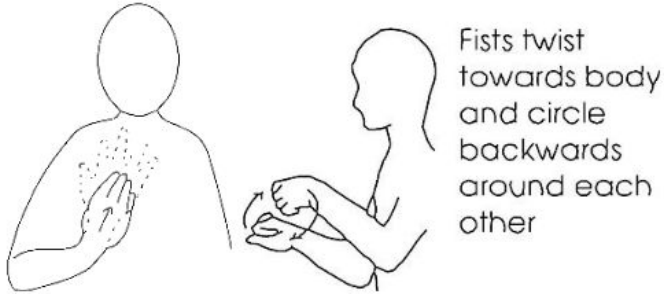

Where it began, I can't begin to knowin'

But then I know it's growing strong.

Was in the spring - And spring became the summer

Who'd have believed you'd come along?

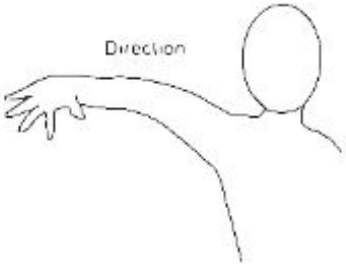

Touch back of right or left hand as appropriate For plural touch back of both hands

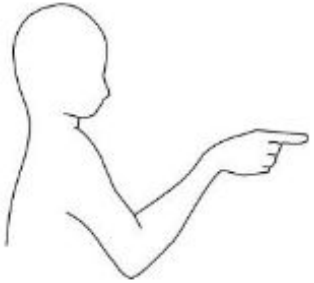

Touch back of right or left hand as appropriate For plural touch back of both hands

Hands, touchin' hands

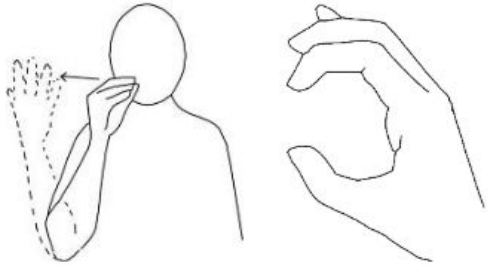

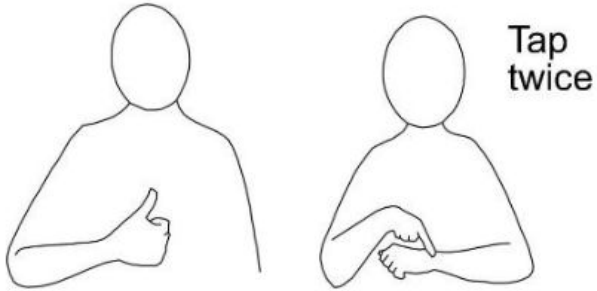

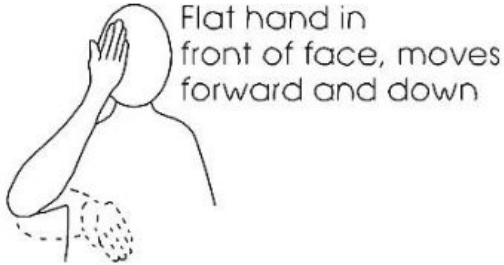

Reachin' out, touchin' me, Touchin' you

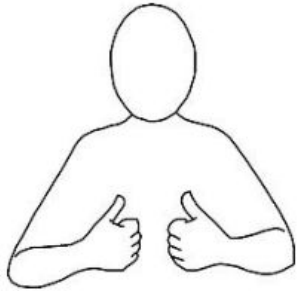

Sweet Caroline

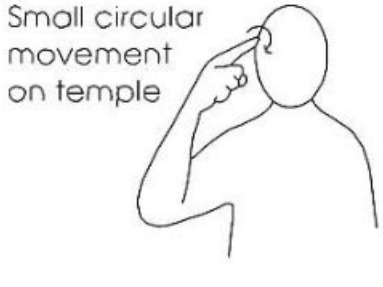

Good times never seemed so good

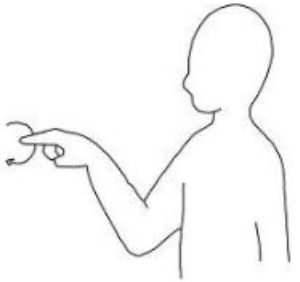

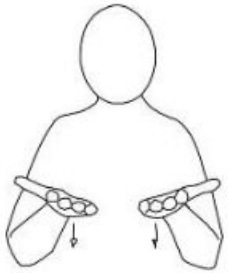

+

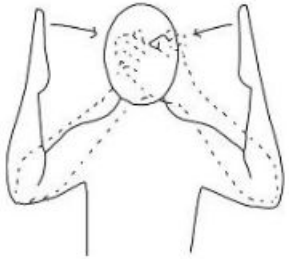

I've been inclined ... To believe they never would

But now I..... look at the night

Right index finger moves sharply down behind left hand, both open to flat hands, palms down, and move forward

And it don't seem so lonely

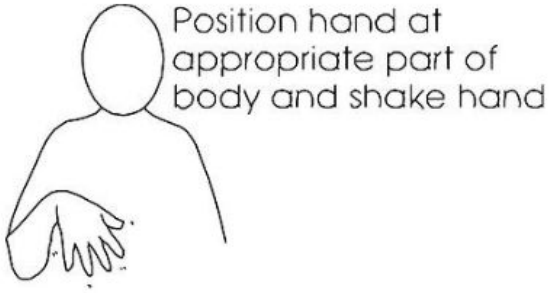

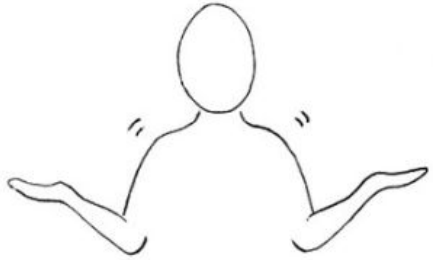

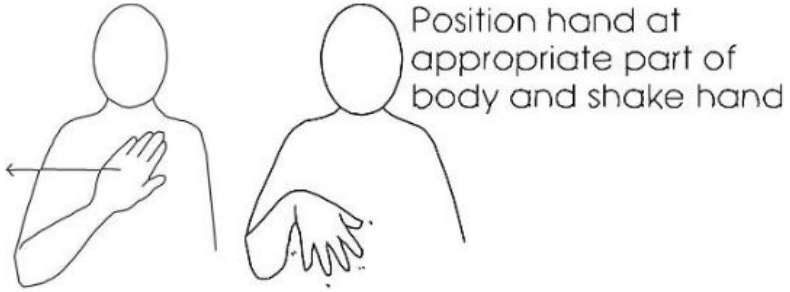

We fill it up with only two

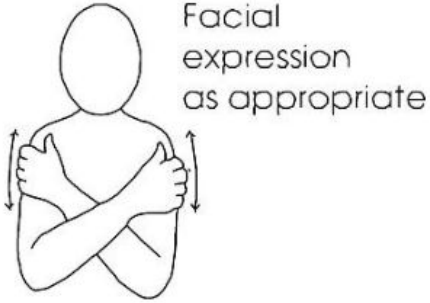

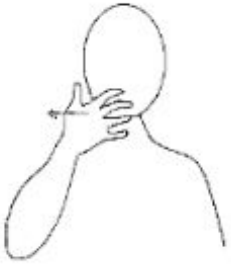

And when I hurt, hurtin' runs off my shoulders

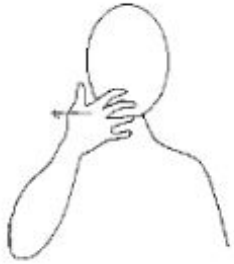

How can I hurt when holding you?

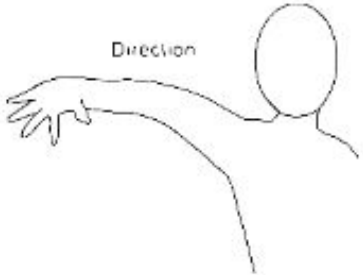

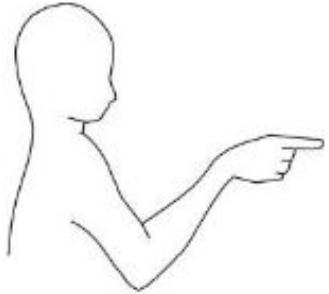

Warm, touchin' warm

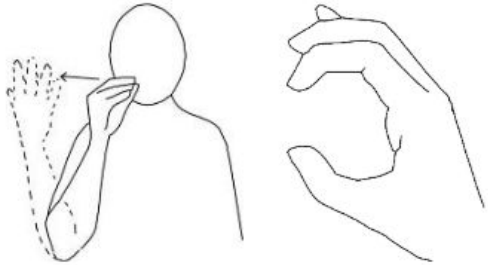

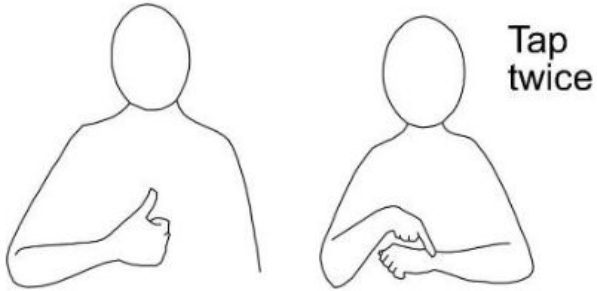

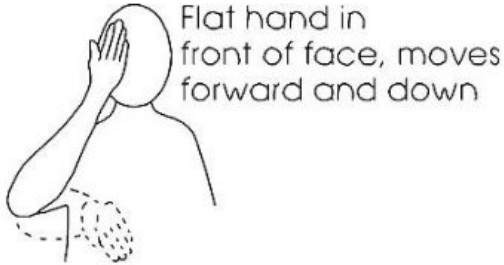

Reachin' out, touchin' me, Touchin' you

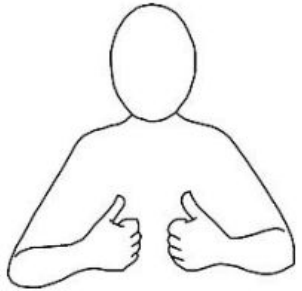

Sweet Caroline

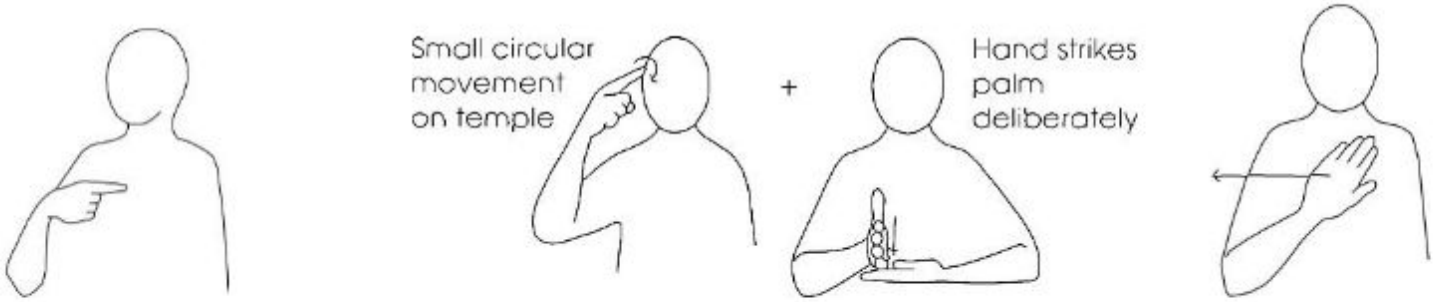

Good times never seemed so good

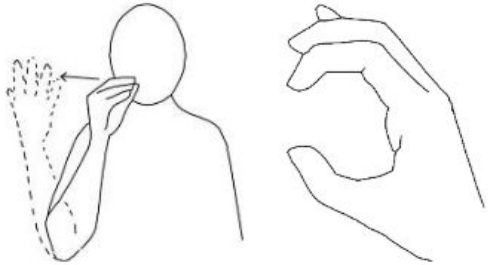

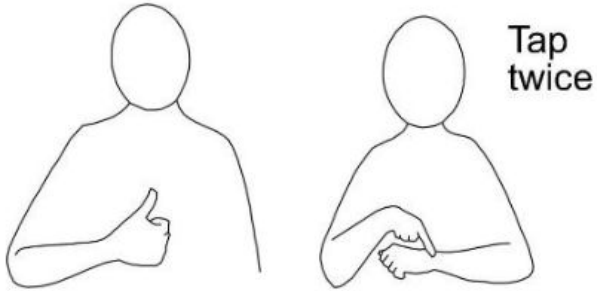

I've been inclined ... To believe they never would

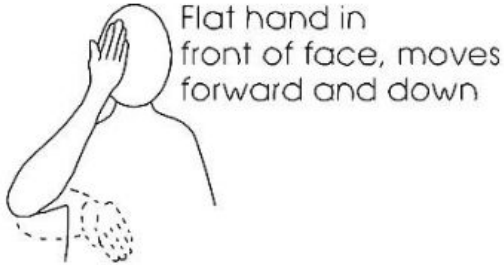

Instrumental

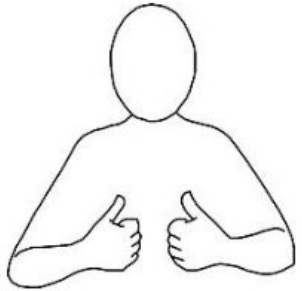

Sweet Caroline

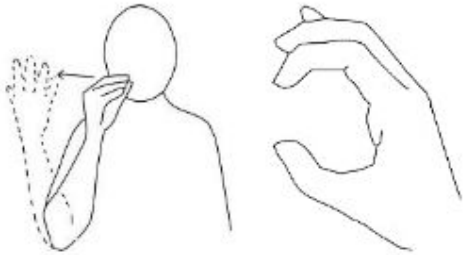

Good times never seemed so good

I believe they never could

I'm a Believer

I thought love was only true in fairy tales

Meant for someone else but not for me.

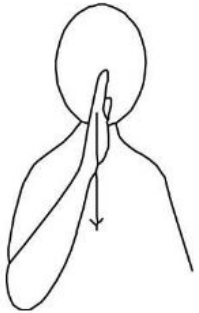

Hands move firmly forward slightly to the left and head turns away. Facial expression important

Flat hand in front of face, moves forward and down

Oh, love was out to get me. That's the way it seems

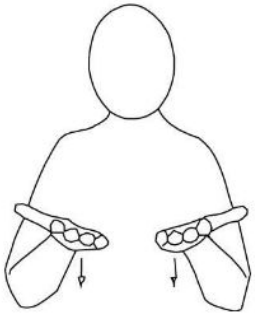

Disappointment haunted all my dreams.

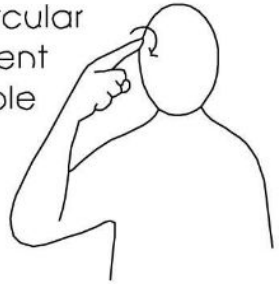

Index finger outlines face

Then I saw her face

Small circular movement on temple

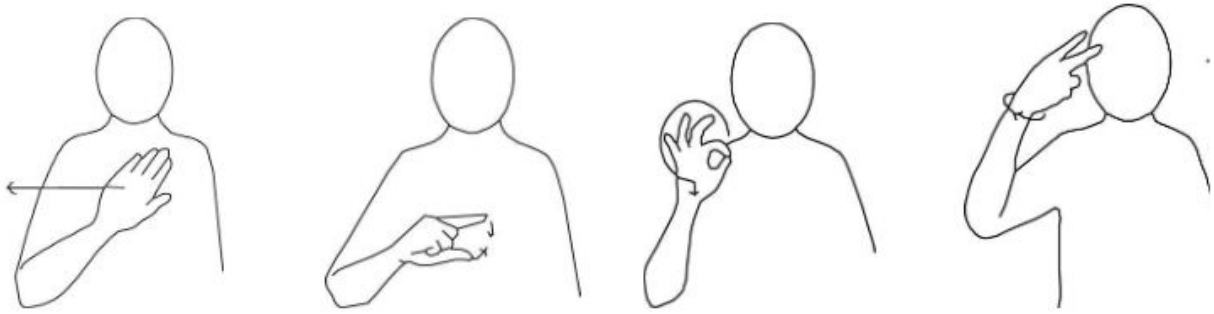

+

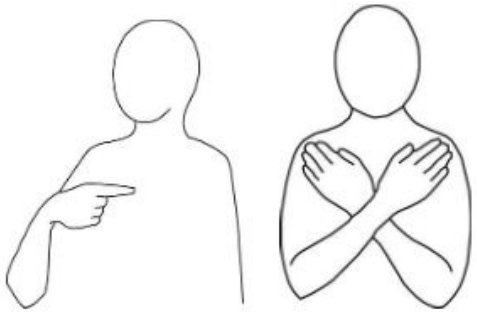

Hand strikes palm deliberately

Now I'm a believer.

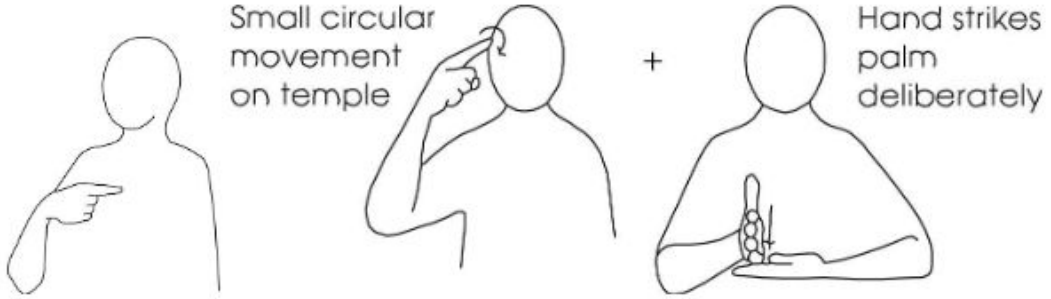

Not a trace of doubt in my mind.

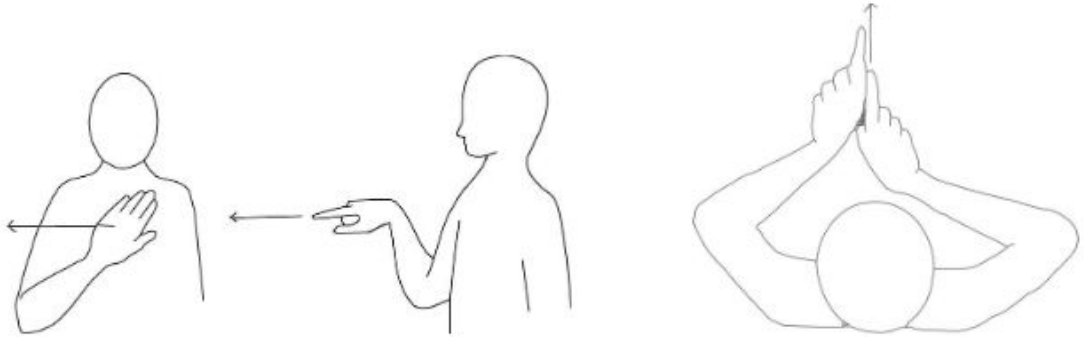

I'm in love (oooh)

I'm a believer,

I couldn't leave her if I tried

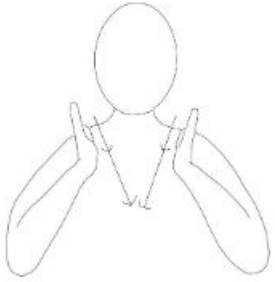

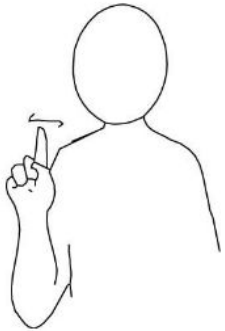

V2. I thought love was more or less a given thing

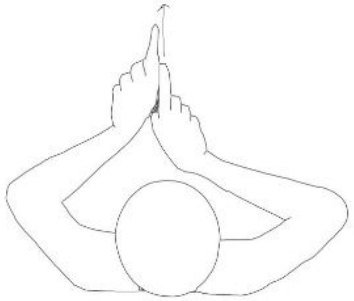

Seems the more I gave the less I got.

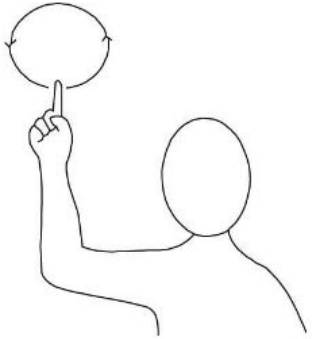

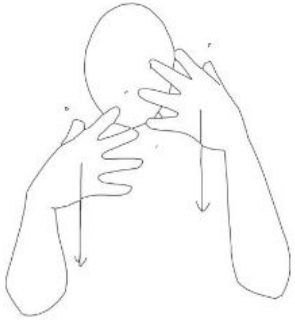

Position hand at appropriate part of body and shake hand

Oh, what's the use in trying - All you get is pain

With flat palm, thumb on side of chest, hand moves down then forward. Repeat for needs

When I needed sunshine I got rain

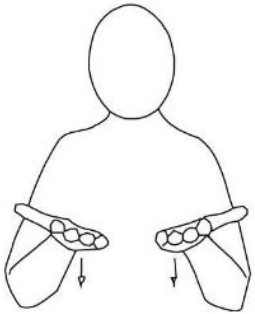

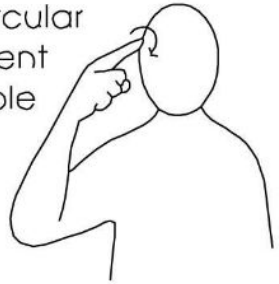

Index finger outlines face

Then I saw her face

Small circular movement on temple

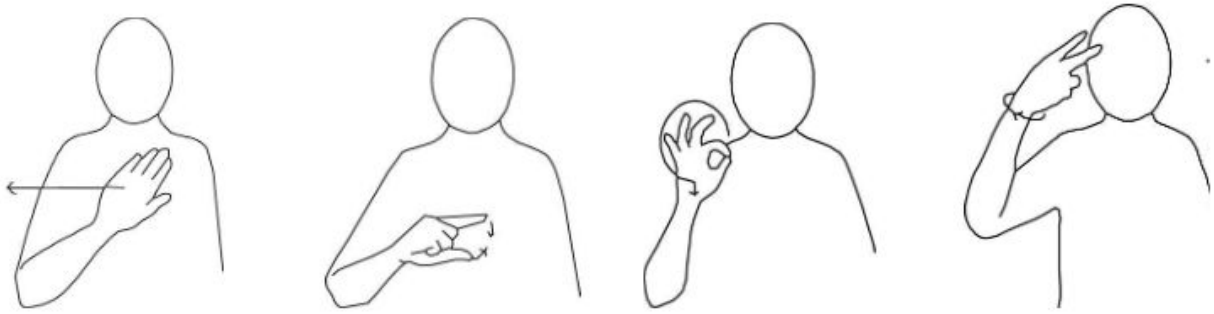

+

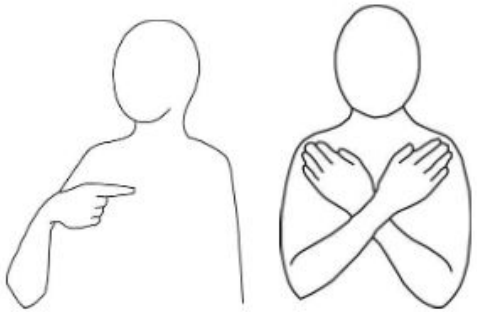

Hand strikes palm deliberately

Now I'm a believer.

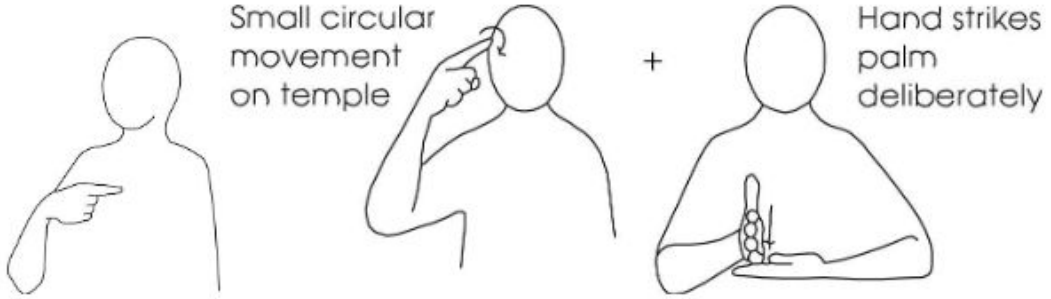

Not a trace of doubt in my mind.

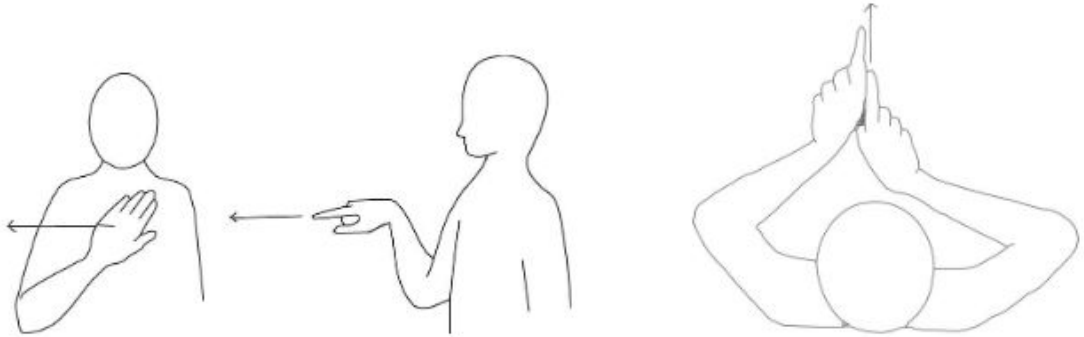

I'm in love (oooh)

I'm a believer,

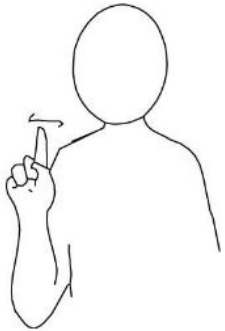

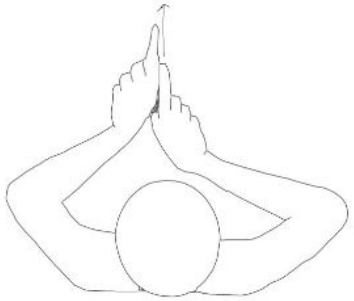

I couldn't leave her if I tried

In my world

Verse 1

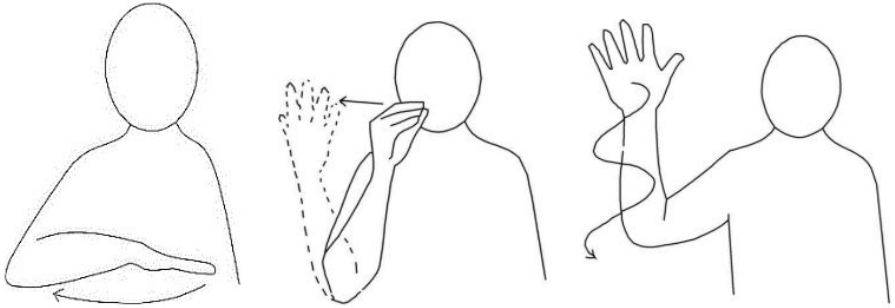

I see colours in the rainbow

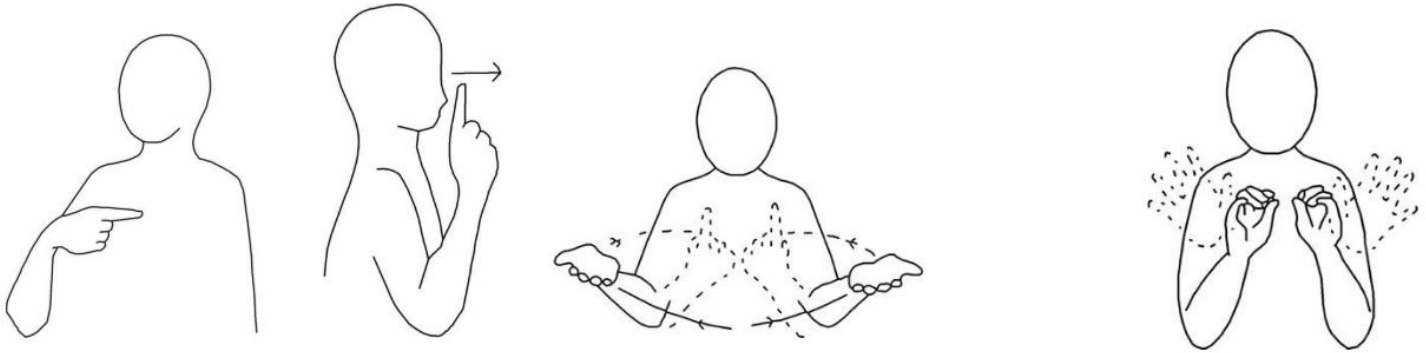

I see stars in the sky at night

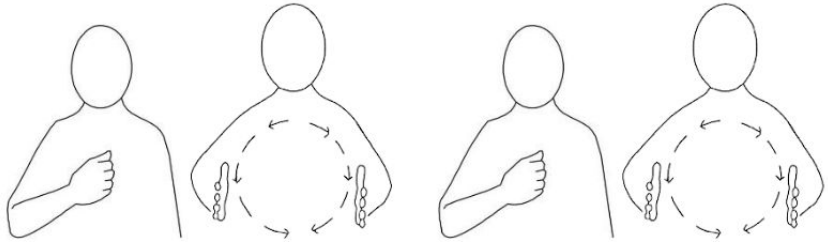

All the beautiful colours

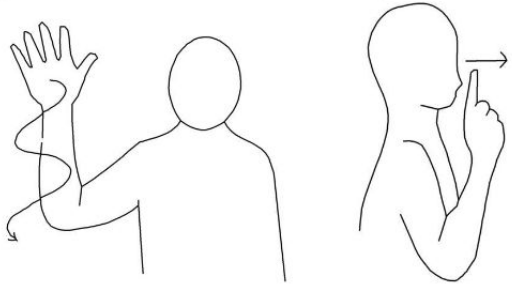

That I see make everything bright

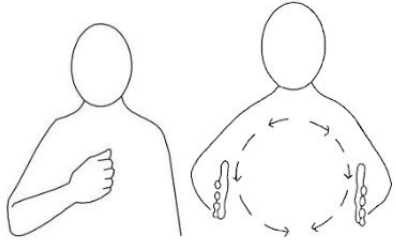

In my world, in my world

These are the colours that I see

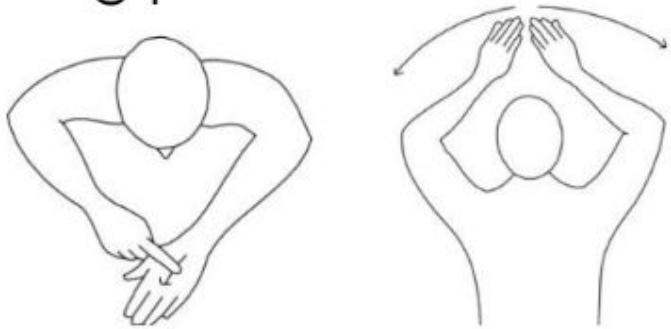

In my world

Verse 2

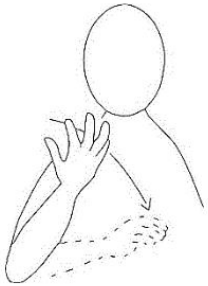

The blushing pink of the roses

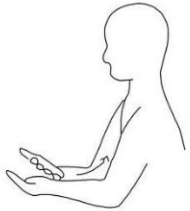

And the hazy blue of the sky

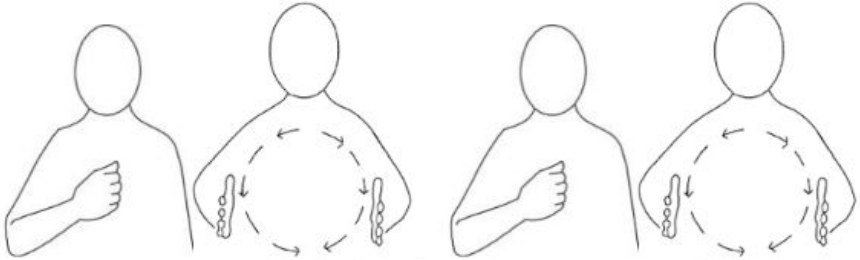

Sunsets over the calming sea

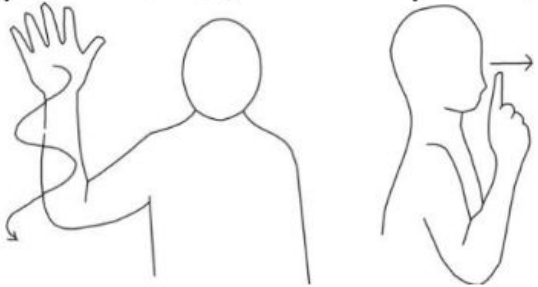

The green of the fields we're passing by

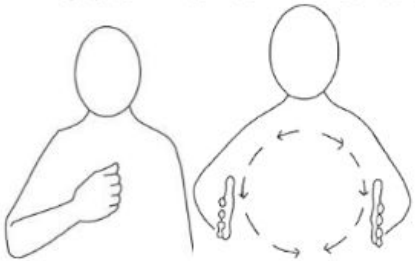

In my world, in my world

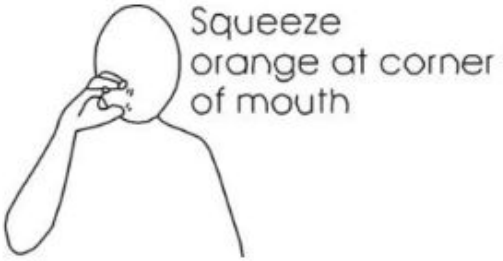

These are colours that I see

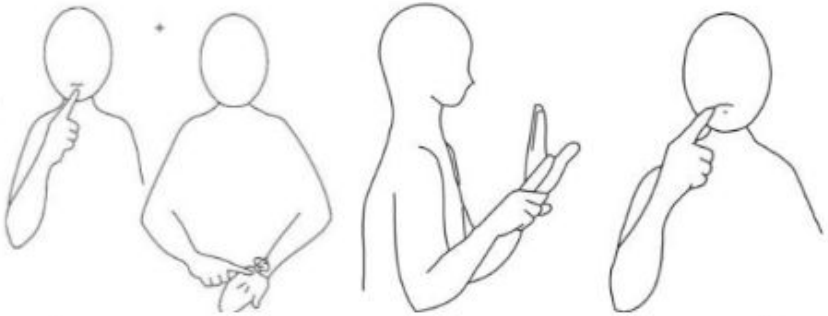

In my world

Middle

Orange, purple, yellow and red

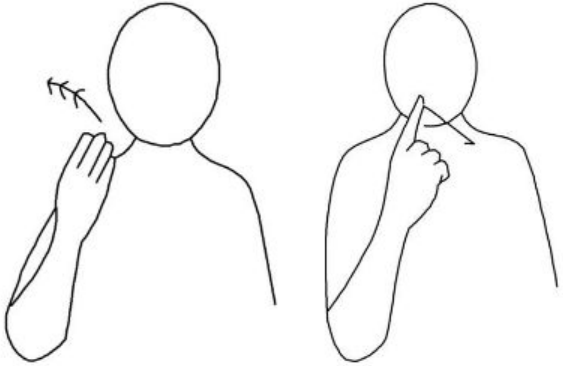

Pink and blue and green.

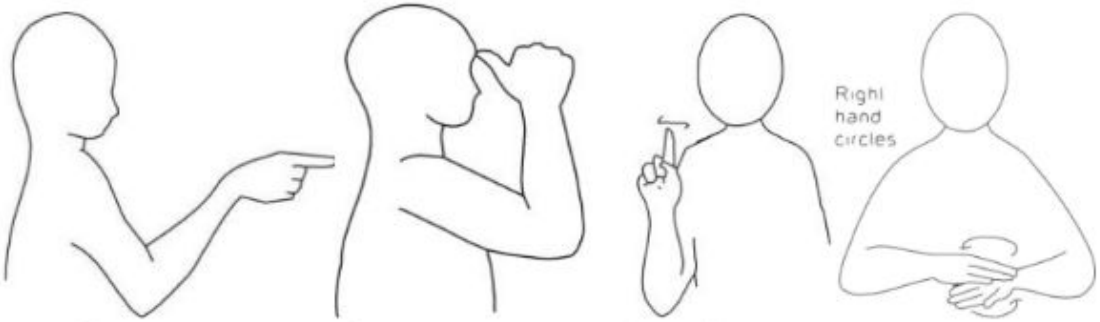

Some might say

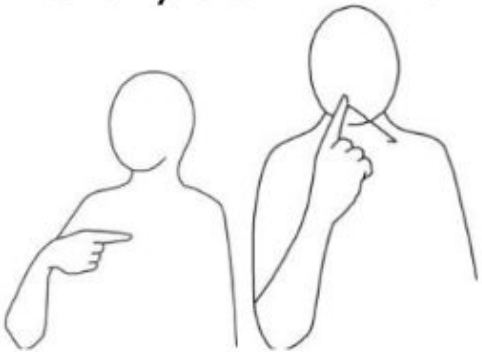

it's already been said

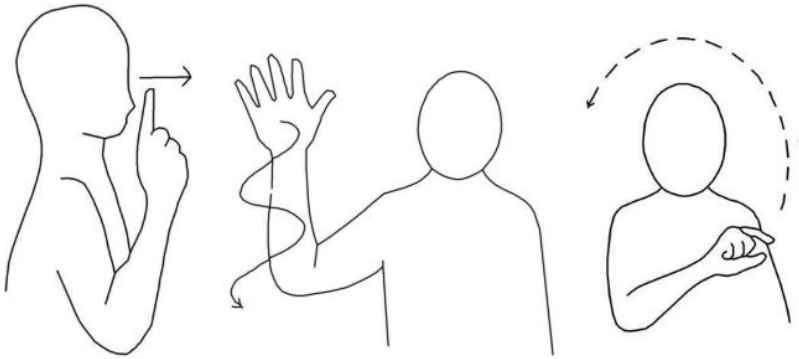

But. you know what I mean

When I say…

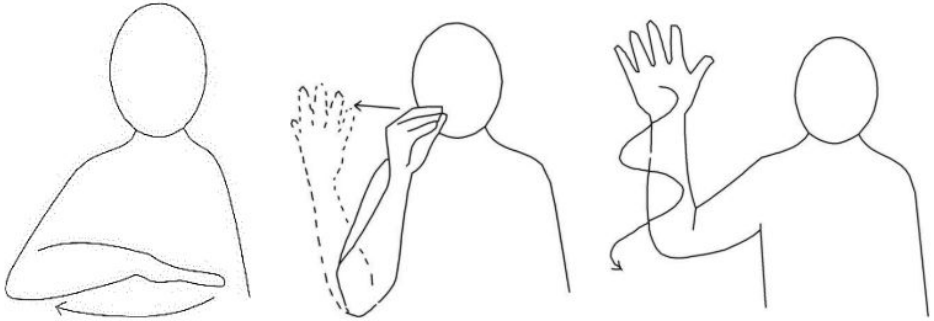

I see colours in the rainbows

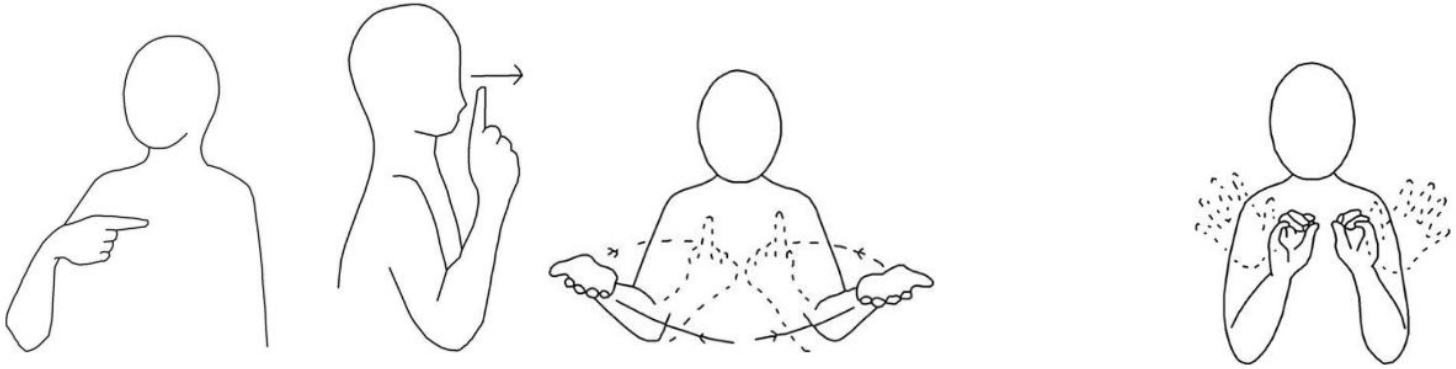

I see stars in the sky at night

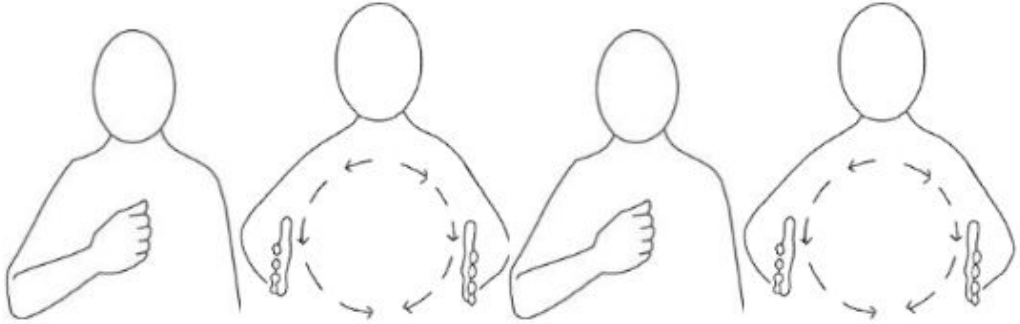

All the beautiful colours

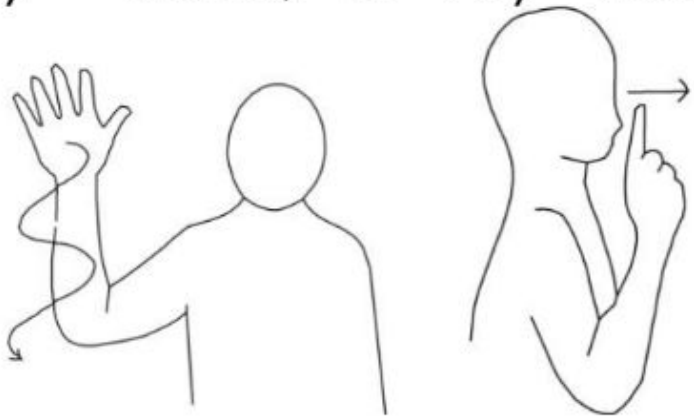

That I see make everything bright

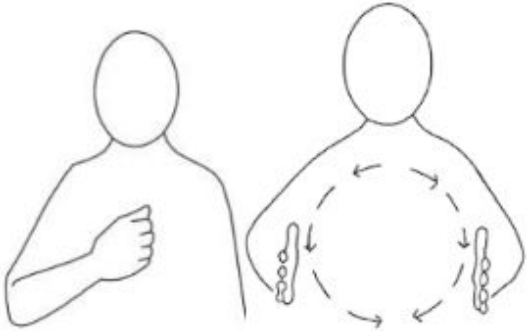

In my world, in my world

These are colours that I see

In my world

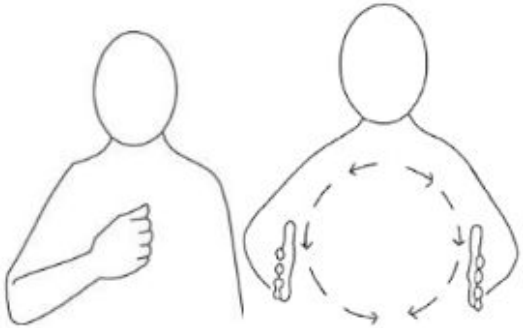

That's what colours mean to me

In my world,

these are the colours.
